The Red and the Black (□□□) Stendhal, 2011-10-15 The little town of Verri res can pass for one of the prettiest in Franche Comt Its white houses with their pointed red tiled roofs stretch along the slope of a hill whose slightest undulations are marked by groups of vigorous chestnuts The Doubs flows to within some hundred feet above its fortifications which were built long ago by the Spaniards and are now in ruins Verri res is sheltered on the north by a high mountain which is one of the branches of the Jura The jagged peaks of the Verra are covered with snow from the beginning of the October frosts A torrent which rushes down from the mountains traverses Verri res before throwing itself into the Doubs and supplies the motive power for a great number of saw mills The industry is very simple and secures a certain prosperity to the majority of the inhabitants who are more peasant than bourgeois It is not however the wood saws which have enriched this little town It is the manufacture of painted tiles called Mulhouse tiles that is responsible for that general affluence which has caused the fa ades of nearly all the houses in Verri res to be rebuilt since the fall of Napoleon One has scarcely entered the town before one is stunned by the din of a strident machine of terrifying aspect Twenty heavy hammers which fall with a noise that makes the paved floor tremble are lifted up by a wheel set in motion by the torrent Each of these hammers manufactures every day I don t know how many thousands of nails The little pieces of iron which are rapidly transformed into nails by these enormous hammers are put in position by fresh pretty young girls This labour so rough at first sight is one of the industries which most surprises the traveller who penetrates for the first time the mountains which separate France and Helvetia If when he enters Verri res the traveller asks who owns this fine nail factory which deafens everybody who goes up the Grande Rue he is answered in a drawling tone Eh it belongs to M the Mayor

The Red and the Black David Featherstone, Christian Høgsgjerg, 2021-08-10 The Russian Revolution of 1917 was not just a world historical event in its own right but also struck powerful blows against racism and imperialism and so inspired many black radicals internationally This edited collection explores the implications of the creation of the Soviet Union and the Communist International for black and colonial liberation struggles across the African diaspora It examines the critical intellectual influence of Marxism and Bolshevism on the current of revolutionary black internationalism and analyses how Red October was viewed within the contested articulations of different struggles against racism and colonialism Challenging European centred understandings of the Russian Revolution and the global left The Red and the Black offers new insights on the relations between Communism various lefts and anti colonialisms across the Black Atlantic including Garveyism and various other strands of Pan Africanism The volume makes a major and original intellectual contribution by making the relations between the Russian Revolution and the Black Atlantic central to debates on questions relating to racism resistance and social change

Red And The Black

Stendhal, 2004-01-27 The classic elegant translation of Stendhal's masterful novel of ambition, desire, and politics in post-Napoleonic France. A brilliant portrait of one of the most ruthlessly charming heroes in literature. The Red and the Black chronicles the rise and fall of Julian Sorel. Born into the peasantry, Sorel connives his way into the highest Parisian aristocratic circles. But his powers of seduction lead to his downfall when he commits a crime of passion. *The Red and the Black* Stendhal, C. K. Scott-Moncrieff, 2014-02-08 The small town of Verrieres may be regarded as one of the most attractive in the Franche Comte. Its white houses with their high pitched roofs of red tiles are spread over the slope of a hill, the slightest contours of which are indicated by clumps of sturdy chestnuts. The Doubs runs some hundreds of feet below its fortifications built in times past by the Spaniards and now in ruins. Verrieres is sheltered on the north by a high mountain, a spur of the Jura. The jagged peaks of the Verra put on a mantle of snow in the first cold days of October. A torrent which comes tearing down from the mountain passes through Verrieres before emptying its waters into the Doubs and supplies power to a great number of sawmills. This is an extremely simple industry and procures a certain degree of comfort for the majority of the inhabitants who are of the peasant rather than of the bourgeois class. It is not however the sawmills that have made this little town rich. It is to the manufacture of printed calicoes known as Mulhouse stuffs that it owes the general prosperity which since the fall of Napoleon has led to the refacing of almost all the houses in Verrieres. *The Red and the Black* Stendhal, 2014-12-12 Instead of memorizing vocabulary words, work your way through an actual well-written novel. Even novices can follow along as each individual English paragraph is paired with the corresponding French paragraph. It won't be an easy project, but you'll learn a lot. **The Red and the Black** Stendhal, 2016-10-22 The Red and the Black: A Chronicle of 1830 BY Stendhal. *Le Rouge et le Noir*. French for The Red and the Black is a historical psychological novel in two volumes by Stendhal published in 1830. It chronicles the attempts of a provincial young man to rise socially beyond his modest upbringing through a combination of talent, hard work, deception, and hypocrisy. He ultimately allows his passions to betray him. *Le Rouge et le Noir* is the Bildungsroman of Julien Sorel, the intelligent and ambitious protagonist. He comes from a poor family and fails to understand much about the ways of the world he sets out to conquer. He harbours many romantic illusions but becomes mostly a pawn in the political machinations of the ruthless and influential people about him. The adventures of the hero satirize early 19th century French society, especially the hypocrisy and materialism of the aristocracy and members of the Roman Catholic Church, foretelling the coming radical changes that will depose them from their leading role in French society. The first volume's epigraph is attributed to Danton: *La vérité est dure, mais elle est vraie*. The truth is harsh, but like most of the chapter epigraphs, it is actually fictional. The first chapter of each volume repeats the title *Le Rouge et le Noir* and the *Chronique de 1830* subtitle. The novel's title refers to the contrasting uniforms of the Army and the Church. Early in the story, Julien Sorel realistically observes that under the Bourbon restoration it is impossible for a man of his plebeian social class to distinguish himself in the army as he might have done under Napoleon; hence only a Church career offers social
