National Library of Medicine Audiovisuals Catalog National Library of Medicine (U.S.), *Aesthetic Plastic Surgery of Head and Body* I. Pitanguy, 2012-12-06 My aim in writing this book is to present the truth regarding the methods of aesthetic plastic surgery of the head and body the truth as I have come to perceive it in the course of more than 20 years experience in the field After this long period of quiet sedimentation and elaboration of gradual accumulation of thoughts and ideas I feel the urge to share with my colleagues especially the younger surgeons amongst them the fruits of my experience

Although the procedures used in aesthetic plastic surgery when I entered the specialty two decades ago have since evolved the basic principles have remained the same Time has given me the opportunity to improve my own techniques as well as to benefit from the work of many others who have also contributed to the progress of the specialty This long process of maturation endangers the contemporariness of a work such as this but I have taken great pains to create a detailed up to date presentation enhanced by step by step illustrations of the surgical procedures that in my hands have been of value With regard to the accomplishment which this work represents I would first like to acknowledge the help of my former teachers Dr
