Sexual Harassment In America A Documentary History

Henry F. Fradella, Jennifer M. Sumner

Sexual Harassment In America A Documentary History:

Sexual Harassment in America Laura W. Stein, 1999-01-30 A breakthrough collection of key documents on sexual harassment providing an overview of the development of the concept in America

Encyclopedia of Rape and Sexual Violence Merril D. Smith, 2018-05-03 This two volume set provides an authoritative overview of rape and other forms of sexual violence containing the latest information about victims and perpetrators events laws and trends related to sexual violence and attitudes toward it This encyclopedia will help readers to develop a deeper understanding of rape and other forms of sexual violence in the United States and around the world Content illuminates all aspects of this serious issue including the forms of trauma experienced by survivors victims different types of rape from incest to acquaintance rape to prison rape specific cases events and controversies laws policies movements and organizations pertaining to the issue and legal political and cultural contributors to rape and other forms of sexual violence Encyclopedia of Rape and Sexual Violence follows an A Z format but instead of comprising brief overview entries it features twenty chapters each of which is a long form entry that covers key perspectives laws court cases and statistics on survivors victims and perpetrators Leading scholars and activists perspectives on the subject add depth to the information provided the set also includes a selection of essential primary documents

Release a Man for Combat Michaela Hampf, 2010 Die etwa 150 000 Frauen die im Zweiten Weltkrieg im Women s Army Corps Dienst taten waren die ersten regulären Soldatinnen der US Armee Um männliche Soldaten für den Kampf freizusetzen arbeiteten sie auch in traditionellen Männerbereichen etwa als Mechanikerinnen oder Pilotinnen in den USA Afrika Europa und Südostasien Die Autorin geht den Erfahrungen dieser Frauen nach den militärischen und zivilen Diskursen über Soldatinnen im Militär und dem Umgang der Armee mit soldatischer Weiblichkeit und weiblicher Sexualität Anhand von Regierungsdokumenten Kriegsgerichtsprozessen aber auch Selbstzeugnissen Gedichten und Songs zeigt M Michaela Hampf wie umkämpft die Konstruktion der Soldatin im Amerika der vierziger Jahre war und bis heute ist

The Gender Communication Connection Teri Kwal Gamble, Michael W. Gamble, 2014-12-18 The authors explore the many ways that gender and communication intersect and affect each other Every chapter encourages a consideration of how gender attitudes and practices past and current influence personal notions of what it means not only to be female and male but feminine and masculine The second edition of this student friendly and accessible text is filled with contemporary examples activities and exercises to help students put theoretical concepts into practice

Bad Girls Go Everywhere Jennifer Scanlon, 2009 The first biography of Helen Gurley Brown author of the 1962 international bestseller *Sex and the Single Girl* and 32 year editor of *Cosmopolitan* magazine Scanlon had unprecedented access to Brown s papers and she presents Brown in the context of the feminist movement highlighting her role as an advocate of professional accomplishment and sexual freedom for women Provided by publisher

Sex, Sexuality, Law, and (In)justice Henry F. Fradella, Jennifer M. Sumner, 2016-02-26 Sex Sexuality Law and In Justice covers a wide range of

legal issues associated with sexuality gender reproduction and identity These are critical and sensitive issues that law enforcement and other criminal justice professionals need to understand The book synthesizes the literature across a wide breadth of perspectives exposing students to law psychology criminal justice sociology philosophy history and where relevant biology to critically examine the social control of sex gender and sexuality across history Specific federal and state case law and statutes are integrated throughout the book but the text moves beyond the intersection between law and sexuality to focus just as much on social science as it does on law This book will be useful in teaching courses in a range of disciplines especially criminology and criminal justice history political science sociology women and gender studies and law **Clinical**

