Notes of a Desolate Man T'ien-wen Chu, 1999-05-06 Winner of the coveted China Times Novel Prize this postmodern first person tale of a contemporary Taiwanese gay man reflecting on his life loves and intellectual influences is among the most important recent novels in Taiwan The narrator Xiao Shao recollects a series of friends and lovers as he watches his childhood friend Ah Yao succumb to complications from AIDS The brute fact of Ah Yao's death focuses Shao's simultaneously erudite and erotic reflections magnetically on the core theme of mortality By turns humorous and despondent the narrator struggles to come to terms with Ah Yao's risky lifestyle radical political activism and eventual death the fragility of romantic love the awesome power of eros the solace of writing the cold ennui of a younger generation enthralled only by video games and life on the edge of mainstream Taiwanese society His feverish journey through forests of metaphor and allusion from Fellini and L. vi Strauss to classical Chinese poetry serves as a litany protecting him from the ravages of time and finitude Impressive in scope and detail Notes of a Desolate Man employs the motif of its characters marginalized sexuality to highlight Taiwan's vivid and fragile existence on the periphery of mainland China Howard Goldblatt and Sylvia Li chun Lin s

Jesuit Mission and Submission: Qing Rulership and the Fate of Christianity in China, 1644-1735 Litian Swen,2021-03-08 Jesuit Mission and Submission explains how the Jesuits entered the Manchu world after the Manchus conquered Beijing in 1644 Supported by Qing court archives the book discovers the Jesuits Manchu style master slave relationship with the Kangxi emperor Against the backdrop of this relationship the book reconstructs the back and forth negotiations between Kangxi and the Holy See regarding Chinese Rites Controversy 1705 1721 and shows that the Jesuits although a group of foreign priests had close access to Kangxi and were a trusted part of the Imperial circle This book also redefines the rise and fall of the Christian mission in the early Qing court through key events such as the Calendar Case and Yongzheng s prohibition of Christianity **The Gunpowder Age** Tonio Andrade,2017-08-29 A first look at gunpowder s revolutionary impact on China s

role in global history The Chinese invented gunpowder and began exploring its military uses as early as the 900s four centuries before the technology passed to the West But by the early 1800s China had fallen so far behind the West in gunpowder warfare that it was easily defeated by Britain in the Opium War of 1839 42 What happened In The Gunpowder Age Tonio Andrade offers a compelling new answer opening a fresh perspective on a key question of world history why did

the countries of western Europe surge to global importance starting in the 1500s while China slipped behind. Historians have long argued that gunpowder weapons helped Europeans establish global hegemony. Yet the inhabitants of what is today China not only invented guns and bombs but also as Andrade shows continued to innovate in gunpowder technology through the early 1700s much longer than previously thought. Why then did China become so vulnerable? Andrade argues that one significant reason is that it was out of practice fighting wars having enjoyed nearly a century of relative peace since 1760. Indeed he demonstrates that China like Europe was a powerful military innovator particularly during times of great warfare such as the violent century starting after the Opium War when the Chinese once again quickly modernized their forces. Today China is simply returning to its old position as one of the world's great military powers. By showing that China's military dynamism was deeper, longer lasting and more quickly recovered than previously understood, *The Gunpowder Age* challenges long standing explanations of the so called Great Divergence between the West and Asia. *American Polled Durham Herd Book*, American Polled Shorthorn Breeders' Association, Polled Durham breeders' association, 1908. [The American Shorthorn Herd Book](#), 1902. *Nirvana in Ming Dynasty* Da HaiLang, 2020-05-22. Other people would be happy to be a prince but he would also suffer to be a prince. Fortunately he had unintentionally become the leader of the Sun Moon Sect and in order to survive in this chaotic world he had to fight against the heavens and the earth and he had to fight with his life on the line in order to survive in this chaotic world. At the same time this book will research the kung fu of Jin Yong Wuxia martial arts the history of the matter to the peak. As the first protagonist should the Great Qing ask the master of the Central Plains according to the original history or raise a flag to save the emperor allowing the Sun Moon Sect to experience the phoenix's rebirth and the Great Ming Dynasty to be reborn from the fire. The novel merges history with reality combining history with martial arts painting a magnificent picture of history. Close. [Guns and Ledgers](#) Bozhong Li, 2023-12-27. This book seeks to reconcile the dual forces of war and economic globalization in tracing China's early modernity. For late imperial China there were two forms of encounter with the West: the guns of invading Europeans and the ledgers by which trade between China and the West was measured and regulated. Even today China's reactions to the West oscillate between business driven openness and military paranoia. In this intellectual tour de force Bozhong Li, one of China's preeminent intellectual and economic historians traces the unprecedented transition that led China into the modern world; the book will be of value for economists, historians and sinophiles alike. *The Red Dragon* Salvador Mercer, 2018-01-20.
