Sexual Love And Western Morality:

Sexual Love and Western Morality Donald Phillip Verene, 1995-01 This volume contains a classical intellectually sound set of philosophical selections on sexuality and sexual love It is historically ordered using selections from the major figures in Western thought from Plato to the present in order to show the derivation of our current Western attitudes toward this topic In the thought of these philosophers lie the origins of our contemporary views of sex This book presents a broad picture of some of what has been thought about sex and sexual morality over the ages Consideration of the issues and ideas raised in this book is necessary to an understanding of contemporary arguments that assume much of this history and often assume it quite selectively The power of this collection of writings is in its simplicity and its imagination the fundamental thoughts against which any view of sexual love must be formed are contained in this book **Sexual Love and Western Morality**

Donald Phillip Verene, 1995 Considered as a form of love sex is clearly involved in the total set of ethical relationships that exists between persons and is therefore ethically significant **Sexual Love and Western Morality** D P Verene, Donald Phillip Verene, 1976

Bioethics Nancy Ann Silbergeld Jecker, Albert R. Jonsen, Robert A. Pearlman, 1997 This book is one of the only texts to cover the history methodology and practice of bioethics Compiling articles from well established bioethical thinkers Jecker et al have created an edited volume unique in its scope of topics addressed Bioethics will find use for both graduate students and professional students in law medicine nursing or other health related fields who will face bioethical issues in future careers **Sex, Love, and Friendship**, 2022-07-18 This collection joins together sixty essays on the

philosophy of love and sex Each was presented at a meeting of The Society for the Philosophy of Sex and Love held between 1977 and 1992 and later revised for this edition Topics addressed include ethical and political issues AIDS abortion homosexual rights and pornography conceptual matters the nature essence or definition of love friendship sexual desire and perversion the study of classical and historical figures Plato Aristotle Spinoza Kant and Kierkegaard and issues in feminist theory sexual objectification the social construction of female sexuality reproductive and marital arrangements Authors include Jerome Shaffer Sandra Harding Michael Ruse Richard Mohr Russell Vannoy Claudia Card M C Dillon Gene Fendt Steven Emmanuel T F Morris Timo Airaksinen and Sylvia Walsh The editor who is the author of *Pornography* 1986 *The Structure of Love* 1990 and *Sexual Investigations* 1996 has also contributed six pieces and an Introduction *The*

Philosophy of (erotic) Love Robert C. Solomon, Kathleen Marie Higgins, 1991 Solomon and Higgins have chosen excerpts from the great philosophical texts and combined them with the most exciting new work of philosophers writing today It examines the mysteries of erotic love from a variety of philosophical perspectives and provides an impressive display of wisdom that the world's best thinkers have brought and continue to bring to the study of love *Good Sex* Raymond A. Belliotti, 1993

Rules about sexuality written and unwritten have existed in every culture as have disagreements over what is and isn't acceptable Must morally permissible sex have only one function Must it be heterosexual Must it occur within the confines of