Aspects of Sexual Harassment and Gender Discrimination Sharyn Ann Lenhart, 2004-03-20 This book addresses the psychological impact of sexual harassment and gender discrimination from both a clinical and theoretical perspective whereas previous literature on the topic has emphasized legal and employment consequences To start Lenhart provides a comprehensive summary and integration of existing literature and discusses relevant aspects of the workplace and legal environments The second portion of the book deals with the psychodynamics of sexual harassment and gender discrimination placing these violations in proper psychological perspective along the same lines as rape battering and other forms of gender based abuse The wide spectrum of psychological consequences of discrimination will be discussed and an effective and integrative model for intervention and treatment will be presented **Encyclopedia of Women's Health** Sana

Loue, Martha Sajatovic, 2004-07-15 Designated a Reference Reviews Top Ten Print Reference Source 2005 The Encyclopedia of Women's Health meets this challenge by bringing together an impressive array of experts on topics from reproductive issues to gastrointestinal illnesses This skilfully edited volume informed by current health issues and health care realities offers readers practical information historical aspects and future directions all meticulously researched and conveniently presented Key features include Accessible A to Z coverage including AIDS birth control hormone replacement therapy teen pregnancy sexual harassment violence body image access to health care and more Entries spanning the medical psychological sociocultural spiritual and legal arenas Medical topics explored from both conventional and complementary perspectives Cross cultural data illustrate issues as they apply to minority women rural women the elderly and other underserved populations Special chapters on disparities in women's health and health care Historical overview of women in health as patients and as professionals Suggested readings and resource lists **Class Action** Clara Bingham, Laura Leedy

Gansler, 2003-10-14 The true story of Lois Jenson a petite single mother who was among the first women hired by a northern Minnesota iron mine in 1975 In this brutal workplace female miners were relentlessly threatened with pornographic graffiti denigrating language stalking and physical assaults Terrified of losing their jobs the women kept their problems largely to themselves until Lois devastated by the abuse found the courage to file a complaint against the company in 1984 Despite all of the obstacles the legal system threw at them Lois and her fellow plaintiffs enlisted the aid of a dedicated team of lawyers

and ultimately prevailed Weaving personal stories with legal drama Class Action shows how these terrifically brave women made history although not without enormous personal cost Told at a thriller's pace this is the story of how one woman pioneered and won the first sexual harassment class action suit in the United States a legal milestone that immeasurably improved working conditions for American women

Civil Liberties in America Samuel Walker, 2004-04-15 A concise authoritative guide to civil liberties issues in American society from freedom of speech and religious liberty to due process equal protection and privacy Written for a general audience this work clearly defines civil liberties and explains their legal basis in the Bill of Rights state constitutions legal statutes and administrative regulations It reviews the subject's history from 1917 to the present and covers the full range of civil liberties issues the First Amendment due process equal protection and privacy In addition to extensive material on past controversies such as the Scopes trial and the internment of Japanese Americans during World War II the book discusses important contemporary issues such as censorship on the Internet and drug testing The coverage also examines conflicting civil liberties issues such as hate speech which pits one person's freedom of expression against another's right to equal protection The book contains extensive bibliographic references to books and articles and a long list of website links to organizations active on all sides of today's civil liberties controversies

Handbook of Employment Discrimination Research Laura Beth Nielsen, Robert L. Nelson, 2006-01-01 There is much to understand about employment discrimination law as a social system What drives the growing trend toward litigation To what extent does discrimination persist and why does it vary by organizational and market context How do different groups perceive discrimination and what if anything do they do about it How do employers respond to discrimination law What is the effect of broader political and legal currents What is the relationship between anti-discrimination law and social inequality This book presents answers from a distinguished group of scholars and social scientists offering a broad reconsideration of employment discrimination and its treatment in law

