in her study *Bodies That Matter* 1993 we locate this collection of essays at the crossroads of discourse and power while we expect the work collected here to highlight the ability of discourses to materialize in or as truth and as such to support or decry particular constituencies Discourses therefore matter to us as products and vehicles of power relations that can be subject to the analytical and interpretative tools of English and American Studies Our idea was to challenge especially young scholars to position their research concerning the ability of their fields to be discourses that matter in the case in point to be critical practices that make an active intervention in current debates By focusing on matters such as language as witness to the world representations of gender race and ethnicity performative discourses exceptionalism and power and interculturality these essays pursue the chance to deepen enlarge and question both literary and cultural phenomena their established critical readings and the strategies deployed in representations Finally English and American Studies in the present collection demonstrate their affiliation to the Humanities by exploring the numerous possibilities offered by their discourses their ability to foster critical thought allowing us to think for and outside ourselves their capacity to test argue and question and their profound imaginative potential LGBTQ America Today [3 volumes] John Charles Hawley, 2008-11-30 Hundreds of alphabetically arranged biographical and topical entries survey the current state of lesbian gay bisexual transgender and queer American culture **International Books in Print**, 1979 **Popular Mechanics**, 2000-01 Popular Mechanics inspires instructs and influences readers to help them master the modern world Whether it's practical DIY home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science PM is the ultimate guide to our high tech lifestyle **Arts & Humanities Citation Index**, 1980 Red Dirt Jesus Ray McManus, 2010 McManus is a son of the red clay country and he gives us that country vividly with all its hard work pain loss and sharp edged humor These are truth telling poems that remind us to pay attention Ellen Bass author of *Mules of Love* and *The Human Line* Red Dirt, 1991 **Grace in the Dirt** Cory Kruse, 2021-12-07 From Cory Kruse author of the critically acclaimed *A Dream of Darkness* comes an incisive collection that will delight inspire devastate and uplift you Told in spare accessible entries *Grace in the Dirt* is a lyrical memoir that delves into life's ever changing seasons leveraging the author's own history to explore the complex and often contradictory nature of the modern human experience Specifically Kruse covers an expansive breadth of deeply personal topics things such as love and heartbreak grief and despair He recounts moments of hope and crises of faith he confesses family drama personal weaknesses and his own culpability in the deterioration of dreams Throughout he also shares euphoric stories of triumph and overcoming of crushes and first loves all while looking toward the future with bright belief filled eyes And among it all he offers existential reflections on the fragility and inanity of this strange wonderful thing we call life Across these pages then readers will encounter recollections of grace and levity failure and sorrow They'll discover truths hard won as well as witness the enduring legacy of hope all of which will remind them that no matter what season they're in they're not alone Relatable
