Reunion In Hollywood:

Reunion in Hollywood Don Bowman,1992-01-01 **The Reunion** Kayla Olson,2023-01-17 When two former teen stars reconnect at the reunion for their hit TV show they discover their feelings for one another were not merely scripted in this charming and heartwarming novel perfect for fans of Christina Lauren and Sally Thorne Liv Latimer grew up on TV As the star of the popular teen drama Girl on the Verge Liv spent her adolescence on the screen trying to be as picture perfect as her character in real life But after the death of her father and the betrayal of her on screen love interest and off screen best friend Ransom Joel Liv wanted nothing more than to retreat living a mostly normal life aside from a few indie film roles But now twenty years after the show s premiere the cast is invited back for a reunion special financed by a major streaming service Liv is happy to be back on set especially once she discovers Ransom has only improved with age And their chemistry is certainly still intact They quickly fall into their old rhythms rediscovering what had drawn them together decades before But with new rivalries among the cast emerging and the specter of a reboot shadowing their shoot Liv questions whether returning to the past is what she needs to finally get her own happy ending **Television Series and Specials Scripts, 1946-1992** ,2009-10-21 In the early days of television many of its actors writers producers and directors came from radio This crossover endowed the American Radio Archives with a treasure trove of television documents The collected scripts span more than 40 years of American television history from live broadcasts of the 1940s to the late 1980s They also cover the entire spectrum of television entertainment programming including comedies soap operas dramas westerns and crime series The archives cover nearly 1 200 programs represented by more than 6 000 individual scripts Includes an index of personal names program and episode titles and production companies as well as a glossary of industry terms