Law and Society Steven Vago, 2015-07-14 For one semester undergraduate courses in Law and Society Sociology of Law Introduction to Law and a variety of criminal justice courses offered in departments of Sociology Criminal Justice and Political Science Examines the interplay between law and society Law and Society 10e provides an informative balanced and comprehensive analysis of the interplay between law and society This text presents an overview of the most advanced interdisciplinary and international research theoretical advances ongoing debates and controversies It raises new levels of awareness on the structure and functions of law and legal systems and the principal players in the legal arena and their impact on our lives In addition it looks at the legal system in the context of race class and gender and considers multicultural and cross-cultural issues in a contemporary and interdisciplinary context

Sexual Assault from A-Z Annie Novotny, 2023-04-04 In the aftermath of a sexual assault it is normal for survivors and those that support them to find it hard to define their experience or put their thoughts and feelings into words It may be difficult to make decisions around how to move forward or begin the healing process Navigating the responses of the health

care system legal system justice system in addition to family and community systems can be overwhelming for both survivors and their allies This book is a brief but comprehensive guide of common terminology statistics and resources relating to the current rape crisis movement In an attempt to shine a light on the potentially confusing and re traumatizing landscape of interventions that provide services to survivors Sexual Assault from A Z fosters empowerment and de stigmatization in order to help survivors and their allies make sense of their experience of sexual assault and to demonstrate to survivors that they are not alone

Poverty, Battered Women, and Work in U.S. Public Policy Lisa D. Brush,2011-07-28 Drawing on longitudinal interviews government records and personal narratives feminist sociologist Lisa Brush examines the intersection of work welfare and battering Brush contrasts conventional wisdom with illuminating analyses of social change and social structures highlighting how race and class shape women s experiences with poverty and abuse and how domestic violence moves out of the home and follows women to work Brush s unique interview data on work related control abuse and sabotage together with administrative data on earnings welfare and restraining orders offer new empirical insights on the impact of work requirements and other post welfare rescission changes on the lives of low income and battered mothers Personal narratives provide first hand accounts of women s perceptions of the broad forces that shape the circumstances of their everyday lives their health their prospects their ambitions and their diagnoses of their world Deftly integrating the political and the personal the administrative and the narrative the economic and the emotional Brush underscores the vital need to reexamine ideas policies and practices meant to keep women safe and economically productive that instead trap women in poverty and abuse With her fresh approach to problems people often see as intractable Brush offers a new way of calculating the costs of battering for the policy makers and practitioners concerned with the well being of poor battered women and their families and communities

Freedom of Expression in a Diverse World Deirdre Golash,2010-07-01 The essays in this volume consider issues at the intersection of freedom of expression and racial cultural and gender diversity The claims of those whose cultures and beliefs differ from our own are no longer the exclusive province of diplomats as the Danish newspaper that published cartoons ridiculing Mohammed quickly learned Negotiating the claims of freedom of expression as they come into open conflict with a wide diversity of viewpoints both domestically and internationally has become an increasingly complex task The present volume seeks both to provide fresh insight into the philosophical grounds for limiting government restriction of expression and to address current tensions between freedom of expression and pluralism The suppression of ideas by government is no doubt as old as government itself Ideas help to keep governments in power and opposing ideas can help them to lose it As well through most of the history of the world the belief that some know better than others what is true what is right and what is valuable has been sufficiently widespread to make it seem natural for those better to dictate for the rest what they should believe Just as clerics did not hesitate to dictate to their congregations Christians did not hesitate to impose their beliefs on non Christians in order to save their souls

