Sexual Symbolism A History Of Phallic Wo:

Sexual Symbolism Richard Payne Knight, Thomas Wright, 2006-01-01 Comprising two works this is a pioneering volume on a taboo subject Characterized by a systematic approach it has served as a foundation for subsequent studies *Sexual Symbolism*, 1966 *Pornography and Sexual Representation* Joseph W. Slade, 2001 A three volume reference guide to the available literature concerning pornography and sexual representation in America **Primitive Symbolism, as Illustrated in Phallic Worship** Hodder Michael Westropp, 1885 *The A.S.M.R.* Asheru Romancha, 2024-02-12 This book shows the automatic spontaneous intelligent design from a feedback loop between the right hemisphere matching by form and the resulting sacred fractal geometry of self similar sexual mimicry in the four dimensional human body He shows how this is done through the ASMR and thrill intelligence The missing link is no longer missing His book is a magnum opus on the alchemy of this subject **Encyclopedia of Sacred Places** Norbert C. Brockman, 2011-09-13 Now thoroughly revised and updated this encyclopedia documents the diversity of shrines temples holy places and pilgrimage sites sacred to the world s major religious traditions and illustrates their elemental place in human culture As interest increases in the role of world religions in history and international affairs the new edition of Encyclopedia of Sacred Places which arrives 15 years after the publication of the original edition provides new and updated information on site specific religious practice and spiritually significant locations around the globe While many of the entries describe specific places like the Erawan Shrine and the Rock of Cashel others examine types of sacred sites pilgrimages and practices With articles that describe both the places and their associated traditions and history this reference book reveals the enormous diversity and cultural significance of religious practice worldwide For students and teachers of classes ranging from high school geography to university level courses in religious studies geography anthropology and sociology this book provides essential reference on places of great significance to the world s various faith traditions *The Other Mary Shelley* Audrey A. Fisch, Anne Kostelanetz Mellor, Esther H. Schor, 1993 Although Frankenstein is now widely read little attention has been paid to the considerable corpus of Mary Shelly s other works Ironically the excitement of the last decade of feminist approaches to Frankenstein has obscured the persona of its author This book presents the other Mary Shelley the writer whose shrewd assessments of Romanticism gender and society resonate strongly in the setting of contemporary politics culture and feminism [Sheela-na-gigs](#) Barbara Freitag, 2005-08-15 A study of the mysterious stone carvings of naked females exposing their genitals on medieval churches all over the British Isles *Consumption Of Culture* Ann Bermingham, John Brewer, 2013-09-13 Culture does not become culture until it is consumed This is the radical new interpretation of early modern social history presented in The Consumption of Culture 1600 1800 21 US and 4 european contributors from a wide range of historically oriented fields historians of society politics ideas science literature and the arts explore topics such as the formation of a culture consuming public the development of a literary canon the role of consumption in the formation of the modern state elite and popular

forms of cultural consumption and the place of women as consumers of culture

Veils, Nudity, and Tattoos Thorsten Botz-Bornstein, 2015-08-27 At first sight tattoos nudity and veils do not seem to have much in common except for the fact that all three have become more frequent more visible and more dominant in connection with aesthetic presentations of women over the past thirty years No longer restricted to biker and sailor culture tattoos have been sanctioned by the mainstream of liberal societies Nudity has become more visible than ever on European beaches or on the internet The increased use of the veil by women in Muslim and non Muslim countries has developed in parallel with the aforementioned phenomena and is just as striking Through the means of conceptual analysis Veils Nudity and Tattoos The New Feminine Aesthetics reveals that these three phenomena can be both private and public humiliating and empowering and backward and progressive This unorthodox approach is traced by the three s similar social and psychological patterns and by doing so Veils Nudity and Tattoos hopes to sketch the image of a woman who is not only sexually emancipated and confident but also more and more aware of her cultural heritage

Eye of Newt and Toe of Frog, Adder's Fork and Lizard's Leg Marty Crump, Dante Bruce Fenolio, 2015-11-16 Recent estimates suggest that nearly 3 million people in the US alone keep an amphibian or reptile as a pet YouTube videos with odes to cane toads are ubiquitous And yet amphibians and reptiles also keep extermination companies in business and are reviled by many These emotions pose great challenges to the conservation of these species just as their populations in the natural world are in great decline It can be quite hard to inspire stewardship of a tomato toad in the same way that one can more generally charismatic fauna like pandas and polar bears In response herpetologists have created large scale programs such as Amphibian Ark the umbrella organization behind the Year of the Frog campaign <http://www.amphibianark.org> to educate and enthrall citizens with the charm of the more slimy species of the planet Few herpetologists have contributed more to the conservation of amphibians and reptiles than Marty Crump a renowned expert on declining amphibians This manuscript is her ode to the toad a masterful compilation of science and narrative centering on human relations with amphibians and reptiles across the globe

