*Beginner Day Trader Market Timing Bible* Joe Valuta, As a brand new self directed investor and trader with zero knowledge of the investing and trading business you are at a loss as to what information you actually do and do not need Beginner Day Trader Market Timing Bible is for people who want to start their own self directed investing and trading business and become investors and

traders in today's financial markets but have zero experience and are looking for the best quality information to get them started making real money right away. The learning curve in the trading business, whether it's futures, stocks, or Forex, can be long, brutal, and very very expensive if you learn the wrong way. *Beginner Day Trader Market Timing Bible* aims to tell a brand new self-directed trader how to study it the right way the first time and greatly reduce that long learning curve by showing you what the market is really made of and who are actually in control of it and when they are in control of it. Brand new traders all make the same mistakes over and over because they don't know any better now you do. They do what everyone else is doing and study what everyone else is studying, thus they have the same results and failures as everyone else. Don't be that trader. If you can just take the time to read this information in *Beginner Day Trader Market Timing Bible*, let it sink in and then continue on your educational journey, you will have done yourself a huge favor and also begun to give yourself the needed edge to succeed in this business. When you are done reading *Beginner Day Trader Market Timing Bible*, you will have an excellent basic explanation of what and what not to do before you even study anything or do any kind of education and also when and when not to be in the live markets with the smart money. The information in *Beginner Day Trader Market Timing Bible* will put you on the fast track to becoming a successful self-directed investor and trader with very little invested other than your time to learn investing and market timing the right way from the start.

*The Truth about Day Trading* Joe Soldi, This book gives you the brutal truth of what happens in real life in real time and in real money in the live markets every day. There are no short cuts and you must do the learning time if you want to drive your own money train. I try to keep the explanations clear, concise, simple, and uncomplicated. This book gives you substantial value and is going to be the foundation of your pre-education if you are a brand new beginner. This book will be an excellent introduction for someone who has zero or very little experience in the financial markets for what they can expect to research and learn if they want to have any chance at being successful making real money in the live markets. If you're brand new, this book will give you a head start and get you on the fast track if you have a little knowledge already. I hope this book can give you more information and help you learn something new. Use this book as an overview or a guide if you will to what to study and learn first to become consistently profitable trading the financial markets. I give you concise information as to what to learn first that will make you money right away and what to look for as far as further information is concerned. I tell you only the most critical things to learn first because those are absolutely the most important and the ones that will make you money right away if you do them. This book is written to provide straightforward, easy to understand and easy to apply advice, tips, and techniques that can be the backbone of any beginner trader's success in the financial markets.