the institution of marriage Must it be accompanied by requisite emotions such as love and intimacy The Phenomenology of Sex, Love, and Intimacy Susi Ferrarello,2019-01-24 The Phenomenology of Sex Love and Intimacy presents a phenomenological exploration of love as it manifests itself through sexual desires and intimate relationships Setting up a unique dialogue between psychology and philosophy Susi Ferrarello offers a perspective through which clinicians can inform their practice on diverse issues of human sexuality Drawing on Husserl s phenomenology Ferrarello s analysis of love spans a range of disciplines including psychology theology biology epistemology and axiology as well as areas related to gender consent and political control Combining Husserlian perspectives on ethics with a focus on lived experience this text will deepen therapists understanding of love as the subject of interdisciplinary inquiry and enable them to locate questions of sexuality and intimacy within an academic framework With key theoretical principles included to allow clinicians to think through and clarify their practice this book will be a valuable tool for sex therapists marriage and family therapists and counselors as well as psychology and philosophy students alike **Philosophy and Desire** Hugh J. Silverman,2014-04-23 Philosophy and Desire the seventh book in the well known Continental Philosophy series examines questions of desire desire for another person desire for happiness desire for knowledge desire for a better world desire for the impossible desire in text desire in language and desire for desire itself The theme of desire is explored through readings of contemporary figures such as Merleau Ponty Bataille Sartre de Beauvoir Levinas Irigaray Barthes Derrida and Derrida A hot timely topic in philosophy today Expands the contemporary debates *Beyond Romance* M. C. Dillon,2001-10-11 Critiques the predominant romantic ideal Sexualities: Difference and the diversity of sexualities Kenneth Plummer,2002 Volume 3 Difference and Diversity of Sexualities This section examines the politics power and critique of sexual categories including bisexuality sex addiction prostitution and sadomasochism *The Seven Deadly Sins* Stanford M. Lyman,1989-01-01 When Stanford M Lyman authored The Seven Deadly Sins Society and Evil in 1978 it was hailed by Alasdair MacIntyre as a book of absorbing interest and importance_ that places us all in his debt By Nelson Hart as a masterful and thought provoking book_ that is the only scholarly treatment of sin that is so well informed by the best of ancient through modern perspectives By James A Aho as a work whose abstract hardly does justice to the scholarly and detailed analysis of sin And by Harry Cohen as a book_ that stands as a beautiful illustration of what holistic idiosyncratic interdisciplinary and creative thinking and writing can bring to bear on the age old problem of society and evil The American Sociological Association s section on the Sociology of the Emotions selected this book as one of the works that laid the foundations for the study of pride lust envy and anger basic sentiments embedded in the social process For this revised and expanded edition Lyman has written a new chapter Sentiments Sin and Social Conflict Toward a Sociology of the Emotions The new edition will be a valuable work for courses in social psychology ethics deviance and the sociology of morals and of religion **New Approaches in History and Theology to Same-Sex Love and Desire** Mark D. Chapman,Dominic Janes,2018-02-15 This book offers a range of

interdisciplinary evaluations of the history of same sex relationships in the Church as they have been understood in different periods and contexts The relationships between diverse forms of religious and sexual identities have been widely contested in the media since the rise of the lesbian and gay liberation movement in the 1970s One of the key images that often appears in public debate is that of lesbians and gays in the Church as a significant problem Research over the past forty years or so into queer theology and the history of same sex desire has shown that such issues have played an important role in the story of Christianity over many centuries The contributors to this volume have all been inspired by the challenges of such revisionist study to explore religion and same sex desire as a field of opportunity for investigation and debate They uncover some of the hidden histories of the Church and its theologies they tell sometimes unexpected stories many of which invite serious further study It is quite clear through history that some in the churches have been at the vanguard of legislative and social change Similarly some churches have offered safe queer spaces Overall these essays offer new interpretations and original research into the history of sexuality that helps inform the contemporary debate in the churches as well as in the academy

Introduction to Western Moral Philosophy Michael J. Langford, 2018-11-01 Designed for an international readership *Introduction to Western Moral Philosophy* combines examination of critical thinking with an account of key philosophers in the moral philosophical tradition These philosophers are not taken as authorities to be blindly followed but as thinkers whose key insights no subsequent philosopher can ignore The book is based on lectures given in Canada and Cambridge at first year university level

Ethics and Sex Igor Primoratz, 2003-09-02 *Ethics and Sex* presents a systematic study of the nature and moral significance of human sexuality and of the major issues in sexual morality The book is divided into two main parts Part One gives a critical analysis of the key conceptions of human sexuality Part Two discusses the most important issues in sexual morality monogamy adultery prostitution homosexuality paedophilia sexual harassment and rape In this controversial and accessible book the author demonstrates that many of the prohibitions that make up conventional sexual morality cannot withstand critical scrutiny