An intrepid explorer and skilled writer Crump has gathered stories and myths and paired them with natural history to give a wonderful view of how essential amphibians and reptiles are to our well being Using symbolism folklore and science the manuscript also explores the conservation consequences of our complicated amorous and vexed affair with snakes frogs toads and other herpetofauna *D. H. Lawrence and Feminism* Hilary Simpson,2024-04-01 First published in 1982 D H Lawrence and Feminism discusses Lawrence s work by examining it in relation to aspects of women s history and the development of feminism Two different modes of pre war feminism which provide important themes in Lawrence s early writings are examined in the opening chapters The central chapters deal with the war both as a catalyst for major changes in the position of women and as a point of no return in the development of Lawrence s work A final chapter looks at the way in which Lawrence used women as collaborator and their writing as source material This book will be of interest to students of literature women s studies and history **Women in Christianity in the Modern Age** Lisa Isherwood,Megan Clay,2021-12-30 Women in Christianity in the Modern Age examines the role of women in Christianity in the 20th and early 21st Centuries This edited volume includes eight important contributions from academics in the field The modern era has been an age of social and religious upheaval and the ravages of global warfare and changes to women s role in society have made the examination of the place of women in religion a key question in theology From theological concerns engagements with the biblical texts by feminist and anti feminist theologians the modern role of Mary and women saints to political and social debates on women s ministry and place in society and cultural shifts as expressed through theologically inspired artwork by women Women in Christianity in the Modern Age provides an overview and in depth studies of a tumultuous and changing era This insightful text will be of key interest to students and scholars in Religion and Cultural Studies *The Sex of Men in Premodern Europe* Patricia Simons,2011-10-13 A richly textured cultural history that investigates the characterization of the sex of adult male bodies before the Enlightenment **Deconstructing Masculinity: Interrogating the Role of Symbolism in Gender Performativity** Lauren Dundes ,Michael Macaluso,2024-09-19 Progress towards gender parity is hindered by unconscious ways that hypermasculinity is valorized at a symbolic level By deconstructing how social and textual phenomena as well as social structures contribute to gender performativity we can elucidate hard to discern patterns that perpetuate hegemonic masculinity The subliminal elevation of symbols of hypermasculinity excludes both women and non gender conforming men By delving into these symbolic meanings that operate subliminally we can more effectively debunk beliefs that real men fall within narrow parameters of masculinity There remains much to explore in terms of hidden pressures for men to constrain their expression of emotions project an appearance of hardness and equate violence with power to name just a few persistent facets of toxic masculinity While abstract forms of inculcating hypermasculinity are difficult to identify interrogating their role in masculine performativity will result in a more comprehensive understanding of impediments to gender equality Sex Symbolism in Religion James Ballantyne Hannay,1922 Seeing in the Dark Bert O.

States,1997-01-01 Explores the nature of dream imagery the metaphorical processes in dreaming and the nature and sources of dream narratives **Religion & Sex: Studies in the Pathology of Religious Development** Chapman

Cohen,2019-12-12 In Religion Sex Studies in the Pathology of Religious Development Chapman Cohen presents a compelling analysis of the intertwining of sexuality and religious belief The book employs a critical lens to explore the pathological aspects of religious development examining how religious doctrines often shape and constrain human sexuality Cohen s literary style is marked by a rigorous yet accessible prose grounding his arguments in psychological and sociological theories while engaging with contemporary debates surrounding morality and sexual freedom This work positions itself within the broader context of early 20th century secular humanism challenging the traditional narratives that demonize sexual expression as inherently sinful or deviant Chapman Cohen 1868 1954 a prominent figure in the secularist movement and an advocate for rational thought drew on his background in philosophy and psychology to dissect the often hypocritical attitudes towards sex within religious practices His own experiences as a Freethinker and writer coupled with a desire to promote sexual enlightenment led him to confront the complex relationship between religion and human desire aiming to liberate individuals from societal constraints Given its thoughtful exploration of neglected themes and its blending of critical analysis with insight Religion Sex is essential reading for those interested in the intersection of sociology psychology and religious studies Cohen s work challenges readers to reconsider their own beliefs and the broader societal implications of religious dogma on sexuality **Secret of Regeneration** Hilton Hotema,1998
