Sex Work And Professionalism:

Sex, Work, and Professionalism Katie Deverell, 2001 First Published in 2001 Routledge is an imprint of Taylor Francis an informa company **Sex, Work and Professionalism** Katie Deverell, 2013-01-11 Sex Work and Professionalism examines what happens when professional concern is defined in terms of sex Based on original fieldwork with outreach workers in HIV prevention it addresses issues of professionalism emotion work and boundaries integrating empirical insights with sociological theory In most professional relationships sex is not defined as part of the relationship in fact it is explicitly excluded in guidelines and codes of ethics HIV prevention outreach workers work in sexual environments with a sexually defined target group and are often employed on the basis of their sexuality They have to learn how to balance their work and professional lives overcoming conflicts such as professional role V community role sexual skills V sexual boundaries personal experiences V professional understanding professional identity V worldviews Many of the questions being raised in this book about the meaning of professionalism the pain and pleasure in emotion work and the management of boundaries between home sex and work are being asked more generally by workers in a range of organisations Sex Work and Professionalism argues for a new understanding of professionalism more appropriate to the human services Professionalism, Boundaries and the Workplace Nigel Malin, 2002-01-04 Professionalism Boundaries and the Workplace is a practical text that examines a range of sensitive issues concerned with managing and maintaining professional boundaries between worker and client It uses experiences from probation social work the NHS small business and church settings A number of issues are addressed including the relationship between personal and professional values changing professional client relationships definitions of being professional conflicts arising from different understandings of professionalism *Sex Work and Human Dignity* Stewart Cunningham, 2020-11-02 The notion of human dignity is frequently yet enigmatically invoked in legal and political debates on sex work where many people use it without much elaboration on exactly what they mean by it Sex Work and Human Dignity Law Politics and Discourse sheds light on this enigma by exploring how dignity based discourses are used by those who write and talk about prostitution and also what role these discourses may play in shaping wider cultural understandings of sex work and sex workers The book draws on political discourse theory and is international in its scope with analysis of legal cases textual sources and empirical data gathered through interviews with activists from several different countries in the Global North and South The book traces how the concept of dignity is used in a range of legal and political discourses on sex work and ultimately asks to what extent dignity based discourses help to advance or hinder sex workers social inclusion This book will appeal to students and researchers interested in sex work and feminism as well as those who study human dignity Its interdisciplinary nature means it will appeal to those working in a range of disciplines including law sociology philosophy and political theory **Histories of Sex Work Around the World** Catherine Phipps, 2024-08-07 This book offers snapshots of sex work in global history examining how it has differed in different places

around the world at different points in time Focusing on certain moments in certain places and examinations of historical lives it offers a diverse approach with a heavy focus on lived experience to see what selling sex was like instead of what it meant Therefore this book aims to argue that selling sex has been different at different times and present the diversity of experience in sex work throughout history through case studies and comparisons Aimed for students scholars and general readers alike *Histories of Sex Work Around the World* provides an introduction to the history of sex work within a global perspective The case studies cover a wide range of topics and geographical regions from North America to Mexico City to Vietnam spanning across 12 different countries and over 400 years of history before considering the future of sex work in the internet age Furthermore this book features chapters with personal accounts from writers with experience selling sex managing a brothel or working as a dancer It also includes a foreword from renowned writer and historian Julia Laite author of bestselling book *The Disappearance of Lydia Harvey*

Sex Work, Immigration and Social Difference Julie Ham, 2016-08-25 Public discourses around migrant sex workers are often more confident about what migrant sex workers signify morally but are less clear about who the migrant is Based on interviews with immigrant migrant and racialized sex workers in Vancouver Canada and Melbourne Australia *Sex Work Immigration and Social Difference* challenges the migrant sex worker category by investigating the experiences of women who are often assumed to be migrant sex workers in Australia and Canada Many migrant sex workers in Melbourne and Vancouver are in fact naturalized citizens or permanent residents whose involvement in the sex industry intersects with diverse ideas and experiences of citizenship in Australia and Canada This book examines how immigrant migrant and racialized sex workers in Vancouver and Melbourne wield or negotiate ideas of illegality and legality to obtain desired outcomes in their day to day work Sex work continues to be the subject of fierce debate in the public sphere at the policy level and within research discourses This study interrogates these perceptions of the migrant sex worker by presenting the lived realities of women who embody or experience dimensions of this category This book is interdisciplinary and will appeal to those engaged in criminology sociology law and women's studies

