Recreational Terror Women And The Pleasures Of Horror Film Viewing:

Recreational Terror Isabel Cristina Pinedo,2016-02-24 In *Recreational Terror* Isabel Cristina Pinedo analyzes how the contemporary horror film produces recreational terror as a pleasurable encounter with violence and danger for female spectators She challenges the conventional wisdom that violent horror films can only degrade women and incite violence and contends instead that the contemporary horror film speaks to the cultural need to express rage and terror in the midst of social upheaval

The Horror Film Stephen Prince,2004 Focusing on recent postmodern examples this is a collection of essays reviewing the history of the horror film and the psychological reasons for its persistent appeal

The Monster Hunter in Modern Popular Culture Heather L. Duda,2014-01-10 As monsters in popular media have evolved and grown more complex so have those who take on the job of stalking and staking them This book examines the evolution of the contemporary monster hunter from Bram Stoker s Abraham Van Helsing to today s non traditional monster hunters such as Blade Buffy the Vampire Slayer and Watchmen Critically surveying a diverse range of books films television shows and graphic novels this study reveals how the monster hunter began as a white upper class educated male and became everything from a vampire to a teenage girl with supernatural powers Now often resembling the monsters they ve vowed to conquer modern characters occupy a gray area where the battle is often with their own inner natures as much as with the evil they fight

Abjection Incorporated Maggie Hennefeld,Nicholas Sammond,2020-01-17 From the films of Larry Clark to the feminist comedy of Amy Schumer to the fall of Louis C K comedic graphic and violent moments of abjection have permeated twentieth and twenty first century social and political discourse The contributors to *Abjection Incorporated* move beyond simple critiques of abjection as a punitive form of social death illustrating how it has become a contested mode of political and cultural capital empowering for some but oppressive for others Escaping abjection s usual confines of psychoanalysis and aesthetic modernism core to theories of abjection by thinkers such as Kristeva and Bataille the contributors examine a range of media including literature photography film television talking dolls comics and manga Whether analyzing how comedic abjection can help mobilize feminist politics or how expressions of abjection inflect class race and gender hierarchies the contributors demonstrate the importance of competing uses of abjection to contemporary society and politics They emphasize abjection s role in circumscribing the boundaries of the human and how the threats abjection poses to the self and other far from simply negative open up possibilities for radically new politics Contributors Meredith Bak Eugenie Brinkema James Leo Cahill Michelle Cho Maggie Hennefeld Rob King Thomas Lamarre Sylv re Lotringer Rijuta Mehta Mark Mulrone Nicholas Sammond Yiman Wang Rebecca Wanzo

with time process and change However the very predominance of narrative as a focus of interest across multiple disciplines makes it imperative for scholars teachers and students to have access to a comprehensive reference resource *Genre, Authorship and Contemporary Women Filmmakers* Katarzyna Paszkiewicz,2018-06-06 Examining the significance of women s work in popular film genres this text sheds light on women s contribution to genre cinema through an exploration of filmmakers like Kathryn Bigelow Diablo Cody Sofia Coppola and Kelly Reichard **There She Goes Again** Aviva Dove-Viebahn,2023-12-15 There She Goes Again interrogates the representation of ostensibly powerful women in transmedia franchises examining how presumed feminine traits love empathy altruism diplomacy are alternately lauded and repudiated as possibilities for effecting long lasting social change By asking under what terms women protagonists are imagined envisioned embodied and replicated in media this book challenges how we should define and whether we need feminine forms of knowledge and power *Ghost Movies in Southeast Asia and Beyond* ,2016-08-09 Ghost Movies in Southeast Asia and Beyond explores ghost movies one of the most popular film genres in East and Southeast Asia by focusing on movie narratives the cultural contexts of their origins and audience reception In the middle of the Asian crisis of the late 1990s ghost movies became major box office hits The emergence of the phenomenally popular J Horror genre inspired similar ghost movie productions in Korea Thailand Taiwan Hong Kong the Philippines and Singapore Ghost movies are embedded and reflected in national as well as transnational cultures and politics in narrative traditions in the social worlds of the audience and in the perceptual experience of each individual They reflect upon the identity crises and traumas of the living as well as of the dead and they unfold affection and attraction in the border zone between amusement and thrill secular and religious worldviews This makes the genre interesting not only for sociologists anthropologists media and film scholars but also for scholars of religion *Ghost Faces* David Greven,2016-02-09 Combines psychoanalysis queer theory masculinity studies and cultural studies to explore contemporary manhood in film Ghost Faces explores the insidious nature of homophobia even in contemporary Hollywood films that promote their own homo tolerance and appear to destabilize hegemonic masculinity Reframing Laura Mulvey s and Gilles Deleuze s paradigms and offering close readings grounded in psychoanalysis and queer theory David Greven examines several key films and genre trends from the late 1990s forward Movies considered range from the slasher film *Scream* to bromances and beta male comedies such as *I Love You Man* to dramas such as *Donnie Darko* and *25th Hour* to Rob Zombie s remake of the horror film *Halloween* Greven also traces the disturbing connections between torture porn found in such films as *Hostel* and gay male Internet pornography **Lost Illusions** David A. Cook,2002-03-15 This volume examines the development of film and the film industry during the 1970s and the political and economic background that influenced it **Female Identity in Contemporary Fictional Purgatorial Worlds** Simon Bacon,2023-08-10 Examining fictional purgatorial worlds in contemporary literature film and video games this book examines the way in which the female characters trapped within them construct identity positions of resistance and change

