Records? Katie Prince, 1996 Boring Records is a practical and eye opening investigation into the central role of record keeping Using the first hand impressions and comments of parents children and clinical social workers the author demonstrates the centrality of the work of record keeping for social work practitioners Under the Cover of Kindness Leslie Margolin, 1997 In Under the Cover of Kindness Leslie Margolin looks at how this country s social welfare system developed and with what results From his detailed examination of social work texts primarily case histories he argues persuasively that social work disguises its own assumptions and claims to power as a way of further legitimizing its actions By attending to these case histories Margolin shows how social work entails not only the intrusion into the previously private space of the home but also the constant justification of this intervention to both clients and workers themselves as representing charitable and disinterested help This book critically assesses how social workers invent themselves as they simultaneously invent their field of knowledge **Relevance of Social Case Work in Counselling** Mr. Rohit Manglik, 2024-04-26 EduGorilla Publication is a trusted name in the education sector committed to empowering learners with high quality study materials and resources Specializing in competitive exams and academic support EduGorilla provides comprehensive and well structured content tailored to meet the needs of students across various streams and levels
