Sexual Morality Modern Revivals In Philosophy S:

Revival: Contemporary Indian Philosophy (1936) S. Radhakrishnan, J. H. Muirhead, 2018-12-20 The book includes essays which are all written by philosophers of or about forty five years of age They fall into two main groups those in which the writer devotes himself chiefly to the exposition of the great Vedic tradition as he has apprehended it and made it the basis of his own life's work and those in which the writer while on the whole remaining true to the spirit of that tradition has sought to give new interpretations of it either by instituting comparisons of it with the Western doctrines most closely allied to it or by treating of modern problems in a way which though suggested by what he has learned from the West is yet stamped with the mark of his own racial sympathy Western readers will naturally find the latter group more attractive but this volume will have failed of its purpose if it does not give them some sense of the truth that underlies even the essays with which owing to the presuppositions in which these are founded they find themselves least in sympathy *Recreating Sexual Politics*

(Routledge Revivals) Victor Seidler, 2009-12-15 This thought provoking book first published in 1991 examines sexual politics in a world which is being radically changed by the challenges of feminism Seidler explores how men have responded to feminism and the contradictory feelings men have towards dominant forms of masculinity Seidler's stimulating and original analysis of social and political theory connects personally to everyday issues in people's lives It reflects the growing importance of sexual and personal politics within contemporary politics and culture and demonstrates clearly the challenge that feminism brings to our inherited forms of morality politics and sexuality **Contemporary Debates in Social**

Philosophy Laurence Thomas, 2009-02-04 In this important and engaging volume international scholars present opposing viewpoints to debate ten of the most important issues in contemporary social philosophy Provides an original analysis of some of society's most pressing issues Written by an outstanding cast of international scholars Issues covered include the nature of freedom the limits of religious tolerance affirmative action parenting the death penalty privacy violence world hunger social diversity homosexuality and abortion Invites the reader to participate in the exchange of arguments

Whitaker's Books in Print, 1998 **Philosophy of Love, Sex, and Marriage** Raja Halwani, 2018-01-29 How is love different from lust or infatuation Do love and marriage really go together like a horse and carriage Does sex have any necessary connection to either And how important are love sex and marriage to a well lived life In the Second Edition of this lively lucid and comprehensive book Raja Halwani explores and elucidates the nature uses and ethics of romantic love sexuality and marriage It is structured in three parts Love examines the nature of romantic love and how it differs from other types of love such as friendship and parental love It also investigates the relationship of love to morality and asks what limits morality puts on romantic love and even whether romantic love is inherently moral Sex demonstrates the difficulty in defining sex and the sexual and examines what constitutes good and bad sex in terms of pleasure naturalness and moral permissibility It discusses the nature of sexual desire and its connection to objectification and virtue all the while looking at specific sexual

engagements such as pornography BDSM and raced desires Marriage traces the history of the institution and describes the various forms in which marriage exists and the reasons why people marry It also investigates the necessity of marriage and ways in which it requires reform Updates and Revisions in the Second Edition Expands the coverage of love and morality from one to two chapters incorporating much of the recent literature on love as a moral emotion Includes a new chapter on sex and virtue ethics Ends each of the chapters on sex with an applied topic such as pornography BDSM prostitution racial sexual desires and adultery Increases coverage of the nature and purpose of marriage including debates surrounding same sex marriage but also moving beyond these debates to include issues on minimal marriage temporary marriage polygamy and other forms of marriage Updates the Further Reading and Study Questions sections at the end of each chapter and provides an up to date comprehensive bibliography at the back of the book Includes new discussions of topics on the nature of love love and reasons distinctions between two types of romantic love love and its connections to moral theories definitions of crucial sexual concepts objectification virtue and sex racial sexual desires and the definition of marriage and whether it is important as an institution *Revival: Fertility and Sterility in Marriage (1929)* Theodoor Hendrik van de Velde, 2018-12-18 In this work the eminent Dutch physician offers for the intelligent layman as well as for doctors psychologists teachers and social workers a guide to the causes and effects of fertility and sterility This book is the third and last volume in Dr Theodoor Hendrik van de Velde s trilogy on the problems of marriage and this book completes his internationally authoritative work on eugenics and volitional sex behavior Following his other book *Ideal Marriage and Sexual Tensions in Marriage* this book considers such problems as sexual abstinence and excess family limitation the achievement of desired pregnancy the causes and consequences physically and emotionally and sterility in women and impotence in men artificial insemination and the delicate personal and social aspects of undesired conception Scientific in its approach and simple in its presentation this book is for doctors and laymen It offers information that contributes to a healthier understanding of voluntary and planned conception and helps safeguard happiness in marriage *Sexual Morality* Philip S. Keane, 1977 **Revival: A History of Modern Culture: Volume I (1930)** Preserved Smith, 2019-07-16 The best excuse for writing the history of anything is the intrinsic interest of the subject Most men of past generations have thought and many men still think of politics as the warp and woof of social life History for a long time therefore treated chiefly politics Then came the economists to arouse the interest of scholars and of the public in the production and distribution of wealth Economic history rightly absorbs much attention for it illumines with its new searchlight many a dark corner of the past and explains many features of present day society But to many men today the most interesting thing about society is its culture just as the most interesting thing about an individual is his thought Indeed it has begun to be suspected that even politics and economics each sometimes worshipped as a First Cause are but secondary effects of something still deeper namely of the progress of man s intellectual life The present volume aims to exhibit as a unified whole the state and progress of modern culture *The Philosophy of Sex* Raja