With the rise of populism the Alt Right and isolationism in world politics in the second decade of the 21st Century parallel purgatorial worlds seem to currently proliferate within popular culture across all media including television shows and films such as *The Handmaid's Tale*, *Us*, *Watchmen* and Margaret Atwood's *The Testaments* among many others. These texts depict alternate worlds that express the darkness and violence of our own, arguably none more so than for women. Featuring essays from a broad range of international contributors on topics as wide ranging as mental health in the *Silent Hill* franchise and liminal spaces in the work of David Mitchell, this book is an original, timely and hope-filled analysis about overcoming the confines of a patriarchal fundamentalist world where the female imaginative might just be the last best hope. **Virgin**

Territory Tamar Jeffers McDonald, 2010. A critical investigation of how virginity is represented in film. It considers virginity as it is produced and marketed in film. With chapters that span a range of periods, genres and performances, it intends to prove that although it seems like an obvious quality at first glance, virginity in film is anything but simple. **Alejandro**

Amenábar Barry Jordan, 2019-01-04. Since the release of his first feature in 1996, Alejandro Amenábar has become the golden boy of Spanish filmmaking, a bankable star director whose brand virtually guarantees quality, big audiences and domestic box office success. He has directed three of the highest-grossing movies in Spanish film history and has enjoyed enormous international and critical acclaim, including an Oscar for Best Foreign Film for *Mar Adentro* (The Sea Inside) in 2004. This book is the first full-length study in English of Amenábar's shorts and feature films. It provides detailed analysis of his engagement with popular film genres as the basis for an auteur cinema and incorporates a reappraisal of his auteurism as fundamentally decentred and shared. An essential resource for students, scholars and fans of Amenábar, the book will also appeal to a wider readership, including professionals in the film, media and culture industries, as well as those who have a general interest in the best of Spanish, European and world cinema. [A History of Evil in Popular Culture](#) Sharon Packer MD, Jody

Pennington, 2014-07-15. Evil isn't simply an abstract theological or philosophical talking point. In our society, the idea of evil feeds entertainment, manifests in all sorts of media and is a root concept in our collective psyche. This accessible and appealing book examines what evil means to us. Evil has been with us since the Garden of Eden when Eve unleashed evil by biting the apple. Outside of theology, evil remains a highly relevant concept in contemporary times. Evil villains in films and literature make these stories entertaining; our criminal justice system decides the fate of convicted criminals based on the determination of their status as evil or insane. This book examines the many manifestations of evil in modern media, making it clear how this idea pervades nearly all aspects of life and helping us to reconsider some of the notions about evil that pop culture perpetuates and promotes. Covering screen media such as film, television and video games; print media that include novels and poetry; visual media like art and comics; music and political polemics, the essays in this book address an eclectic range of topics. The diverse authors include Americans who left the United States during the Vietnam War era; conservative Christian political pundits; rock musicians; classical linguists; Disney fans; scholars of American slavery; and experts on

Holocaust literature and films From portrayals of evil in the television shows *The Wire* and *24* to the violent lyrics of the rap duo Insane Clown Posse to the storylines of the *Lord of the Rings* and *Harry Potter* books readers will find themselves rethinking what evil is and how they came to hold their beliefs

Final Girls, Feminism and Popular Culture Katarzyna Paszkiewicz, Stacy Rusnak, 2020-05-05 This volume examines contemporary reformulations of the Final Girl in film TV literature and comic expanding the discussion of the trope beyond the slasher subgenre Focusing specifically on popular texts that emerged in the 21st century the volume asks What is the sociocultural context that facilitated the remarkable proliferation of the Final Girls What kinds of stories are told in these narratives and can they help us make sense of feminism What are the roles of literature and media in the reconsiderations of Carol J Clover's term of thirty years ago and how does this term continue to inform our understanding of popular culture The contributors to this collection take up these concerns from diverse perspectives and with different answers notably spanning theories of genre posthumanism gender sexuality and race as well as audience reception and spectatorship

Dead Funny David Gillota, 2023-07-14 Covering everything from the use of slapstick in *Final Destination* to the comedy of awkwardness in *Get Out* *Dead Funny* locates humor as a key element in the American horror film It explores how the genre uses physical comedy parody satire and camp to comment on gender sexuality and racial politics
