Revisioning Curriculum in Higher Education Jennifer Grant Haworth, Clifton Conrad, 1995 **Research in Higher Education** Annie Reynolds, Elise Henrietta Martens, Ella Burgess Ratcliffe, Francis Washington Kirkham, Jessie M. Parker, Mina M. Langvick, Regional Conference on Home-Making Education, Robert Weiss Kunzig, 1931 **Re-visioning Community Colleges** Debbie Sydow, Richard L. Alfred, 2012-12-27 Re visioning Community Collegestraces the development and generational evolution of community colleges explores the past success and future capacity of community colleges as disruptive innovators and analyzes this sector s unique advantages and vulnerabilities Ultimately Sydow and Alfred presents alternative futures for community colleges as they like all sectors of higher education face rapidly changing environmental forces and conditions Re visioning the primary thrust of the book is the process of foresight into the shape that community colleges will likely take in the future on the basis of their growth and innovation trajectory and in response to the dramatic industry shift that is currently underway in the higher education enterprise **India Higher Education Report 2015** N. V. Varghese, Garima Malik, 2015-12-22 The unprecedented expansion of higher education in India and the proliferation of providers in turn have posed enormous challenges to equity quality and financing of the sector The India Higher Education Report 2015 traces the evolution of higher education and discusses the key role of committees and commissions whose reports and recommendations form the backdrop of contemporary developments Authoritative and comprehensive the volume examines a range of themes including equity financing employment quality and governance It also engages with new and recent data as well as current issues and debates The volume will be an important resource for academics policy makers civil society organisations media and those concerned with higher education It will also be useful to scholars and researchers of public policy sociology and economics Advances in Technological Innovations in Higher Education Adarsh Garg, B V Babu, Valentina E Balas, 2024-03-29 The evolution of technology in education can no longer be comprehended simply by looking at the use of computers and networks Technology is not just a supplementary tool to the conventional method of education Education has to undergo a complete transformation with technological innovations for the sustainability of quality education as a system and not in silos Sustainability in education also necessitates a more workable strategy to realize socially viable educational policies and practices which can focus more on personalized learning Due to various factors like emerging technologies changing needs of the learners policy reforms for enhancing employability and emphasis on uninterrupted education as in the case of the pandemic scenario of COVID 19 there is a need to steer a major transition in the education system The education system has to be real and proficient for it to be instrumental to nurture an informed and knowledgeable society This book on technological innovations in higher education is organized largely based on the diversity of higher education ecosystems that are supported by technological innovations Various author viewpoints give insights into the full potential of technology as well as its risks in interrelated areas of higher education to work towards sustainability of

value based quality education across the globe
