Reconstructing Hillsborough:

Reconstructing Hillsborough Clarissa Thomasson,1999 In *Reconstructing Hillsborough* suffering at last forges new ties and romance as Sarah's missing brother in law returns her daughter finds a beau Sarah is courted by a Union sergeant and her brother in law Cave presents himself as a rival once again In the midst of the turmoil Sarah is faced with a struggle to save the family business this time from tax collectors and carpetbaggers **Ossian Bingley Hart, Florida's Loyalist**

Reconstruction Governor Canter Brown, Jr.,1997-07-01 In this exceptional biography Canter Brown Jr removes Ossian Bingley Hart 1821 1874 a Unionist the principal founder of the Republican Party in Florida and a Reconstruction era governor of the state from the shadows of history Through an examination of Hart's life and career Brown offers new insight into the political problems of the day the role of Unionism in Deep South politics in particular and enriches our understanding of the complexities of Reconstruction Brown traces Hart's life from his privileged childhood in the newly founded port town of Jacksonville through his service as a volunteer soldier in the Second Seminole War his education in South Carolina and the dawn of his legal and political career on Florida's Atlantic frontier to his election as governor in 1872 and his premature death sixteen months later Brown's multifaceted biography offers a rare glimpse at the persistence of Loyalism in the post Civil War South and clearly illustrates the pivotal role played by both Loyalists and African Americans in southern politics of that era and how these two groups merged to resist carpetbag rule *The Builder* ,1904 **Fort**

not hide the fact these men existed Volumes of information still exist about them Because of the grace of God these malicious spiteful political forces could not collect and destroy every publication that circulated the names of these Black men and their accomplishments They appeared in newspapers magazines and books across the country throughout the nineteenth century Details of their experiences remain well documented and their ideas and opinions live on in speeches given about 150 years ago These men were articulate and greatly distinguished themselves from their peers They resisted the popular culture of their day and knew they stood as equals with all men before God These men thrived in the face of racial hatred and bigotry that many in today s Black community could not bear They had uncommon strength will and determination that carried them through the most violent era of the Ku Klux Klan and an apathetic federal government They did not cower and they did not fold when faced with adversity Among these men were Congressman Robert Brown Elliott Congressman Joseph Hayne Rainey Congressman James T Rapier Congressman Richard Harvey Cain and Congressman John Roy Lynch A close examination of their lives experiences and speeches will likely produce the same strength of will devotion to knowledge and commitment to excellence within today s Black community In Black History Heroes of the Reconstruction Era Volume 1 we will learn about the life and experiences of Congressman Robert Brown Elliott Throughout Elliott s life even his enemies had to admit he was an extremely impressive young man He was clearly one of the most scholarly and well educated lawyers in the country Black or White Elliott could have chosen to build a successful law firm in the North living a life of relative luxury with his family and of notoriety in Boston legal circles Instead he felt compelled to live in the birthplace of the Civil War South Carolina Elliott called on all his courage and skill to help the newly emancipated slaves His efforts eventually led him to the halls of Congress where he participated in the historic debate on the Civil Rights Act of 1875 Congressman Elliott experienced many successes and failures But even in the face of failure he had a quality that would not allow him to quit or surrender
