## **Red Dawn:**

**Red Dawn** James Philip, 2017-08-04 It is January 1964 in an alternative timeline in which the swinging sixties never happened The fires of Washington DC have been extinguished and there is a new but fragile rapprochement between the old trans Atlantic allies But both old allies are afflicted with internal schisms that threaten the prospects of return to politics and business as usual Moreover a month after the Battle of Washington there is no conclusive proof that Red Dawn actually exists let alone that it was involved in the events which almost provoked a war between the old Trans Atlantic allies However something is going on in the Anatolian heartland of a devastated Turkey around the Black Sea in the Aegean and in the shattered former Soviet client states bordering the Balkans Photographs taken by U 2 spy planes provide tantalising clues radio intercepts hint at secret armies and refugees fleeing from Turkey and the Greek Islands recount horrific tales of invaders burning towns and villages and of big grey warships anchored beneath the walls of ancient Constantinople How much is the peace treaty between American and Britain worth Is the World really any safer than it has been at any time since the cataclysm of the October War Is it already too late to prepare for the next war The war nobody except a solitary rogue Soviet defector predicts is inevitable Now is the time for charismatic leaders to step forward \_\_\_\_\_ Please note this edition of Red Dawn is re proofed and re formatted for re release on 4th August 2017 **The Cinema of John Milius** Alfio
