acceptance he so desperately desired he began to escape into fantasy and virtual worlds wells of happiness in a childhood assailed on all sides In a series of exacting and fierce vignettes Thomas guides readers through the unceasing cruelty that defined his circumstances laying bare the depths of his loneliness and illuminating the vital reprieve geek culture offered him With remarkable tenderness and devastating clarity he explores how lessons of toxic masculinity were drilled into his body and the way the cycle of violence permeated the very fabric of his environment Even in the depths of isolation there were unexpected moments of joy carved out from summers where he was freed from the injurious structures of his surroundings to the first glimpses of kinship he caught on his journey to becoming a Pok mon master SINK follows Thomas s coming of age towards an understanding of what it means to lose the desire to fit in with his immediate peers turbulent family or the world and how good it feels to build community love and salvation on your own terms **Billboard** ,1995-11-04 In its 114th year
