Societies introduces students to the global past through social history and the stories and voices of the people who lived it
Now published by Bedford St Martin s and informed by the latest scholarship the book has been thoroughly revised with
students in mind to meet the needs of the evolving course Proven to work in the classroom the book s regional and
comparative approach helps students understand the connections of global history while providing a manageable
organization With more global connections and comparisons more documents special features and activities that teach
historical analysis and an entirely new look the ninth edition is the most teachable and accessible edition yet Test drive a