The Face of

Discrimination Vincent J. Roscigno, 2007-05-18 Thousands of individuals are discriminated against each year due to their race or sex even 40 years after the Civil Rights Act The Face of Discrimination documents the forms character and implications of race and sex discrimination at work and in housing drawing from archived discrimination suits themselves Going beyond traditional social science research on the topic this book grounds the reader in the reality of discrimination as it is played out in the actual jobs neighborhoods and lives of real people The systematic approach taken by Roscigno and his team of collaborators in concert with the qualitative material used throughout sheds significant light on an important and contributes specifically to the understanding of employer biases sexual harassment structural inequalities in where workers are placed occupationally why housing segregation persists and how discrimination in housing and work take a toll on individuals in their daily lives *Lone Star Unionism, Dissent, and Resistance* Jesús F. de la Teja, 2016-03-09 Most histories of Civil War Texas some starring the fabled Hood's Brigade Terry's Texas Rangers or one or another military figure depict the Lone Star State as having joined the Confederacy as a matter of course and as having later emerged from the war relatively unscathed Yet as the contributors to this volume amply demonstrate the often neglected stories of Texas Unionists and dissenters paint a far more complicated picture Ranging in time from the late 1850s to the end of Reconstruction Lone Star Unionism Dissent and Resistance restores a missing layer of complexity to the history of Civil War Texas The authors all noted scholars of Texas and Civil War history show that slaves freedmen and freedwomen Tejanos German immigrants and white women all took part in the struggle even though some never found themselves on a battlefield Their stories depict the Civil War as a conflict not only between North and South but also between neighbors friends and family members By framing their stories in the analytical context of the long Civil War Lone Star Unionism Dissent and Resistance reveals how friends and neighbors became enemies and how the resulting violence often at the hands of secessionists crossed racial and ethnic lines The chapters also show how ex Confederates and their descendants as well as former slaves sought to give historical meaning to their experiences and find their place as citizens of the newly reformed nation Concluding with an account of the origins of Juneteenth the nationally celebrated holiday marking June 19 1865 when emancipation was announced in Texas Lone Star Unionism Dissent and Resistance challenges the collective historical memory of Civil War Texas and its place in both the Confederacy and the United States It provides material for a fresh narrative one including people on the margins of history and dispelling the myth of a monolithically Confederate Texas **Sexual Harassment**, 2002 [Sexual Citizens: A Landmark Study of Sex, Power, and Assault on Campus](#) Jennifer S. Hirsch, Shamus Khan, 2020-01-14 Profoundly eye opening Hirsch and Khan present a novel model for explaining and responding to campus sexual assault Claire M. Renzetti Science Research has shown that by the time they graduate as many as one in three women and almost one in six men will have been sexually assaulted But why is sexual assault such a common feature of college life and what can be done to prevent it Drawing on the Sexual Health Initiative to Foster Transformation SHIFT at Columbia University the most comprehensive

study to date of sexual assault on a campus Jennifer S Hirsch and Shamus Khan present an entirely new framework that emphasizes sexual assault's social roots based on the powerful concepts of sexual projects sexual citizenship and sexual geographies Empathic insightful and far ranging Sexual Citizens transforms our understanding of sexual assault and offers a roadmap for how to address it

The Properties of Violence Sandy Alexandre, 2012-11-01 The Properties of Violence focuses on two connected issues representations of lynching in late nineteenth and twentieth century American photographs poetry and fiction and the effects of those representations Alexandre compellingly shows how putting representations of lynching in dialogue with the history of lynching uncovers the profound investment of African American literature as an enterprise that continually seeks to create conceptual spaces for the disenfranchised culture it represents in matters of property and territory Through studies ranging from lynching photographs to Toni Morrison's Pulitzer Prize winning novel *Beloved* the book demonstrates how representations of lynching demand that we engage and discuss various forms of possession and dispossession The multiple meanings of the word representation are familiar to literary critics but Alexandre's book insists that its other key term effects also needs to be understood in both of its primary senses On the one hand it indicates the social and cultural repercussions of how lynching was portrayed namely what effects its representations had On the other hand the word signals too the possessions or what we might call the personal effects conjured up by these representations These possessions were not only material as for example property in land or the things one owned The effects of representation also included diverse less tangible but no less real possessions shared by individuals and groups the aura of a lynching site the ideological construction of white womanhood or the seemingly default capacity of lynching iconography to encapsulate the history of ostensibly all forms of violence against black people

The Top Books of the Year Sexual Harassment In America A Documentary History The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have charmed audiences this year. Sexual Harassment In America A Documentary History : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
