Review Of Contemporary Fiction Spring 04:

Contemporary World Fiction Juris Dilevko, Keren Dali, Glenda Garbutt, 2011-03-17 This much needed guide to translated literature offers readers the opportunity to hear from learn about and perhaps better understand our shrinking world from the perspective of insiders from many cultures and traditions In a globalized world knowledge about non North American societies and cultures is a must Contemporary World Fiction A Guide to Literature in Translation provides an overview of the tremendous range and scope of translated world fiction available in English In so doing it will help readers get a sense of the vast world beyond North America that is conveyed by fiction titles from dozens of countries and language traditions Within the guide approximately 1 000 contemporary non English language fiction titles are fully annotated and thousands of others are listed Organization is primarily by language as language often reflects cultural cohesion better than national borders or geographies but also by country and culture In addition to contemporary titles each chapter features a brief overview of earlier translated fiction from the group The guide also provides in depth bibliographic essays for each chapter that will enable librarians and library users to further explore the literature of numerous languages and cultural traditions

Masculinity in Contemporary New York Fiction Peter Ferry, 2014-08-21 Masculinity in Contemporary New York Fiction is an interdisciplinary study that presents masculinity as a key thematic concern in contemporary New York fiction This study argues that New York authors do not simply depict masculinity as a social and historical construction but seek to challenge the archetypal ideals of masculinity by writing counter hegemonic narratives Gendering canonical New York writers namely Paul Auster Bret Easton Ellis and Don DeLillo illustrates how explorations of masculinity are tied into the principal themes that have defined the American novel from its very beginning The themes that feature in this study include the role of the novel in American society the individual and urban society the journey from innocence to awareness of masculinity the archetypal image of the absent and or patriarchal father the impact of homosocial relations on the everyday performance of masculinity male sexuality and the male individual and globalization What connects these contemporary New York writers is their employment of the one of the great figures in the history of literature the fl neur These authors take the fl neur from the shadows of the Manhattan streets and elevate this figure to the role of self reflexive agent of male subjectivity through which they write counter hegemonic narratives of masculinity This book is an essential reference for those with an interest in gender studies and contemporary American fiction

Julian Barnes Sebastian Groes, Peter Childs, 2011-06-30 Julian Barnes is one of the most refined British writers and distinguished intellectuals of his generation whose rich body of work has been awarded many literary prizes both in the UK and abroad This critical guide provides a wide range of current critical perspectives on Barnes work

Literary Memory, Consciousness, and the Group Oulipo Peter Consenstein, 2021-11-08 The question of memory intrigues us more and more as industrialized societies move further and further away from the written word In the past the role of memory was integral to literary history precise mnemonics served

as the support systems for erudition and Mnemosyne was mother of the Muses The group Oulipo born in reaction to the Surrealists proposes invents and applies novel literary constraints Using memory and best of all conscious memory as a theoretical starting point the implications of writing under constraint are analyzed First writing under constraint is viewed as a new mnemonics second the spiritual component of such a practice is shown to redefine a notion of inspiration third constraints and their relationship with games and society is highlighted finally the manner in which they build a literary consciousness is studied through the lenspiece of contemporary neurobiological research For the first time the work of the group Oulipo and the member s emphasis on the function of literature is placed in historical cultural and philosophical context

Visual Devices in Contemporary Prose Fiction Simon Barton, 2016-01-26 This book acknowledges that the reader of a novel looks at and sees the page before they begin to read any text placed upon it Thus any disruptions to how a traditional page should look can have a large impact on the reading process The book critically engages with the visual appearance of graphically innovative contemporary prose fiction

Paths to Contemporary French Literature John Taylor, 2017-07-05 The first volume of *Paths to Contemporary French Literature* offered a critical panorama of over fifty French writers and poets With this second volume John Taylor an American writer and critic who has lived in France for the past thirty years continues this ambitious and critically acclaimed project Praised for his independence curiosity intimate knowledge of European literature and his sharp reader s eye John Taylor is a writer critic who is naturally skeptical of literary fashions overnight reputations and readymade academic categories Charting the paths that have lead to the most serious and stimulating contemporary French writing he casts light on several neglected postwar French authors all the while highlighting genuine mentors and invigorating newcomers Some names Patrick Chamoiseau Pascal Quignard Jean Philippe Toussaint Jean Rouaud Francis Ponge Aime Cesaire Marguerite Yourcenar J M G Le Clezio may be familiar to the discriminating and inquisitive American reader but their work is incisively re evaluated here The book also includes a moving remembrance of Nathalie Sarraute and an evocation of the author s meetings with Julien Gracq Other writers in this second volume are equally deserving authors whose work is highly respected by their peers in France yet little known in English speaking countries Taylor s pioneering elucidations in this respect are particularly valuable This second volume also examines a number of non French originally non French speaking writers such as Gherasim Luca Petr Kral Armen Lubin Venus Ghoura Khata Piotr Rawicz as well as Samuel Beckett who chose French as their literary idiom Taylor is in a perfect position to understand their motivations struggles and goals In a day and age when so little is known in English speaking countries about foreign literature and when so little is translated the two volumes of *Paths to Contemporary French Literature* are absorb

Metamodernism and the Postdigital in the Contemporary Novel Spencer Jordan, 2024-10-03 Drawing on a range of authors that includes Zadie Smith Sally Rooney Ben Lerner Ali Smith Tom McCarthy Jennifer Egan and Kazuo Ishiguro this book provides an innovative and original analysis of the interdependencies between digital

technology and metamodernism through a detailed study of the contemporary novel We are currently living through a period of profound rupture in which the way the world is perceived is undergoing significant change Just as the interplay between capitalism and technology hastened the evolution of modernism and postmodernism then so too are those same forces now taking us into uncharted waters In an increasingly fragile world in which the very existence of humankind is threatened it is vital that we begin to understand this new landscape
