Für mich ist Deutsch nicht besonders schwierig. Nach dem Kurs gehe ich nach Hause und lerne ein bißchen. Dann spiele ich mit meinen neuen Freunden Fußball. Es gibt hier in der Stadt auch eine Liga, und ich mache mit. Vor zwei Wochen hatte ich eine schlimme Erkältung und habe eine Woche nicht gespielt. Aber jetzt geht's besser. Dyck,2024-11-05 Wolff and the First Fifty Years of German Metaphysics offers a fresh account of philosophical developments in German philosophy in the first half of the 18th century At the centre of this book is Wolff s seminal text on metaphysics the *Deutsche Metaphysik* of 1719 a text that modernized and advanced German philosophy but also provoked a vigorous intellectual controversy which informed and animated German thought through the decades until Kant s later philosophical revolution Corey W Dyck draws extensively on the wider intellectual context and Wolff s own early philosophical and scientific writings to provide a new and comprehensive account of Wolff s metaphysics with particular emphasis on Wolff s views on the human soul and God Dyck explores the impact of Wolff s text beginning with a widely neglected aspect of Wolff s reception in Germany namely the striking uptake of his philosophy among women intellectuals and Wolff s hostile reception by his Pietist colleagues In the concluding chapters a number of key metaphysical debates in the aftermath of the controversy between Wolff and the Pietists are considered The reader is shown how these two opposed intellectual systems served as the indispensable frame for metaphysical inquiry inspiring and shaping discussion among German thinkers in the first half of the 18th century In the end this all points to the rich philosophical vein exposed through the opening of the fracture between Wolffianism and Pietism and takes a step towards giving Wolff but also his Pietist critics and the philosophers who took up positions between them their rightful place at the beginning of the history of classical German metaphysics **Home-study Department** University of Chicago.
