Revenge Of The Optimist:

The Crusader ,1923 Revenge of the Optimist Lesley Choyce,2004 Lesley Choyce s poetry is transcendental joyful and at times ecstatic though rooted securely in the world The new poems in Revenge of the Optimist are charged with a kind of soulful music and are distinguished by wide tonal flavours and range Lesley Choyce has said of his writing that Poetry arises from events real or imagined that stir the intellect and emotions to re create through words the full impact of life s greatest challenges the best poetry comes about from the compassion that develops in a writer the compassion necessary to understand the pain and joy of others while at the same time being able to work with one s own suffering as a source for emotional honesty in all that is written Book jacket **The Optimist's/Pessimist's Handbook** Niall Edworthy,Petra Cramsie,2009-11-10 The mere sense of living is joy enough Emily Dickinson 1830 1886 American poet Humanity s story is one long testimony to the truth that life is as rewarding and beautiful as you make it As pioneers inventors and dreamers have always known you can do anything if only you persevere Ever since we hauled ourselves out of the swamp our history has been one of extraordinary cultural and technological progress of mind boggling discoveries and remarkable achievements often against the odds It s no coincidence that you see no statues of pessimists in city squares Still cynical and doubting voices are heard all too loudly and frequently in public discourse A potent antidote to their gloom and doom The Optimist s Handbook is a joyful explosion of wit and wisdom from our past and present that celebrates the art of greeting life with the excitement it deserves This handbook will inspire enchant and entertain you as you go forward into all your wonderful tomorrows Even if after reading it you are not moved to feats of glory for the greater good the fact is that optimists are healthier happier and richer than their gloomy counterparts Hear that killjoys The world is a grindstone and life is your nose Fred Allen 1894 1956 American humorist Why beat around the bush The truth is that life is a never ending cycle of toil and pain with nothing but death to reward all our suffering Furthermore what solace is there in blind optimism or fanciful daydreaming when it is perfectly clear that the world is heading toward a complete meltdown whether we live in it or not Resigning yourself to life s grim treadmill and thereby avoiding more disappointments is the best way to trudge forward The Pessimist s Handbook is an indispensable companion on your journey through this vale of tears A clear sighted realistic look at life s obstacles this guidebook is stocked with the pearls of wisdom you need to counter the irritating voices of those who trumpet futile positivity and inane confidence in a brighter future Feel reassured that scores of people share your sense of impending doom and have done so for centuries After all misery loves company but not when it s a horde of perky utopians

Ever the Optimist Joe Jennings,2009-05-16 Ever the Optimist is a heart warming tale of Joe Jennings love affair with his football club which shows no sign of wilting despite the heartaches they have presented him over the years The book is an epic adventure a plethora of events that have been cherry picked to signify the resurrection of one of English football's great bastions which after years of decline is finally emerging from the depths to cement itself back among the elite They are by no means there but the author has seen enough to suggest that the tide is turning and as he steers you through the waters of hope with the enthusiasm and optimism that underlines his every sentence it starts to rub off on you and you are willing them to succeed as much as he It is feeling that you rarely get from a football book and it is arguably the first that has been able to capture the spirit and emotion that has been missing from books of this genre since Nick Hornby's *Fever Pitch*
