

Real Meat

Real meat

Is dead

It's dead

What you are putting

Into your mouth

Once had a face

Once had a life

Now it's just empty calories that never
had a chance at a life, at truly existing

It's in your head now

Nothing left to be said

Cause real meat is dead

So, go eat a veggie burger instead.

The Complete Poetry and Essential Prose of John Milton John Milton,2009-10-28 John Milton is next to William Shakespeare the most influential English poet a writer whose work spans an incredible breadth of forms and subject matter The Complete Poetry and Essential Prose of John Milton celebrates this author s genius in a thoughtfully assembled book that provides new modern spelling versions of Milton s texts expert commentary and a wealth of other features that will please even the most dedicated students of Milton s canon Edited by a trio of esteemed scholars this volume is the definitive Milton for our time In these pages you will find all of Milton s verse from masterpieces such as Paradise Lost widely viewed as the finest epic poem in the English language to shorter works such as the Nativity Ode Lycidas A Masque and Samson Agonistes Milton s non English language sonnets verses and elegies are accompanied by fresh translations by Gordon Braden Among the newly edited and authoritatively annotated prose selections are letters pamphlets political tracts essays such as Of Education and Areopagitica and a generous portion of his heretical Christian Doctrine These works reveal Milton s passionate advocacy of controversial positions during the English Civil War and the Commonwealth and Restoration periods With his deep learning and the sensual immediacy of his language Milton creates for us a unique bridge to the cultures of classical antiquity and medieval and Renaissance Christianity With this in mind the editors give careful attention to preserving the vibrant energy of Milton s verse and prose while making the relatively unfamiliar aspects of his writing accessible to modern readers Notes identify the old meanings and roots of English words illuminate historical contexts including classical and biblical allusions and offer concise accounts of the author s philosophical and political assumptions This edition is a consummate work of modern literary scholarship **Catalog of Copyright Entries.
