Red Plateau Memoir Of A North Vietnamese Soldier:

Red Plateau John Edmund Delezen,2005 *US Marine vs NVA Soldier* David R. Higgins,2015-08-20 In 1967 68 the United States Marine Corps USMC was on the front line of the defence of South Vietnam s Quang Tri province which was at the very heart of the Vietnam conflict Facing them were the soldiers of the North Vietnamese Army NVA men whose organization and equipment made them a very different opponent from the famous irregular Viet Cong forces From the Hill Battles in April 1967 to the struggle for the city of Hue January March 1968 this bloody campaign forced the two sides into a gruelling trial of strength The USMC held a general technological and logistical advantage including close air support and airborne transport technology and supplies but could not always utilize these resources effectively in mountainous jungle or urban environments better known by their Vietnamese opponents In this arresting account of small unit combat David R Higgins steps into the tropical terrain of Vietnam to assess the performance and experience of USMC and NVA forces in three savage battles that stretched both sides to the limit *The Oxford Handbook of Late Colonial Insurgencies and Counter-Insurgencies* Martin Thomas,Gareth Curless,2023-10-10 The lethality of conflicts between insurgent groups and counter insurgent security forces has risen markedly since the Second World War just as those of conventional or inter state wars have declined For several decades conflicts within states rather than between them have been the prevalent form of organised political violence worldwide Recent conflicts in Afghanistan Iraq and Syria have fired interest in colonial experiences of rebellion while current western interventions in sub Saharan Africa have prompted accusations of militarist humanitarianism Yet despite mounting interest in counter insurgency and empire comparative investigation of colonial responses to insurrection and civil disorder is sparse Some scholars have written of a golden age of counter insurgency which began with Britain s declaration of a Malayan Emergency in 1948 and ended with the withdrawal of US ground troops from Vietnam in 1973 It is with this period if not with any presumed golden age that this volume is concerned This Handbook connects ideas about contested decolonization and the insurgencies that inspired it with an analysis of patterns and singularities in the conflicts that precipitated the collapse of overseas empires It attempts a systematic study of the global effects of organized anti colonial violence in Asia and Africa The objective is to reconceptualize late colonial violence in the European overseas empires by exploring its distinctive character and the globalizing processes underpinning it **Last Stand at Khe Sanh** Gregg Jones,2014-04-22 In a remote mountain stronghold in 1968 six thousand US Marines awoke one January morning to find themselves surrounded by 20 000 enemy troops Their only road to the coast was cut and bad weather and enemy fire threatened their fragile air lifeline The siege of Khe Sanh the Vietnam War s epic confrontation was under way For seventy seven days the Marines and a contingent of US Army Special Forces endured artillery barrages sniper fire ground assaults and ambushes Air Force Marine and Navy pilots braved perilous flying conditions to deliver supplies evacuate casualties and stem the North Vietnamese Army s onslaught As President Lyndon B Johnson weighed the use of

Nationalist in the Viet Nam Wars Nguyễn Công Luân, 2012-02-07 A dark and fascinating tale illuminated by Nguyen s

story of escape from Communist tyranny to the United States in 1990 and by his honesty and integrity which shine through on every page Historynet.com This extraordinary memoir tells the story of one man's experience of the wars of Viet Nam from the time he was old enough to be aware of war in the 1940s until his departure for America 15 years after the collapse of South Viet Nam in 1975 Nguyen Cong Luan was born and raised in small villages near Ha Noi He grew up knowing war at the hands of the Japanese the French and the Viet Minh Living with wars of conquest colonialism and revolution led him finally to move south and take up the cause of the Republic of Viet Nam exchanging a life of victimhood for one of a soldier His stories of village life in the north are every bit as compelling as his stories of combat and the tragedies of war This honest and impassioned account is filled with the everyday heroism of the common people of his generation Long overdue this memoir will be a worthy addition to any academic library interested in the tragedy of Vietnam Essential Choice An essential read for those who seek to understand the complex tragedy of the wars of Vietnam

Saigon to San Diego Trinh Do,2004-05-07 When I was 12 I didn t think I would get past ninth grade When I was 14 I didn t think I would live to my twentieth birthday For me to be here today is a dream beyond my comprehension Set against the backdrop of the Vietnam War s aftermath this memoir tells the story of Trinh Do a boy fighting for survival in newly unified communist Vietnam Trinh Do was born in Saigon in 1964 His father a soldier in the South Vietnam Army was taken to a re education camp after the communist victory in 1975 His family was thrown out of their home and Do took care of his mother and younger brothers He struggled to stay in school because of his father Do faced constant prejudice from the communist administration He was expelled for refusing to betray his classmates in 1978 soon after his mother arranged for him to escape Vietnam in a fishing boat After a perilous journey he landed in Malaysia where he spent six months in a refugee camp and then made his way to the United States His parents attempted a similar escape four years later and were lost to the South China Sea This memoir tells the story of Do s generation coming of age in a brutal period of Vietnam s history and is illustrated with family photographs Framed within a complex historical setting it reveals the cruelty inflicted upon the populace by the Vietnamese communists for the purpose of internal security An intimate portrait of daily life under communist rule and an examination of the political and military situation Do s memoir describes the propaganda and repression through the words of a Vietnamese schoolboy **Walking Point** Mike Cunningham,2017-06-29 Que Son Valley is actually a large area of hills and valleys just to the west of Da Nang Viet Nam During the 1960s units from the United States Marines and United States Army engaged the 2nd North Vietnamese Division in heavy and close combat Our mission was to keep the enemy from capturing the cities of Da Nang Tam Ky and Chu Lai and to pacify the area We did prevent the

enemy from capturing these vital cities but the area was far from pacified Many young brave Americans were killed or seriously wounded in these hills and valleys in the belief they were helping the Vietnamese obtain freedom and peace Although our altruistic beliefs might have gone astray it was my honor serving with these fine men and women I wrote this book in honor of them and to keep their memory alive I hope that when you read this book you will understand the Vietnam Veteran better and you will understand not the political Vietnam War but the Vietnam War that an Infantryman lived through