Halwani, Alan Soble, Sarah Hoffman, Jacob M. Held, 2017-09-15 This best selling volume examines the nature morality and social meanings of contemporary sexual phenomena Updated and new discussion questions offer students starting points for debate in both the classroom and the bedroom The Coming Fin De Siècle (Routledge Revivals) Stjepan Mestrovic, 2010-11 First Published in 1991 this book attempts to show the relevance of Durkheim's sociology to the debate on modernity and postmodernism It does so by examining how Durkheim's ideas can be applied to current social issues The author argues that there are striking parallels between the social context of the 1890s when Durkheim began to publish in book form and today The book will appeal to the readers of sociology as well as the related disciplines of philosophy psychology cultural studies and history It is also intended for anyone interested in the issues and questions that were being raised as humanity approached the end of the twentieth century and the end of the millennium The Collaborative Bibliography of Women in Philosophy Noël Hutchings, 1997 **Philosophy, History, and Theology** Alan P.F. Sell, 2012-04-06 Alan Sell here presents a selection of his wide ranging informative and entertaining reviews Among philosophical themes discussed are Locke and the Enlightenment Richard Price John Stuart Mill philosophical idealism and analytical philosophy of education and of religion Historical studies run from the Middle Ages onwards and encompass English Welsh and Scottish Nonconformity the Evangelical Revival the Oxford Movement theological education American Reformed thinkers the crisis of belief and the Social Gospel in Canada and evangelical and liberal theology Theological topics include Origen Calvin and Dutch Reformed thinkers American Baptists Mercersburg Theology Scottish theology liberation theology assurance the atonement ecclesiology ecumenism art and theology Christian ethics worship and spirituality **Contemporary Political Philosophy: An Anthology** Robert E. Goodin, Philip Pettit, 2019-05-07 The revised and updated edition of Goodin and Pettit's highly acclaimed contemporary political philosophy anthology bringing together the field's most important readings in a single volume Unparalleled in the breadth and scope of its coverage this newly revised third edition traces the evolution of political philosophy as a contemporary practice and raises important questions about the impact of current political events Fully updated to include 49 contemporary and classic selections from the most distinguished scholars in political philosophy Offers expanded coverage of international affairs and political oppression Includes essays which represent a diversity of political and ideological positions and features interdisciplinary voices in politics law and economics Edited by two of the field's most highly respected scholars The ideal collection of primary readings to accompany the Companion to Contemporary Political Philosophy Second Edition Wiley Blackwell 2012 for coursework in political philosophy **The Blackwell Companion to Philosophy** Nicholas Bunnin, Eric Tsui-James, 2003 An introduction to philosophy looks at key issues figures and movements in the field **The Philosopher's Index** Richard H. Lineback, 1978 *Logic and Sexual Morality* John Wilson, 1965 This philosophical study examines the way in which we think argue feel and act about sex By extension the author also relates this to the problems of morality and sexual behaviour in society **Thinking Through Rituals** Kevin Schilbrack, 2004-08-02

Many philosophical approaches today seek to overcome the division between mind and body. If such projects succeed then thinking is not restricted to the disembodied mind but is in some sense done through the body. From a post Cartesian perspective then ritual activities that discipline the body are not just thoughtless motions but crucial parts of the way people think. *Thinking Through Rituals* explores religious ritual acts and their connection to meaning and truth, belief, memory, inquiry, worldview and ethics. Drawing on philosophers such as Foucault, Merleau-Ponty and Wittgenstein and sources from cognitive science, pragmatism and feminist theory, it provides philosophical resources for understanding religious ritual practices like the Christian Eucharistic ceremony, Hatha Yoga, sacred meditation or liturgical speech. Its essays consider a wide variety of rituals in Christianity, Judaism, Hinduism and Buddhism, including political protest rituals and gay commitment ceremonies, traditional Vedic and Yogic rites, Christian and Buddhist meditation and the Jewish Shabbat. They challenge the traditional disjunction between thought and action, showing how philosophy can help to illuminate the relationship between doing and meaning which ritual practices imply.

Sociology (Routledge Revivals) T. B. Bottomore, 2010. First published in 1962, this seminal work is an introduction to sociology in a world context and a sophisticated guide to the major themes, problems and controversies in contemporary sociology. The book remains unique in its organisation and presentation of sociological ideas and problems, in its lack of insularity, its wide coverage of diverse types of society and of sociological thought from various cultural traditions, and in its systematic connection of sociology with the broad themes of modern social and political thought.

The New Statesman, 1920. Multiple Moralities and Religions in Post-Soviet Russia Jarrett Zigon, 2011-09-01. In the post-Soviet period, morality became a debatable concept open to a multitude of expressions and performances. From Russian Orthodoxy to Islam, from shamanism to Protestantism, religions of various kinds provided some of the first possible alternative moral discourses and practices after the end of the Soviet system. This influence remains strong today. Within the Russian context, religion and morality intersect in such social domains as the relief of social suffering, the interpretation of history, the construction and reconstruction of traditions, individual and social health and business practices. The influence of religion is also apparent in the way in which the Russian Orthodox Church increasingly acts as the moral voice of the government. The wide-ranging topics in this ethnographically based volume show the broad religious influence on both discursive and everyday moralities. The contributors reveal that although religion is a significant aspect of the various assemblages of morality, much like in other parts of the world, religion in postsocialist Russia cannot be separated from the political or economic or transnational institutional aspects of morality.
