

FIVE REASONS WHY REVELATION IS DIFFICULT TO UNDERSTAND...

1. God purposely presents His truth to veil its meaning especially to the unbelieving.
2. It is difficult to determine what is literal and what is symbolic.
3. The order of events are not presented systematically. Chronology is not important. Events are repeated from different vantage points.
4. Revelation is not a stand alone book. It must be studied in light of other great pockets of eschatology in the Bible.
5. Most people refuse to do the homework. They give up and move on.
