Reconstructing Economic

Governance After Conflict in Resource-rich African Countries Karl Wohlmuth, Tino Urban, 2007 This book is a collection of Policy Briefs on the issue of reconstructing economic governance in resource rich African countries This is the first book that covers this particular issue Many researches have been undertaken on the causes of conflict and violence in resource rich African countries but the particular point in this book is how to manage the economic affairs in these countries for the benefit of the people and on a long term and sustainable basis The term good economic governance is used for this type of management and we have applied the concept to a number of African countries that are richly endowed with natural resources and have suffered from various forms and intensities of conflict

The Power of Continuity Eva Poluha, 2004 In this gracefully written book Dr Eva Poluha wrestles with important issues of Ethiopian political culture and cultural continuity and transmission in general Drawing upon her years of experience in the country as well as the data from this school ethnography she has produced a stimulating and thought provoking work for those interested in problems of cross cultural education as well as in Ethiopia Herbert S Lewis Professor Emeritus Department of Anthropology University of Wisconsin Madison Children play a vital role as a source of information on politics but have been neglected as political actors in research contexts In this study children are used as a window to an Ethiopian society where hierarchical relations persist

despite the numerous political and administrative transformations of the past century With data gathered through participant observation the book examines how young Addis Abeba school children learn to adapt to and reproduce relations of superordination or subordination based on gender age strength and social position The children s experiences are viewed in the historical context of state citizen relations where hierarchy and obsession with control have been and continue to be dominant The discussion focuses on the power of continuity in the reproduction of cultural patterns and political behaviour and on how change towards more egalitarian relations could come about