Sex, Work and Sex Work Joanna Brewis, Stephen Linstead, 2000 This fascinating and controversial new book explores the concept that not only does sexuality pervade every aspect of organizations but also that organization pervades every aspect of our sexuality

Sex Work and Female Self-Empowerment Stephanie Hunter Jones, 2016-03-31 Prior research has tended to mirror popular representations of the female sex worker as a morally flawed individual and a victim of circumstances beyond her control *Sex Work and Female Self Empowerment* presents a fresh perspective on the world's oldest profession by considering the relationship between sex work and female self empowerment from a variety of disciplinary and practical perspectives and presenting new data derived from the author's study of six self-employed indoor female sex workers IFSWs Informed by the author's training in clinical psychology and human sexuality studies and her more than fifteen years of involvement in the sex work profession this book extends beyond social stereotyping and stigmatization

and presents a more balanced view of the identities and aspirations of sex workers in contemporary society Sex Worker Unionization G. Gall, 2016-04-08 Sex Worker Unionisation examines the challenges and opportunities offered by unionisation for Sex Workers Exploring unionisation projects undertaken by Sex Workers in most major economies this ground breaking study shows how sex workers have collectively sought to control and organise their work and working lives by co determining the wage effort with their de facto employers It highlights the range of significant obstacles that have impeded their progress including owner hostility state regulation and the sway of radical feminism that is present in many unions Outlining a more efficacious model for sex worker unionisation based upon combining occupation unionism and social movement unionism this pioneering and controversial new book offers an important study of business organization in a unique industry **Social Work and Prostitution** Martin Albert, Julia Wege, 2022-09-15 Prostitution is a taboo fringe area of society about which there is hardly any well founded information and scientific knowledge Women who work in prostitution have to struggle with social prejudices social discrimination and legal disadvantages and therefore need specific counseling and low threshold services Social work has a long tradition of helping this target group on a case by case basis and advocates for the rights and dignity of women From the perspective of professional social work this volume provides an overview of the complexity of the field of prostitution and presents theoretical and methodological approaches This book is a translation of the original German 1st edition Soziale Arbeit und Prostitution by Martin Albert and Julia Wege published by Springer Fachmedien Wiesbaden GmbH part of Springer Nature in 2015 The translation was done with the help of artificial intelligence machine translation by the service DeepL com A subsequent human revision was done primarily in terms of content so that the book will read stylistically differently from a conventional translation Springer Nature works continuously to further the development of tools for the production of books and on the related technologies to support the authors

Street-Level Workers as Institutional Entrepreneurs Olivia Mettang, 2022-11-14 Introducing the institutional logics perspective to street level analysis this book examines how street level workers deal with the institutional logics that guide their organization whether they follow or challenge them While doing so the book develops a theoretical framework to study street level workers institutional agency within organizations from different institutional backgrounds The book conceptualizes street level workers as institutional entrepreneurs and presents an original process model to capture deinstitutionalization efforts in street level discourse This ordinal model accounts for embedded agency and institutional entrepreneurship as well as for more gradual moves towards deinstitutionalization through the hybridization of institutional logics The author tests the model empirically using interview data and discusses how street level workers diverge from the institutional logic of their organization in almost two thirds of their statements indicating a tendency towards institutional entrepreneurship The book finally combines two literature strands institutionalism and implementation research showing how street level workers may be perceived as institutional entrepreneurs This book will appeal to students scholars and

