Returning Tales:

The Returning Hero Simon Hornblower, Giulia Biffis, 2018-09-04 A recurring and significant theme in ancient Greek literature is that of returns and returning chiefly but by no means only of mythical Greek heroes from Troy One main and certainly the most marked ancient Greek word for return is nostos plural nostoi from which is derived the English nostalgia Nostos related traditions were important ingredients of colonial foundation myths and the theme runs through both ancient Greek prose and poetry from Homer's Odyssey to Lykophron's Alexandra also leaving traces in the historical record through the archaeological and epigraphical commemoration of nostoi which played a central part in defining Greek ethnicity and crystallizing personal and communal identities This volume offers a truly interdisciplinary exploration of the concept of nostos in ancient Greek culture which draws on its contributors expertise in ancient Greek and Roman history literature archaeology and religion The chapters examine both literary and material evidence in order to achieve a better understanding of the nature of Greek settlement in the Mediterranean zone and of sometimes equivocal Greek and Roman perceptions of home displacement and returning The special problems and vocabulary of exile are explored in the long Introduction which offers an incisive yet accessible overview of the volume's key themes and sets its range of contributions clearly in context while two chapters are concerned in different ways with emotions and personal identity making use of the theoretical tool of place attachment another demonstrates that failed nostoi can be more interesting than successful examples Evidential absence can be as important and illuminating as presence and mythical women underrepresented in this regard feature extensively in several chapters which open up a range of new perspectives on nostos *The Land of Stories: The Enchantress Returns* Chris Colfer, 2013-08-06 After decades of hiding the evil Enchantress who cursed Sleeping Beauty is back with a vengeance Alex and Conner Bailey have not been back to the magical Land of Stories since their adventures in The Wishing Spell ended But one night they learn the famed Enchantress has kidnapped their mother Against the will of their grandmother the twins must find their own way into the Land of Stories to rescue their mother and save the fairy tale world from the greatest threat it's ever faced Tales for Trainers Margaret Parkin, 1998 Shows how stories and metaphors can be used by facilitators and managers in training and developing people *Believing Again* Daniel Taylor, 2025-02-24 The numbers are alarming at least to people of faith Many especially the young are leaving the church and abandoning faith in God Social scientists have for decades been documenting with numbers what church leaders and families have experienced directly What is much less noted and evaluated is the substantial number of those who leave faith and the church and eventually come back to both Why people leave is an important question but so is why people return a question much less often addressed Once people have made a clear and conscious break with their religious convictions and practice what leads many to return This book explores this important question primarily through listening to the stories these people tell It relies on stories not numbers allowing people to tell their own stories in their own words both why they left and why they returned

One discovers from listening to their stories that there are recurring patterns People leave faith for common reasons and they also return for common reasons In fact many return for the flip side of why they left The shared factor in all returns is God's relentless love for each of them *The Office and Authority of Sheriffs, Under-sheriffs, Deputies, County-clerks, and Coroners, in Ireland. Collected from the Books of Common Law ; and Also from the Acts of Parliament ... Touching this Subject ... Digested Under Alphabetical Titles.* By Matt. Dutton Matthew Dutton,1721 *The Return to England. A Tale of the Fourth Year After the Battle of Waterloo. By a Friend of the Service* ,1840 **JEWels** Steve Zeitlin,2023-02 JEWels is the first of its kind the living tradition of Jewish stories and jokes transformed into poems recording and reflecting Jewish experience from ancient times through the present day In this novel hybrid jokes and stories boiled down to their essence in short poems Jewish witticism is preserved side by side with evocative storytelling and deepened with running commentary and questions for discussion Illuminated here are jewels from journeys from the Old Country from Torah shaped by the Holocaust in glimpses of Jewish American lives in Jewish foods in conversations with God and on the meaning of life Jewish comedians Lenny Bruce Jackie Mason appear alongside writers and musicians Elie Wiesel Sholem Aleichem Itzhak Perlman and Hasidic rabbis the Baal Shem Tov Rabbi Nachman of Breslov yet most of the tellers are ordinary Jews In this cacophony of ongoing dialogue storytellers rabbis poets and scholars chime in with interpretations quips and related stories and life experiences In JEWels each of us can see our own reflection **A Compendious Digest of the Statute Law ... from Magna Charta ... to the 27th ... of George III. inclusive** Thomas Walter Williams,1787 **Solomon and the Ant** ,2014-09-12 A treasure trove of forty three religious wisdom riddle and trickster Jewish folktales that have been told near the hearth at the table and in the synagogue for centuries Sheldon Oberman a master storyteller retells the tales with simplicity and grace making them perfect for performing and reading aloud Peninnah Schram herself an acclaimed storyteller and folklorist provides lively notes and commentary that examine the meaning of each tale and its place in history **The Complete Jurymen: Or, a Compendium of the Laws Relating to Jurors, Etc** ,1752
