Essentials of Pentecostal Theology Tony Richie, 2020-01-20 Only a few decades past academia tended to scoff at the very idea of serious Pentecostal theology Today profound and variegated theological implications of this dynamic movement are the object of exploration and development across the entire spectrum of the Christian theological corpus Arguably an acute need has arisen for identification and evaluation of the Pentecostal movement s original and ongoing theological essentials What is Pentecostal theology really all about anyway This volume realizes that Pentecostal theology is at its heart a working theology undergirding and energizing believers worship of God in prayer and praise in holy living and in witness to a personal experience of the risen Lord and Savior manifested in the continuing power of the Holy Spirit Authentic implementation if not explicit articulation of fervent Pentecostal theology often occurs in the vitality of local churches house fellowships and various mission settings in America and around the world Birthed in the fires of revival movements essential Pentecostalism

including Pentecostal theology continues to burn brightest wherever it is fueled most directly God's Opportunity Athanasios Scott Tonk, 2016-02-05 We human beings have messed up so badly We have atomized the Body of Christ so that only a miracle can heal the wounds of the Body again But God is already acting to heal the Body of His Son as you will see in part 1 of the book This book does not deal in generalities when it comes to Christians It views the Body of Christ as one big family complete with a mother our heavenly Father His Son who is the head of the Body and children kissin cousins aunts uncles and so forth Oh yes we have had our fights but they have all been family fights Now this book issues a challenge to all of the members of the family Appreciate one another s heritage and bring it to the table of the Lord This book is also a call to greater evangelism and mission but it by and large recognizes that the churches are going all out to bring the world to Christ Its Gods Time Its Kingdom Time Its the Fullness of Time Its Gods Opportunity **The Assemblies of God** Margaret M. Poloma, John C. Green, 2010-11-23 The Assemblies of God draws on fresh up to date research including quantitative surveys and interviews conducted within twenty two Assemblies of God congregations to offer a new sociological portrait of the AG for the new millennium The authors suggest that there is a revitalization of the movement in the works within the context of the larger Pentecostal upswing and that this revitalization may be spurred by what the authors call Godly Love the dynamic interaction between perceived divine and human love that enlivens and expands adherents benevolence **Repackaging Christianity** Andrew Atherstone, 2022-07-21 The story of Alpha is of major significance for understanding the place of religious faith in the modern world but that story has never been told until now Since its launch in 1993 the Alpha movement has evolved from supper party evangelism in the Kensington suburbs into a global brand of Christian outreach Today over a million people attend Alpha every year but the history of its rise to popularity has never been documented What caused such spiritual renewal in an age of scepticism And what propelled Alpha into a phenomenon that is recognised across the globe Alpha is far more than an introductory course to Christianity At the core of its brand identity is a repackaging of the Christian message for contemporary audiences Innovation and cultural adaptability are built into Alpha s DNA one of the chief reasons for its longevity and influence Nimble utilising the multimedia and digital revolutions it has contextualised into cultures and languages across the planet And led by charismatic savvy individuals it has attracted people from across the social spectrum making waves in national media Andrew Atherstone leaves no stone unturned as he presents this fascinating history With exclusive access to original archives Atherstone recounts the miraculous stories of HTB s early years the first full account of Nicky Gumbel s conversion and the strategic decisions that launched Alpha onto the global stage of Christian influence With sharp historical analysis Andrew Atherstone uncovers the story of Christian resurgence in our contemporary age **A History of Contemporary Praise & Worship** Lester Ruth, Lim Swee Hong, 2021-12-07 Christianity Today 2023 Book Award Finalist History Biography New forms of worship have transformed the face of the American church over the past fifty years Drawing on a wide range of primary sources including interviews with dozens of important stakeholders and key players this
