## Reunion A Shocker:

**The Reunion** Billy St. John, 2000 When the committee of former student body officers and the valedictorian announce a ten year high school reunion one classmate is particularly anxious to return to town for the event Wilton Hackett the class weirdo has spent the years since graduation developing skills as a hacker of computers and people A serial killer he works days as a morgue attendant and spends nights seeking new victims to slash He sees the reunion as the chance of a lifetime to settle old scores with the popular kids who ridiculed him in high school The reunion with Hack is an unforgettable experience Note This play contains explicit language and graphic violence *Castle Charming* Tansy Rayner Roberts, 2020-10-15

Welcome to Charming where fairy tales come true whether you like it or not Kai's new job is to report on the scandals of the messed up royal family for the local newspaper He didn't expect to become the story Dennis signed up to protect the princes Falling in love with one of them was never part of the deal Ziyi made a wish to catch her own Prince Charming but wishes come at a cost when fairies are involved In this magical kingdom of cursed spinning wheels violent beanstalks deadly queens and disaster princes the most dangerous thing of all might be a Happily Ever After *Castle Charming* is a mosaic novel collecting five previously published stories and novellas *Glass Slipper Scandal Dance Princes Dance Charm or Dare Let Sleeping Princes Lie and Dead Queen Walking* Shell Shock and the Modernist Imagination Wyatt Bonikowski, 2016-04-01

Looking closely at both case histories of shell shock and Modernist novels by Ford Madox Ford Rebecca West and Virginia Woolf Wyatt Bonikowski shows how the figure of the shell shocked soldier and the symptoms of war trauma were transformed by the literary imagination Situating his study with respect to Freud's concept of the death drive Bonikowski reads the repetitive symptoms of shell shocked soldiers as a resistance to representation and narrative In making this resistance part of their narratives Ford West and Woolf broaden our understanding of the traumatic effects of war exploring the possibility of a connection between the trauma of war and the trauma of sexuality *Parade's End* *The Return of the Soldier* and *Mrs Dalloway* are all structured around the relationship between the soldier who returns from war and the women who receive him but these novels offer no prospect for the healing effects of the union between men and women Instead the novels underscore the divisions within the home and the self drawing on the traumatic effects of shell shock to explore the link between the public events of history and the intimate traumas of the relations between self and other *Shock and Naturalization in Contemporary Japanese Literature* Carl Cassegård, 2007-03-29 This study introduces the concepts of naturalization and naturalized modernity and uses them as tools for understanding the way modernity has been experienced and portrayed in Japanese literature since the end of the Second World War Special emphasis is given to four leading post war writers Kawabata Yasunari Abe Kobo Murakami Haruki and Murakami Ryu The author argues that notions of shock in modern city life in Japan as exemplified in the writings of Walter Benjamin and George Simmel while present in the work of older Japanese writers do not appear to hold true in much contemporary Japanese literature it is as if the shock impact of

change has evolved as a naturalized or Japanized process The author focuses on the implications of this phenomenon both in the context of the theory of modernity and as an opportunity to reevaluate the works of his chosen writers The Mixtape Manifesto: A Pop Culture Confessional SW Hammond, 2016-08-23 A coffee table book about a Lost Boy in search of Winnie Cooper with a helping of tongue in cheek wit and sarcasm An unparalleled view of pop culture and relationships filled with rich photography From music industry professional SW Hammond comes a collection of provocative essays woven to create the misguided anti love story of a young man learning about relationships through Axl Rose Paris Hilton and Taylor Swift Raised on rock n roll Hammond blends an unparalleled view of pop culture and philosophy that plagues his irrational sense of women and what they want From childhood viewings of Full House leading to his lifelong hatred of John Stamos his introduction to the Riot Grrrl movement and Kathleen Hanna to a questionable infatuation with The O C s Summer Roberts all of your insatiable favorites are mixed with a reflective Kevin Arnold like inner monolog and a bottle of Jack Daniels The Mixtape Manifesto A Pop Culture Confessional is filled with rich photography captured during Hammond s days on the road while working for Sony Music and Warped Tour as well as bringing to life the music movies and television that has perpetuated his laughable neurotic angst If you re ready to take a little mind trip join in you just may learn something about your life while reading about his
