Revolution in the Church: Challenging the Religious System with a Call for Radical Change ,2002 **Revolution**

Michael L. Brown,2020-10-06 A revolution of repentance by the power of the Holy Spirit is needed in the church to bring renewal to a hurting nation After reading Revolution you will understand what a biblical revolution looks like and how to implement it starting within your own heart and going outward from there This book is not a call to the violent overthrow of the government nor is it a call to take up arms nor is it a call to political activism in and of itself It is a call to something far more extreme a call to live out the gospel with all its radical claims a call for the people of God to impact this generation with the prophetic message of repentance a call to spark the most sweeping counterculture movement in our nation s history a call to take back the moral high ground that has been stolen from under our feet a call to follow Jesus by life or by death Revolution answers such questions as What is the role of the Christian and the church during these tumultuous times How are we to respond to the racial upheaval happening in our nation What is the church s role in healing the divide in our fractured divided country Dr Brown turns up the volume in this call to God s remnant people to pray repent and act according to the teachings of Jesus who is calling us to holy revolution Saving a Sick America Michael L. Brown, PhD,2017-09-26 Nationally syndicated radio host and columnist Michael Brown provides a handbook for a biblically based moral and cultural renaissance revealing that the key to recapturing America s greatness consists in returning to our spiritual and moral roots America is at a tipping point and never has this been more apparent than right now We are in danger of losing our spiritual and moral heritage making many believe that we have fallen beyond the point of recovery This book is here to say that yes we have fallen In fact fallen much further than we realize but that our country s best days are ahead with the help of a radical moral and cultural revolution beginning with the church This book is a manual for the revolution On all fronts Americans are talking about the need for revolution arguing from the left and the right that the status quo must go This book comes at just the right time as people are wondering what in the world has happened to our country from the homes to the college campuses from the inner cities to the White House from our national debt to the material found on our computers and TV screens In clear compelling prose Brown covers topics ranging from the sexualization of pop culture to the dumbing down of our schools to the undermining of family structures to a pervasive culture of entitlement while pointing consistently to the Bible s solution to these issues A radical call for reformation written with sobriety and hope Saving a Sick America provides the inspiration and guidance necessary for a moral and cultural revolution Hyper-Grace Michael L. Brown,2014-01-07 The great deception of the 21st century At a time when the church needs an urgent wake up call and a fresh encounter with Jesus the hyper grace message is lulling many to sleep Claiming to be a new revelation of grace this teaching is gaining in popularity but is it true Or is the glorious truth of grace being polluted by errors leading to backsliding compromise and even the abandonment of faith Hyper Grace looks at the major

teachings put forth by many adherents of this grace reformation and prayerfully compares those teachings with the Word of God answering questions such as How do our sins affect our relationship with God What is the relevance of the Old Testament to our faith What does Jesus actually have to say about grace Without watering down the Bible's true message of grace Michael Brown gives you the facts demonstrating the dangers of this seductive message and showing you how to keep from being taken in

Answering Jewish Objections to Jesus : Volume 3 Michael L. Brown, 2003-03-01 The Torah doesn't speak of Jesus at all You're completely misinterpreting Isaiah This verse has absolutely nothing to do with your Jesus It's not even a messianic prophecy As for the real messianic prophecies Jesus fulfilled none of them These are some objections raised by Jews regarding Jesus as the Messiah Using the Hebrew Bible rabbinic texts and the New Testament Dr Michael Brown provides thorough answers to nearly forty such objections This third installment of Answering Jewish Objections to Jesus looks specifically at questions raised about messianic prophecies in Isaiah Daniel Psalms Haggai and Zechariah It's an invaluable resource for seekers and for anyone wanting to point students of the Torah to Jesus

Answering Jewish Objections to Jesus : Volume 4 Michael L. Brown, 2006-12-01 A Jewish person has different objections to Jesus than an atheist yet most apologetics books are geared toward conversing with non religious people about the gospel Michael L Brown a Jewish believer in Jesus has been writing popular books on talking with Jews about the Messiah for years Now he takes those discussions even further with this newest volume of Answering Jewish Objections to Jesus It focuses on the New Testament and traditional Jewish objections to Jesus giving believers the important background information they need when discussing matters of faith with people who share many of their beliefs This book is the perfect starting point for gentile and Jewish Christians who wish to speak intelligently with their Jewish friends or family

Playing With Holy Fire Michael L. Brown, 2018-04-03 Over the last hundred plus years the Pentecostal Charismatic church has witnessed miraculous conversions From the Azusa Street Revival which began in 1906 a movement has grown to bring more people to Jesus than any other movement in history While secularism continues to be on the rise in today's society many areas of the world still experience church growth thanks to Pentecostal Charismatic Christians But the Pentecostal Charismatic church is also plagued with sexual immorality financial corruption doctrinal error personal flakiness spiritual gullibility prophetic abuse and more In many ways the state of the church today is not too different from how it was long ago in Corinth To make matters worse the church hides these acts under the cloak of liberty in the Holy Spirit Michael Brown sounds a wake up call to the church and addresses some of the most glaring problems from inaccurate prophetic words that obscure true ones to ministries using scripturally armed marketing techniques in order to manipulate believers into giving Brown shows us why we must clean up house so the church can grow flourish and fulfill God's kingdom purposes

Jezebel's War With America Michael L. Brown, 2019-08-06 Jezebel died 3 000 years ago But her spirit lives today Jezebel was the most wicked woman in the Bible a powerful seductress who killed the prophets led Israel into idolatry and immorality and emasculated

men She was seductive and determined to snuff out the voices coming against her because these voices were calling out for repentance In twenty first century America Jezebel is not a person But it s as if the spirit of Jezebel is alive again today The influence of the same demonic force is being felt in the massive increase of pornography and sexual temptation the militant spirit of abortion the rise of radical feminism and most importantly in the attempt to silence prophetic voices Just as Jezebel clashed with strong men almost three thousand years ago the demonic spirit of Jezebel is powerful in America and it is going after the church This eye opening book not only unveils the satanic plot to destroy America beginning with an all out assault on the church but it will equip every believer with tools to defeat the enemy in their own personal lives as well as in the nation This book will show you how the spirit of Jezebel is active in America today and teach you how to protect the church
