Return To The Last Chance Zoo:

Return to the Last Chance Zoo W. J. Corbett, 2011-08-04 Head keeper Ken is world famous for never turning a difficult animal away Ken's zoo gives a last chance offering a home to all those animals whose misbehaviour or strange habits have led to their exclusion from other zoos But Ken and his wife adore animals and have collected a team of keepers who share their passion and their unusual approach to animal care However naughty or difficult an animal Ken's zoo will always give them plenty of care and understanding Remaining forever calm Ken is infinitely resourceful with his network of world wide contacts and always thrives on a crisis This time he's got beavers who won't stop building dams unruly ostriches a baby crocodile with teething problems and a baby giraffe afraid of heights And when the Council decide to close the zoo there's a dragon at the gates

Bring Back the King Helen Pilcher, 2016-09-22 If you could bring back just one animal from the past what would you choose It can be anyone or anything from history from the King of the Dinosaurs T rex to the King of Rock n Roll Elvis Presley and beyond De extinction the ability to bring extinct species back to life is fast becoming reality Around the globe scientists are trying to de extinct all manner of animals including the woolly mammoth the passenger pigeon and a bizarre species of flatulent frog But de extinction is more than just bringing back the dead It's a science that can be used to save species shape evolution and sculpt the future of life on our planet In **Bring Back the King** scientist and comedy writer Helen Pilcher goes on a quest to identify the perfect de extinction candidate Along the way she asks if Elvis could be recreated from the DNA inside a pickled wart investigates whether it's possible to raise a pet dodo and considers the odds of a 21st century Neanderthal turning heads on public transport Pondering the practicalities and the point of de extinction **Bring Back the King** is a witty and wry exploration of what is bound to become one of the hottest topics in conservation if not in science as a whole in the years to come **READ THIS BOOK** the King commands it

More Traveler's Diarrhea Andrew Bombeck, 2018-09-05 **More Traveler's Diarrhea** is a sequel to my first book **Traveler's Diarrhea** The book presents more true travel screwups while traveling around the United States trekking Northern India going to the Cook Islands and traveling overland in Southeast Africa New Zealand South Africa and Vietnam

Hamish Climbing Fathers Mountain W. J. Corbett, 2011-09-01 Hamish is a mountain goat and so are all his friends But Hamish is frightened of climbing mountains and makes excuses to stay behind every day when his friends go into the hills Until one day he hears a cry for help and only he can save the day

Nugly M. C. Ross, 2023-09-05 Wonder meets The Incredible Journey in this heartwarming story about a puppy who learns to love himself for what's on the inside The one thing Nugget a cute puppy has ever known to do is love and his cuteness has always been enough for others to love him back But when Nugget is put up for adoption he thinks it's because no one loves him anymore that he isn't cute anymore So he does the only thing he can think of he runs away Now Nugget is alone on the streets of Boston where he quickly learns that not everyone is kind After an unfortunate run in with another animal leaves him disfigured he can't rely on his cuteness to get by like he used to As Nugget learns to navigate his

new life searching for a family to give all his love will he learn to love himself too *“Should I Go Walkabout” Again (A Motorhome Adventure)* John Timms, 2018-09-01 As with the two previous diaries this is not only about people we met on the road and the problems encountered when using an ageing American Motorhome RV She gives her thoughts in asides not necessarily on travel but personal feelings whilst away from home As seen Lisa overcame her doubts over life on the road and maybe the positives overcame the negatives in the end so many memories We have inserted fifty colorful photos which were hard to pick from the huge collection together with a map and a listing of the road route taken This diary covers the last part of The Big Lap anticlockwise around Australia that had started from Queensland s Gold Coast Diary 2 up to Central Queensland across to Northern Territory Western Australia and down to the southern coast at Bremer Bay This final Diary 3 covers the final part of the Lap from the Nullarbor Plain along the coast of South Australia to Victoria inland New South Wales and back up to the Gold Coast That concluded the big trip around Australia but we decided that we would pay one more trip up to Bowen North Queensland and back down through inland Queensland New South Wales and Victoria before spending time exploring Tasmania Visit www.gowalkaboutaustralia.com for more information *Unfounded* Danielle Hevener, 2023-05-01 *Unfounded* is a biography surrounding the life and death of 1 year old Jeffrey Ash Hevener and all of the events that followed It is a true account written by Danielle Hevener Jeffrey s mother The accounts told by Danielle are harrowing and absolutely tragic for anyone to have to go through yet it is somehow inspiring *Unfounded* is full of raw emotion tragedy injustice controversy but more importantly about hope and faith The names in the book have either been changed abbreviated or redacted entirely to protect the privacy of all those involved As such Danielle chose to use her children s nicknames throughout the book to protect their identities as well **Sailing with Noah** Jeffrey P. Bonner, 2013-06-03 Written by the president of the nation s number one zoo *Sailing with Noah* is an intensely personal behind the scenes look at modern zoos Jeffrey P Bonner who was trained as an anthropologist and came to the zoo world quite by accident shares some of the most compelling stories ever told about contemporary zoos The stories jump between zoos in different cities and between countries on different continents Some are fun and funny Others are sad even tragic Pete Hoskins the director of the Philadelphia Zoo is in bed sound asleep when his phone rings There s been a fire in the World of Primates he is told You ve got to get over here Whatever he has been dreaming it is nothing like the nightmare he will find now that he is awake They re all gone They re all gone All of the animals in the building the gorillas the lemurs the orangutans and the gibbons all twenty three of them are dead Written in a lively accessible style *Sailing with Noah* explores the role of zoos in today s society and their future as institutions of education conservation and research Along the way Bonner relates a variety of true stories about animals and those who care for them or abuse them offering his perspective on heavily publicized incidents and describing less well known events with compassion and humor in turn By bringing the stories of the animals lives before us Bonner gives them a voice He strongly believes that zoos must act for living things and

he argues that conservation is a shared responsibility of all mankind This book helps us to understand why biodiversity is important and what it means to be a steward of life on earth From the day to day aspects of caring for some of the world s most exotic creatures to the role of zoos as field conservation organizations saving wild things in wild places this book takes the reader on an incredible journey a journey that begins within the zoo and continues around the globe Everyone from zoo visitors to animal lovers to professional conservationists the young and old alike will be fascinated by this extraordinary book
