Larson,2013-01-11 Coping With Loss describes the many ways in which people cope with the death of someone they love Most earlier books on bereavement have fallen into two categories

distillations of the clinical experience of individual therapists or collections of chapters reporting the results of empirical studies Each category is valuable but has tended to serve a narrow group of readers practitioners with particular theoretical orientations or researchers in quest of the latest findings Coauthored by a leading research psychologist and an experienced therapist who specializes in bereavement education and intervention this book is different The authors weave together the strands of theory research and clinical wisdom into a seamless and readable narrative While they discuss previous work they also present new data never before published from one of the largest studies of bereaved people ever conducted the Bereavement Coping Project Unlike most studies to date which focused on only one type of bereaved group usually widows or widowers the Bereavement Coping Project examined the experiences of several different groups during the first 18 months after the death The groups included those who had lost a spouse a parent an adult sibling or a child and those who had lost their significant other to cancer or cardiovascular disease on one hand as opposed to the stigmatized disease of AIDS on the other The book begins with a critical overview of theories of bereavement succeeding chapters explore in depth the impact of specific types of loss the impact of particular coping strategies on recovery the impact of social supports and religion and the special cases of children and of people who seem to grow and change for the better after a loss A final chapter considers implications for intervention with bereaved people Each chapter is richly illuminated with real life examples throughout and ends with a section called Voices in which bereaved people describe their various attempts to cope in their own words

Insightful and informative To Begin Again Naomi Levy, 2011-01-05 To Begin Again signals the arrival of an important new voice In words that are as wise as they are comforting and as universal as they are specific Rabbi Naomi Levy tells us how to survive emotionally and spiritually when we feel overwhelmed by grief loss or life itself Her book provides a safe harbor where we can begin to reconstitute our lives Where do we find the strength to rebuild our lives after difficult times Is it possible to recapture our hope Our innocence Our faith The answers never simple but always inspiring are indeed found in this wonderful book Naomi Levy was a bright cheerful fifteen year old girl who awoke to the devastating news that her father had been shot His senseless murder shattered her belief in God and left her feeling helpless and full of rage But in time she learned to fight her way through the darkness to conquer her heartbreaking pain She describes with humor and extraordinary honesty how she managed to emerge victorious over sorrow Later in her years as the rabbi of a congregation in Venice California Levy quickly learned that her own painful experiences were not unique Many of her congregants had also suffered divorce addiction rape loss illness They too had searched long and hard for ways to bring joy back into their lives A natural and engaging storyteller Levy weaves together her own story and the struggles of her congregants with the ancient lessons of great sages She offers up exquisitely simple prayers which no matter what our religious beliefs remind us that we are far far stronger than we ever imagined What emerges is a remarkable tapestry that teaches us how to mend our hearts and souls To Begin Again is a book that will be passed to friends when tragedy strikes a book that will rest at our

bedside tables during troubling times It is a testament to the human spirit to the undying strength that enables us to make our way through whatever darkness we may face and begin living once again **Life After Loss** Vamik D. Volkan, Elizabeth Zintl, 2018-03-29 How we cope with grief and come to terms with the death of a loved one shapes our world In this comprehensive guide to the mourning process Dr Volkan a world recognised authority on grief shows how each mourning is as individualised as our fingerprints encoded with our past history of losses Anecdotal and compassionate this is a profoundly moving and informative study of how grief and loss shape all our lives **Family Scripts** Joan D. Atwood, 1996 The First Three Chapters Of This Family Therapy Work Introduce The Notions of social construction assumptions and social scripting theory Subsequent chapters then apply the theory of scripting habitual ways of dealing with life s situations to *Dealing with the Loss of a Loved One* Sara L.
