*Remedies for a New West* Patricia Nelson Limerick,Andrew Cowell,Sharon K. Collinge,2022-05-17 This wide ranging collection of essays is intended to provoke both thought and action The pieces collected here explore a variety of issues facing the American West disappearing Native American languages deteriorating air quality suburban sprawl species loss grassland degradation and many others and suggest steps toward healing More than dealing with or solving according to the editors healing addresses not just symptoms but their underlying causes offering not just a temporary cure but a permanent one The signs of illness and trauma can seem omnipresent in today's West land and soil disrupted from mining overgrazing logging and farming wildlife habitat reduced and fragmented native societies disturbed and threatened open space diminished by cities and suburbs wilderness destroyed by roads and recreation seekers But as these essays suggest the treatment program for healing the West has many healthful side effects Engaging in the kinds of projects suggested by contributors is therapeutic not only for the environment but for participants as well Restoration repair and recovery can counter symptoms of despair with concentrated doses of promise and possibility The more lesions the West has this book suggests the more opportunities there are for westerners to revive and ultimately cure the ailing patient they have helped to create The very idea of restoring the West to health contributors and editors contend unleashes our imaginations sharpens our minds and gives meaning to the ways we choose to live our lives At the same time acknowledging the profound difficulties of the work that lies ahead immunizes us against our own arrogance as we set about the task of healing the West

**Virtual Rivers** Ellen E. Wohl,2001-01-01 This book fills an important gap with a clear and comprehensive explanation of how rivers are changed by human activity The book also includes a generous selection of striking historical and contemporary photographs maps and diagrams that provide a fresh perspective on the extent to which the rivers of the Colorado Front Range have undergone change during the last two centuries **BOOK JACKET** **Riches and Regrets** Patricia A. Stokowski,1996 In the history of Central City and Black Hawk Colorado there have been three great moments exceeding all capacity for imagination and prediction the discovery of gold in 1859 the renewal of Central City's opera in 1932 and the opening of casino gaming in 1991 Gambling was adopted to stimulate the local economy and bring new riches to the Gilpin County towns replicating the accomplishments of previous mining and opera times Yet it was not long after gambling was approved that residents began expressing regrets over what they had lost in the transformation of their community In *Riches and Regrets* Patricia Stokowski traces the development of contemporary Gilpin County gambling from the proposal and campaign stage in 1989 and 1990 through the construction period leading to the opening of casinos in October 1991 and across several years of post opening impacts Combining critical historical perspectives with sociological analyses Stokowski documents the economic social cultural and institutional effects of the gaming development concluding that gambling has

produced mixed results for the Gilpin County towns With gambling becoming increasingly popular as an economic development strategy in both rural and urban communities across America Riches and Regrets can provide lessons for other communities seeking their own golden dreams at the card tables and slot machines      **Boulder** Silvia Pettem,1994 Over 300 photographs demonstrate how Boulder Colorado has developed changed and been preserved over the past century A chapter on the work of early area photographers is followed by a tour through an evolving cityscape of log cabins and western false fronted buildings that becomes a flourishing      **The Mining West** Richard E.
