Return To Lleifior:

Return to Lleifior Islwyn Ffowc Elis, 1999 In 1950s Wales life is changing rapidly even in the idyllic valley at Lleifior The co operative venture at Lleifior farm set up so optimistically by the idealistic Harri Vauhan is put under pressure as are family life and the social fabric of Wales itself

Cofnodion Meic Stephens, 2014-08-14 Yn e Cofnodion mae Meic Stephens yn edrych yn ol ar ei fywyd fel llenor golygydd swyddog Cyngor y Celfyddydau athro prifysgol a dyn teulu Mae cyfraniad nodedig Meic i ddwy lenyddiaeth Cymru wedi i gydnabod yn eang ac yntau wedi ysgrifennu cyfieithu neu olygu tua 170 o gyfrolau Gweithiodd yn ddiflino dros ddegawdau lawer ac er ei fod bellach wedi cyrraedd oed yr addewid mae ei ddiwydrwydd yn parhau Trodd yn ddiweddar at farddoni yn Wenhwyseg a daeth o fewn trwch blewyn i gipio Coron yr Eisteddfod

Gendering Border Studies Jane Aaron, Henrice Altink, Chris Weedon, 2010-06-30 The study of borders has recently undergone significant transitions reflecting the transformation of the world political map as well as the changes in the ways boundaries themselves function In Gendering Border Studies sixteen established scholars from a variety of disciplines examine how the issue of gender and borders has been approached in their field and describe what they expect from future research This book will be of interest to scholars of border studies gender studies social anthropology international politics comparative literature and Welsh studies

Wales since 1939 Martin Johnes, 2013-01-18 The period since 1939 saw more rapid and significant change than any other time in Welsh history Wales developed a more assertive identity of its own and some of the apparatus of a nation state Yet its economy floundered between boom and bust its traditional communities were transformed and the Welsh language and other aspects of its distinctiveness were undermined by a globalizing world Wales was also deeply divided by class language ethnicity gender religion and region Its people grew wealthier healthier and more educated but they were not always happier This ground breaking book examines the story of Wales since 1939 giving voice to ordinary people and the variety of experiences within the nation This is a history of not just a nation but of its residents hopes and fears their struggles and pleasures and their views of where they lived and the wider world

Constructions in Contact 2 Hans C. Boas, Steffen Höder, 2021-06-15 The last few years have seen a steadily increasing interest in constructional approaches to language contact This volume builds on previous constructionist work in particular Diasystematic Construction Grammar DCxG and the volume *Constructions in Contact* 2018 and extends its methodology and insights in three major ways First it presents new constructional research on a wide range of language contact scenarios including Afrikaans American Sign Language English French Malayalam Norwegian Spanish Welsh as well as contact scenarios that involve typologically different languages Second it also addresses other types of scenarios that do not fall into the classic language contact

category such as multilingual practices and language acquisition as emerging multilingualism Third it aims to integrate constructionist views on language contact and multilingualism with other approaches that focus on structural social and cognitive aspects The volume demonstrates that Construction Grammar is a framework particularly well suited for analyzing a wide variety of language contact phenomena from a usage based perspective Celtic Literatures in the Twentieth Century Сборник статей, 2015-09-09 The Centre for Irish and Celtic Studies at the University of Ulster hosted at Coleraine between the 24th and 26th August 2000 a very successful and informative conference on Celtic Literatures in the Twentieth Century The lectures and the discussions were of a high standard and it was the intention of the organisers to edit and publish the proceedings as soon as possible thereafter Unfortunately due to difficulties in assembling some of the papers this was not possible and consequently publication has been delayed much longer than was originally anticipated Despite this delay we feel that those papers which we have received merit publication at this time not only because of their intrinsic merits but also because they represent the views of the authors on their respective topics at the turn of the twenty first century and will hopefully be of value to those interested in the state of the modern Celtic literatures *Islwyn Ffowc Elis* T. Robin Chapman, 2000 A critical study in English of the literary contribution of Islwyn Ffowc Elis father of the modern Welsh novel to the development of the contemporary relevance of the genre **Necrologies** Meic Stephens, 2008 courses at most UK universities Book Jacket
