A History of the Book in America Carl F. Kaestle, Janice A. Radway, 2015-12-01 In a period characterized by expanding markets national consolidation and social upheaval print culture picked up momentum as the nineteenth century turned into the twentieth Books magazines and newspapers were produced more quickly and more cheaply reaching ever increasing numbers of readers Volume 4 of *A History of the Book in America* traces the complex even contradictory consequences of these changes in the production circulation and use of print Contributors to this volume explain that although mass production encouraged consolidation and

standardization readers increasingly adapted print to serve their own purposes allowing for increased diversity in the midst of concentration and integration Considering the book in larger social and cultural networks essays address the rise of consumer culture the extension of literacy and reading through schooling the expansion of secondary and postsecondary education and the growth of the textbook industry the growing influence of the professions and their dependence on print culture and the history of relevant technology As the essays here attest the expansion of print culture between 1880 and 1940 enabled it to become part of Americans everyday business social political and religious lives Contributors Megan Benton Pacific Lutheran University Paul S Boyer University of Wisconsin Madison Una M Cadegan University of Dayton Phyllis Dain Columbia University James P Danky University of Wisconsin Madison Ellen Gruber Garvey New Jersey City University Peter Jaszi American University Carl F Kaestle Brown University Nicolas Kanellos University of Houston Richard L Kaplan ABC Clio Publishing Marcel Chotkowski LaFollette Washington D C Elizabeth Long Rice University Elizabeth McHenry New York University Sally M Miller University of the Pacific Richard Ohmann Wesleyan University Janice A Radway Duke University Joan Shelley Rubin University of Rochester Jonathan D Sarna Brandeis University Charles A Seavey University of Missouri Columbia Michael Schudson University of California San Diego William Vance Trollinger Jr University of Dayton Richard L Venezky 1938 2004 James L W West III Pennsylvania State University Wayne A Wiegand Florida State University Michael Winship University of Texas at Austin Martha Woodmansee Case Western Reserve University

The
Pioneers: Early African-American Leaders in Pine Bluff, Arkansas Bettye J. Williams, 2020-01-22 The Pioneers Early African American Leaders in Pine Bluff Arkansas pays tribute to generations of African American leaders who helped shape the town Jefferson County and the state in productive dynamic ways Incorporated in 1839 a vast multitude of African Americans from Mississippi Alabama Tennessee South Carolina and North Carolina arrived in the 1840s While they are almost never talked about their contributions are woven into the fabric of Pine Bluff s history and present Despite separate and unequal rulings they became farmers educators politicians artists journalists and more and in this meticulously researched account the author tells the stories of forty five African American achievers who deserve to be remembered Drawing on archival images photos interviews from former slaves interviewed by the Work Projects Administration during the 1930s and accounts from descendants the book highlights African American achievers who survived and thrived during the most challenging of circumstances including the Civil War Reconstruction and the Jim Crow South Discover the critical role that African Americans played in Pine Bluff Arkansas as well as how they fit into the larger American narrative

Confronting the American Dilemma of Race Robert E. Washington, Donald Cunnigen, 2002 Confronting the American Dilemma of Race consists of twelve articles written by six authors about the second generation African American sociologists who embarked on their sociological careers between 1930 and 1950 when American society was embedded in a racial caste system From the perspective of the sociology of knowledge these articles through examining the life experiences and works

of these African American sociologists reveal important insights into the impact of racial segregation on the development of both black sociology and the sociology of race relations

An Old Creed for the New South John David Smith, 2008-02-12 An Old Creed for the New South Proslavery Ideology and Historiography 1865-1918 details the slavery debate from the Civil War through World War I Award winning historian John David Smith argues that African American slavery remained a salient metaphor for how Americans interpreted contemporary race relations decades after the Civil War Smith draws extensively on postwar articles books diaries manuscripts newspapers and speeches to counter the belief that debates over slavery ended with emancipation After the Civil War Americans in both the North and the South continued to debate slavery's merits as a labor legal and educational system and as a mode of racial control The study details how white Southerners continued to tout slavery as beneficial for both races long after Confederate defeat During Reconstruction and after Redemption Southerners continued to refine proslavery ideas while subjecting blacks to new legal extralegal and social controls An Old Creed for the New South links pre and post Civil War racial thought showing historical continuity and treats the Black Codes and the Jim Crow laws in new ways connecting these important racial and legal themes to intellectual and social history Although many blacks and some whites denounced slavery as the source of the contemporary Negro problem most whites including late nineteenth century historians championed a new proslavery argument The study also traces how historian Ulrich B Phillips and Progressive Era scholars looked at slavery as a golden age of American race relations and shows how a broad range of African Americans including Booker T Washington and W E B Du Bois responded to the proslavery argument Such ideas Smith posits provided a powerful racial creed for the New South This examination of black slavery in the American public mind which includes the arguments of former slaves slaveholders Freedmen's Bureau agents novelists and essayists demonstrates that proslavery ideology dominated racial thought among white southerners and most white northerners in the five decades following the Civil War

Land of Hope James R. Grossman, 2011-03-15 Grossman's rich detailed analysis of black migration to Chicago during World War I and its aftermath brilliantly captures the cultural meaning of the movement

Alabama in Africa Andrew Zimmerman, 2012-05-27 This work recounts an expedition sent by Tuskegee Institute to transform the German colony of Togo West Africa into a cotton economy like the American South This book reveals a transnational politics of labour sexuality and race invisible to earlier national imperial and comparative historical perspectives

A Different Vision Thomas D Boston, 2002-01-04 This work brings together for the first time the ideas philosophies and interpretations of North America's leading African American economists demonstrating that racial inequality has had an immense impact on African Americans daily lives

Black Folklorists in Pursuit of Equality Ronald LaMarr Sharps, 2023-06-16 After the Civil War Emancipation purportedly brought physical freedom to African Americans As the nineteenth century drew to a close blacks continued to experience inequality in all phases of American life social cultural political and economic In pursuit of equality African American movements interpreted folklore to reveal in their rhetoric the

soul of a race and a path toward civilization This book provides a comprehensive chronicle of these competing initiatives and their reception starting with the folklore society organized by Hampton Institute in 1893 and continuing through the early 1940s with the American Negro Academy Fisk University graduates William Hannibal Thomas the National Association for the Advancement of Colored People the Urban League the Friends of Negro Freedom the Universal Negro Improvement Association and blacks associated with the Communist Party USA Disavowing a culture of fear money guns and death black folklorists in these movements exposed a racial inner life ranging from loving loyal and happy to imitative tragic spiritual emotional and creative Each characterization of the race justified a distinct path and possible contributions to civilization If unable to know their past members of the movements and other folklorists were fearful that African Americans would be an anomaly among humanity
