Cross,2012-12-06 The subject of baptism continues to be of considerable interest though it frequently appears within broader studies of sacraments liturgy worship and ecumenical studies and within confessional bounds credobaptist or paedobaptist yet it is rarely discussed by Evangelicals This book however is neither an apologetic for credobaptism nor paedobaptism rather Cross believes that as practiced today both forms are a departure from New Testament baptism which he maintains was an integral part of becoming a Christian and part of the proclaimed gospel He argues that the one baptism of Ephesians 4:5 is conversion baptism and that the baptism referred to in the various New Testament strata refers to this one baptism of Spirit and water The study sets out the case for this interpretation and contends that in key passages baptism is an example of synecdoche The case is then made for a sacramental interpretation of baptism from a thoroughgoing Evangelical perspective Cross concludes with reflections on the necessity of baptismal reform and the relevance of a return to conversion baptism for the contemporary church in a post Christian post Christendom mission setting **Just Generosity** Ronald J. Sider,2007-04-01 Just Generosity calls Christians to examine their priorities and their pocketbooks in the face of a scandalous tendency to overlook those among us who suffer while we live in practical opulence This holistic approach to helping the poor goes far beyond donating clothes or money envisioning a world in which faith based groups work with businesses the media and the government to help end poverty in the world's richest nation This updated edition includes current statistics policy recommendations and discussions covering everything from welfare reform changes to Medicare and the Social Security debate Sider's most important book since Rich Christians in an Age of Hunger Jim Wallis author God's Politics Sider knows how to lift up people in need An important and challenging book John Ashcroft former Attorney General of the United States
