Red Carpet Bangalore Stories:

The Red Carpet Lavanya Sankaran, 2007-12-18 Wry humor and a delicious grasp of the friction between generations in Bangalore are the hallmarks of Lavanya Sankaran's fresh deeply nuanced debut collection A potpourri of beggars and billionaires and determinedly laid back ways Bangalore India's own Silicon Valley is a crucible for prosperity and at the chaotic crossroads between past and present Here American trained professionals like Tara return to their old fashioned families with heads full of Quentin Tarantino dialogue a successful entrepreneur is shaken when his partner suddenly reneges on their plan to return to America a traditional Indian mother slyly circumvents her Western educated daughter's resistance to marriage a neighborhood gossip is determined to discover what goes on behind the closed curtains of the hip young couple across the street a chauffeur must reconcile his more orthodox credos with his employer's miniskirt lifestyle Witty affectionate and wonderfully wise Lavanya Sankaran's first collection attests to her remarkable literary talent **The**

Red Carpet Lavanya Sankaran, 2005 Friction between the generations always the stuff of great fiction is nowhere stronger than in Bangalore India's Silicone Valley where software billionaires beggars and the legacy of the Raj combine and collide THE RED CARPET is an astonishingly enjoyable collection of stories as rich and absorbing as any novel From traditional mothers trying to marry off their Westernised children and old fashioned chauffeurs struggling with racy employers Lavanya Sankaran's tales of the clash between East and West are a pleasure and a revelation **The Postcolonial Indian Novel in**

English Geetha Ganapathy-Doré, 2011-01-18 Indian writers of English such as G V Desani Salman Rushdie Amit Chaudhuri Amitav Ghosh Vikram Seth Allan Sealy Shashi Tharoor Arundhati Roy Vikram Chandra and Jhumpa Lahiri have taken the potentialities of the novel form to new heights Against the background of the genre's macro history this study attempts to explain the stunning vitality colourful diversity and the outstanding but sometimes controversial success of postcolonial Indian novels in the light of ongoing debates in postcolonial studies It analyses the warp and woof of the novelistic text through a cross sectional scrutiny of the issues of democracy the poetics of space the times of empire nation and globalization self writing in the auto meta docu fictional modes the musical pictorial cinematic and culinary intertextualities that run through this hyperpalimpsestic practice and the politics of gender caste and language that gives it an inimitable stamp This concise and readable survey gives us intimations of a truly world literature as imagined by Francophone writers because the postcolonial Indian novel is a concrete illustration of how language liberated from its exclusive pact with the nation can enter into a dialogue with a vast polyphonic ensemble **Reading Together, Reading Apart** Tamara

Bhalla, 2016-10-17 Often thought of as a solitary activity the practice of reading can in fact encode the complex politics of community formation Engagement with literary culture represents a particularly integral facet of identity formation and expresses of a sense of belonging within the South Asian diaspora in the United States Tamara Bhalla blends a case study with literary and textual analysis to illuminate this phenomenon Her fascinating investigation considers institutions from

literary reviews to the marketplace to social media and other technologies as well as traditional forms of literary discussion like book clubs and academic criticism Throughout Bhalla questions how her subjects circumstances desires and shared race and class limit the values they ascribe to reading She also examines how ideology circulating around a body of literature or a self selected imagined community of readers shapes reading itself and influences South Asians powerful if contradictory relationship with ideals of cultural authenticity

Untouchable Fictions: Literary Realism and the Crisis of Caste Toral Jatin Gajarawala, 2013 Untouchable Fictions considers the crisis of literary realism progressive rural regionalist experimental in order to derive a literary genealogy for the recent explosion of Dalit untouchable caste fiction Drawing on a wide array of writings from Premchand and Renu in Hindi to Mulk Raj Anand and V S Naipaul in English Gajarawala illuminates the dark side of realist complicity a hidden aesthetics and politics of caste How does caste color the novel What are its formal tendencies What generic constraints does it produce

Global Leadership Practices Bettina Gehrke, Marie-Therese Claes, 2017-09-16 An advanced level edited text that covers key theories of cross cultural management and helps develop practical solutions to deal with difference in organizations Focuses on the impact of globalisation on individuals work life and identity and explores how to manage and lead teams in a globalised context Includes coverage of emerging markets

The Hope Factory Lavanya Sankaran, 2013-04-23 With humor intelligence and masterly prose Lavanya Sankaran s debut novel brilliantly captures the vitality and danger of a newly industrialized city and how it shapes the dreams and aspirations of two very different families Anand is a Bangalore success story successful well married rich At

least that's how he appears. But if his little factory is to grow, he needs land and money, and in New India neither of these is easy to find. Kamala Anand's family's maid lives perilously close to the edge of disaster. She and her clever teenage son have almost nothing, and their small hopes for self-betterment depend on the contentment of Anand's wife, a woman to whom whims come easily. But Kamala's son keeps bad company, and Anand's marriage is in trouble. The murky world where crime and land and politics meet is a dangerous place for a good man, particularly one on whom the well-being of so many depends. Rich with irony and compassion, Lavanya Sankaran's *The Hope Factory* affirms her gifts as a born storyteller with remarkable prowess, originality, and wisdom. Praise for Lavanya Sankaran's *The Red Carpet*. By the end of the very first story, people half a world away have been transformed into complete human beings, full of frailties and fragile self-regard, achingly sympathetic. That's why *The Red Carpet* reads like a revelation. I recommend this book so highly. Carolyn See, *The Washington Post*. Throughout these fine, articulate stories, Lavanya Sankaran brings to life the new and old social worlds of Bangalore. More important, she uses the quiet dignity of her characters to reveal what's universal in the wide rift between generations. It's an unusually elegant and nuanced portrait. John Dalton, author of *The Inverted Forest*. It's a pity there aren't more stories to be told in *Carpet*. They're so much fun. *The Dallas Morning News*. An animated debut. These stories are memorable for their subtle wit and convincing evocation of a dynamic world. *Publishers Weekly*, 2005. **Limca Book of Records**, 2006. **Library Journal**, 2005. *A Stranger Among Us*, Stacy Bierlein, 2007. A collection of stories by a variety of authors portrays the diverse challenges, cultural clashes, and joys people have experienced as newcomers to a foreign land. **India Today International**, 2008. *India Today*, 2006. **Jeff Herman's Guide to Book Publishers, Editors and Literary Agents 2006**. Jeff Herman, 2005-10. Now updated for 2008, this annual edition of the classic bestselling directory provides everything working writers need to find the most receptive publishers, editors, and agents for their work. **The Publishers Weekly**, 2005. *The Washington Post Index*, 1989. *The New Yorker*, 2005. *Beantown Boomtown*, Jayanth Kodkani, R. Edwin Sudhir, 2007. From Hartford to Ho Chi Minh City, from Cairo to Copenhagen, Bangalore is known as a brand. But the idea of Bangalore extends beyond its wealth of software programming and BPO services. The city may now be a whiz kid of the world, but behind it looms the shadow of a brooding senior citizen who grew up amidst tree-lined avenues, conversations over by two coffees, and a passion for art as much as science and technology. **Bowker's Guide to Characters in Fiction 2007**, 2008-02.

Unveiling the Magic of Words: A Review of "**Red Carpet Bangalore Stories**"

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their capability to kindle emotions, provoke contemplation, and ignite transformative change is truly awe-inspiring.