researchers of political science public policy public administration and organizational studies as well as to practitioners and policy makers interested in a better understanding of institutional entrepreneurs street work and the institutional logics perspective **Trafficking and Sex Work** Mathilde Darley, 2022-12-30 Set in different national contexts Brazil Bulgaria France Germany Laos Norway Thailand and in different social science disciplines the chapters of this volume aim at questioning anti trafficking policies and their practical impact on sex work regulation Many actors from media to researchers from nonprofit organizations to law enforcement agencies from experts to reality tourists contribute to produce knowledge on trafficking and sexual exploitation and thus to institutionalize it as a category of thought and action by naming and framing perpetrators and victims they make trafficking come true as a public problem The book pays particular attention to the way the international expertise produced by these different actors and institutions on sexual exploitation and sex work impacts local control practices especially with regard to law enforcement The fight against trafficking as it gets institutionalized and put into practice then appears as a way to reaffirm a gendered and racialized public order Building analytical bridges between different national contexts and relying on contextualized fieldwork in different countries the book is of great interest for academics as well as for practitioners and or activists working on sex and gender issues and migration policies Also it resonates with a broader literature on the construction of public problems in sociology and political science

Global Perspectives on Prostitution and Sex Trafficking Rochelle L. Dalla, Lynda M. Baker, John Defrain, Celia Williamson, 2011-04-08 This book is part of a two volume set that examines prostitution and sex trafficking on a global scale with each chapter devoted to a particular country in one of seven geo cultural areas of the world The 18 chapters in this volume Volume I are devoted to examination of the commercial sex industry CSI in countries within Africa Asia Middle East and Oceania while the 16 chapters that comprise Volume II focus exclusively on Europe Latin America and North America Volume II also includes a global section which includes chapters that are globally relevant rather than those devoted to a particular country or geographic location The content of each volume as well as each chapter reflects great diversity diversity in focus writing style and personal position regarding the commercial sex industry Diversity extends to the contributors who are comprised of international scholars service providers and policy advocates representing a variety of fields and disciplines with distinct and varied frames of reference and theoretical underpinnings with regard to the commercial sex industry In addition to addressing aspects of the CSI across the globe as impacted by geography and culture authors have also provided a spectrum of implications of their work implications ranging from continued scholarship and research to legislative maneuvers and policy change to suggestions for collaboration across NGOS fieldworkers clinicians and service providers Together the 34 expertly crafted chapters provide a wealth of knowledge from which to more deeply appreciate and contemplate the global commercial sex industry By uniting contributors from around the world this book aims to build a relatively common knowledge base on global prostitution and sex trafficking *The Routledge Handbook of Male*

Sex Work, Culture, and Society John Scott, Christian Grov, Victor Minichiello, 2021-03-20 Panoramic and provocative in its scope this handbook is the definitive guide to contemporary issues associated with male sex work and a must read for those who study masculinities male sexuality sexual health and sexual cultures This groundbreaking volume will have a powerful impact on our understanding of this challenging elusive subject While the internet has brought the previously hidden worlds of male sex work more starkly into public view academic research has often remained locked into descriptions of male sex workers and their clients as perverse Drawing from a variety of regions the chapters provide insights into the historical popular cultural social and economic aspects of sex work as well as demographic patterns health outcomes and policy issues This approach shifts thought on male sex work from a hidden social problem to a publicly acknowledged social phenomenon The book challenges myths and reconceptualizes male sex work as a discrete field Importantly it provides a vehicle for the voices of male sex workers and new and established scholars This richly detailed humane and innovative collection retrieves male sex work from silence and invisibility on the one hand and its association with scandal and stigma on the other The findings within have profound implications for how governments approach public health and regulation of the sex industry and for how society can make sense of the complexities of human sexualities A compelling scholarly read and a major contribution to a commercial sector that is often neglected in policy debates on sex work this handbook will be of great interest to scholars of criminology sociology gender studies and cultural studies and all those interested in male sex work

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Sex Work And Professionalism eBooks, including some popular titles.

FAQs About Sex Work And Professionalism Books

What is a Sex Work And Professionalism PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Sex Work And Professionalism PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Sex Work And Professionalism PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Sex Work And Professionalism PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Sex Work And Professionalism PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