The Philosophy of Sex Raja Halwani, Alan Soble, Sarah Hoffman, Jacob M. Held, 2017-09-15 This best selling volume examines the nature morality and social meanings of contemporary sexual phenomena Updated and new discussion questions offer students starting points for debate in both the classroom and the bedroom

Virtue Ethics, Old and New Stephen M. Gardiner, 2018-08-06 There are grounds for saying that contemporary work in virtue ethics is if not quite in its theoretical infancy at least not far out of diapers And this suggests that we should be gentle and nurturing allowing it time to flourish before coming to any definitive verdict on its merits However it is hard to deny that modern day virtue ethics is part of a long sophisticated and fairly continuous tradition Not only does the approach have origins almost as ancient as philosophy itself but its history also includes extensive work by such philosophical luminaries as at least Socrates Plato Aristotle the Stoics Aquinas and perhaps Hume and Nietzsche And this suggests that we should already be in a good position to assess its appeal from the Introduction In *Virtue Ethics Old and New* ten philosophers

seek to enrich the contemporary understanding and development of virtue ethics through a detailed examination of some key contributions from its past Their essays demonstrate the continuing relevance of the history of moral philosophy to contemporary debates

Narrative of Chinese and Western Popular Fiction Yonglin Huang, 2018-09-26 This book presents a comprehensive and systematic study of the narrative history and narrative methods of Chinese and Western popular fiction from the perspectives of narratology comparative literature and art and literature studies by adopting the methodology of parallel comparison The book is a pioneering work that systematically investigates the similarities and differences between Chinese and Western popular fiction and traces the root causes leading to the differences By means of narrative comparison it explores the conceptual and spiritual correlations and differences between Chinese and Western popular fiction and by relating them to the root causes of cultural spirit allows us to gain an insight into the cultural heritage of different nations The book is structured in line with a cause and effect logical sequence and moves from the macroscopic to the microscopic from history to reality and from theory to practice The integration of macro level theoretical studies and micro level case studies is both novel and effective This book was awarded Second Prize at the Sixth Outstanding Achievement Awards in Scientific Research for Chinese Institutions of Higher Learning Humanities Social Sciences 2013

Media Consumption and Everyday Life in Asia Youna Kim, 2008-06-30 This book explores people's everyday experience of the media in Asian countries in confrontation with huge social change and transition and the need to understand this phenomenon as it intersects with the media It argues for the centrality of the media to Asian transformations in the era of globalization The profusion of the media today with new imaginations new choices and contradictions generates a critical condition for reflexivity engaging everyday people to have a resource for the learning of self culture and society in a new light Media culture is creating new connections new desires and threats and the identities of people are being reworked at individual national regional and global levels Within historically specific social conditions and contexts of the everyday the chapters seek to provide a diversity of experiences and understandings of the place of the media in different Asian locations This book considers the emerging consequences of media consumption in people's everyday life at a time when the political socio economic and cultural forces by which the media operate are rapidly globalizing in Asia

Sex and Reason Richard A. Posner, 2009-07-01 Sexual drives are rooted in biology but we don't act on them blindly Indeed as the eminently readable judge and legal scholar Richard Posner shows we make quite rational choices about sex based on the costs and benefits perceived Drawing on the fields of biology law history religion and economics this sweeping study examines societies from ancient Greece to today's Sweden and issues from masturbation incest taboos date rape and gay marriage to Baby M The first comprehensive approach to sexuality and its social controls Posner's rational choice theory surprises explains predicts and totally absorbs

Sexual Love And Western Morality Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sexual Love And Western Morality has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sexual Love And Western Morality has opened up a world of possibilities. Downloading Sexual Love And Western Morality provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sexual Love And Western Morality has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sexual Love And Western Morality. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sexual Love And Western Morality. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sexual Love And Western Morality, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sexual Love And Western Morality has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security

when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
