Sexual Detours Holly Hein, 2001-04-10 With insight and sensitivity Dr Holly Hein leads on a voyage of discovery that explores the true meaning behind our sexual detours She shows us why we do it how we do it and what to do about it Dr Hein clarifies why an affair reveals more about ourselves than about our sex lives why it is more about the chemistry of escape than about sexual lightning And ultimately she explains why an affair is more about the betrayal of the self than it is about breaking marriage vows This book is for anyone who has ever been beguiled by the idea of romance entangled in a clandestine relationship devastated by betrayal forced to recover from loss or even simply hoped to find love and happiness In short everyone

**Cheating on the Sisterhood** Lauren Rosewarne, 2009-05-14 Drawing on the author's own experience as the other woman in an affair with an otherwise committed man this contemporary feminist study is the first to label the role of the other woman as sexual terrorist Cheating on the Sisterhood Infidelity and Feminism is a feminist analysis of the imbroglio of sexual politics brute sociobiology and pop mediated passion that is conjured up when a married man cheats on his wife with a younger single woman Drawing frankly on her own experience as the other woman Lauren Rosewarne scrutinizes the alternate readings of the politics of cheating in terms of feminism's program of gender equality Arguing that contemporary feminism does not automatically endorse or reject any particular choices she shows what happens when all three parties to the classic triangle happen to be feminists each trotting out a different set of feminist arguments to justify vilify and rationalize his or her actions Is the other woman this book asks just a tool of the cheating man's assertion of gender dominance over both his mate and his mistress and a willy nilly a traitor to the sisterhood *Glamour*, 2001 Subject Guide to Books in Print, 1971

Sexual Detours Holly Hein, 2000-04-01 The Startling Truth Behind Love Lust and Infidelity At long last we have a book about affairs that is not about blame Sexual Detours offers an illuminating and powerful portrait of the human psyche that sheds light on the hidden dark recesses of the world of infidelity Its striking and metaphorical language unravels the secrets behind affairs This book is for anyone who has ever been enchanted and beguiled by the idea of a romance entangled in a clandestine relationship devastated by betrayal recovering from loss or even simply hoping to find love and happiness In short everyone We've all thought about having an affair Who hasn't wondered what it would be like to have a relationship with that special person right next door in the other office or just around the corner We all crave ecstasy obsession excitement and romance And we all find intimacy and elusive chimera slipping from our grasp Sometimes we look for solace in the arms of a lover and seek a romantic exit on the highway of our lives as we struggle with our dreams and wishes fears and realities With insight and sensitivity Dr Holly Hein leads us on a voyage of discovery that explores the true meaning behind our sexual detours She shows us why we do it How we do it And what to do about it Dr Hein clarifies that an affair reveals more about our selves than about our sex lives it is more about the chemistry of escape than about sexual lightning And ultimately an affair is more about the betrayal of the self than it is about breaking marriage vows Every

affair has a cover story and carries a secret message written in code it is as unique as a fingerprint Dr Hein explains how to decipher the hidden code and to interpret the true message behind the cover story repairing the cables of communication and translating the language of the inner world Vivid case histories illustrate how unrecognized unexpressed needs often surface in disguise leading us to take flight and reject what our partner symbolizes as we seek escape in the fantasy of a tryst Dr Hein illustrates how an affair conceals the real issues showing us how to recognize this and tells us what steps to take in order to have more rewarding intimate relationships Sexual Detours is a beacon to all who have been touched by the anguish denial resentment guilt and shame of an affair encouraging us to emerge from the pain of infidelity and create a self awareness that will forge the bonds of a lasting intimacy
