Retreat from Empire? Robert E. Osgood, Robert W. Tucker, Francis E. Rourke, *In Search of Poetry in the Politics of Power* George Liska, 1998-01-01 The culminating work of a lifetime of scholarship *In Search of Poetry in the Politics of Power* is an intellectual autobiography of George Liska a distinguished scholar of foreign policy Integrating personal memoir with a discussion of world politics and international relations this book includes selections from Liska s most important writings from the past 50 years Topics discussed include realism and world politics historicism historicist realism and statesmanship and the prospects for scholarship in the next half century This is a valuable book for scholars of international relations world politics and political history The Cold War John Lamberton Harper, 2011-05-26 A concise briskly written account of the Cold War drawing on the latest archival evidence and scholarly research It includes a discussion of Cold War historiography and in the introductory section frames the main account by examining some of the subject s primary documents *Epic Encounters* Melani McAlister, 2005-07-05 Examines how popular culture has shaped the ways Americans define their interests in the Middle East Author McAlister argues that U S foreign policy while grounded in material and military realities is also developed in a cultural context American understandings of the region are framed by narratives that draw on religious belief news media accounts and popular culture This book skillfully weaves readings of film media and music with a rigorous analysis of U S foreign policy race politics and religious history From publisher description *U.S. Foreign Policy in Southern Africa* Richard John Mahlum, 1980 This thesis is designed to demonstrate analytically three propositions First that the U S has maintained a foreign policy toward southern Africa which has been unevenly implemented and even neglected by various administrations due to perceptual differences about Africa and due to other manifest priorities on the agenda of U S foreign policy concerns Second that a major determinant of U S policy in southern Africa has been the concern over potential superpower rivalry and intervention in the region as a dangerous and unwarranted element in the U S Soviet competitive relationship Third that an overreaction in the U S to the perceived Soviet threat and a dramatic reinstitution of the East West perspective in U S foreign policy priorities could lead the U S to set aside the regional approach toward southern Africa that has marked the Carter Administration s African policy since 1977 This development may create a situation of incipient crisis for future U S relations in the region Author **After the Fall** Kevin Phillips, 2009-03-31 A fascinating up to date look at the roots of our financial crisis from the New York Times bestselling author Kevin Phillips Kevin Phillips s *Bad Money* revealed the roots of the financial malignance that led to 2008 s devastating market meltdown explaining how the financial sector hijacked the American economy and put our very global future at risk In this substantial and thought provoking update he refocuses his arguments through the lens of the real losses and reverses that have befallen us since the book s publication Drawing on the latest developments on Wall Street and the response from the Obama White House *After the Fall* provides a
