Female Subjects in Black and White Elizabeth Abel, Barbara Christian, Helene Moglen, 2023-09-01 This landmark collaboration between African American and white feminists goes to the heart of problems that have troubled feminist thinking for decades Putting the racial dynamics of feminist interpretation center stage these essays question such issues as the primacy of sexual difference the universal nature of psychoanalytic categories and the role of race in the formation of identity They offer new ways of approaching African American texts and reframe our thinking about the contexts discourses and traditions of the American cultural landscape Calling for the racialization of whiteness and claiming that psychoanalytic theory should make room for competing discourses of spirituality and diasporic consciousness these essays give shape to the many stubborn incompatibilities as well as the transformative possibilities between white feminist and African American cultural formations Bringing into conversation a range of psychoanalytic feminist and African derived spiritual perspectives these essays enact an inclusive politics of reading Often explosive and always provocative **Female Subjects in Black and White** models a new cross racial feminism This landmark collaboration between African American and white feminists goes to the heart of problems that have troubled feminist thinking for decades Putting the racial dynamics of feminist interpretation center stage these essays question such issues

Writing African American Women Elizabeth A. Beaulieu, 2006-04-30 Women have had a complex experience in African American culture The first work of its kind this encyclopedia approaches African American literature from a Women s Studies perspective While Yolanda Williams Page s *Encyclopedia of African American Women Writers* provides biographical entries on more than 150 literary figures this book is much broader in scope Included are several hundred alphabetically arranged entries on African American women writers as well as on male writers who have treated women in their works Entries on genres periods themes characters historical events texts places and other topics are included as well Each entry is written by an expert contributor and relates its subject to the overall experience of women in African American literature Entries cite works for further reading and the encyclopedia closes with a selected general bibliography African American culture is enormously diverse and the experience of women in African American society is especially complex Women were among the first African American writers and works by black women writers are popular among students and general readers alike At the same time African American women have been oppressed and texts by black male authors represent women in a variety of ways The first of its kind this encyclopedia approaches African American literature from a Women s Studies perspective

and thus significantly illuminates the African American cultural experience through literary works Included are several hundred alphabetically arranged entries written by numerous expert contributors In addition to covering male and female African American authors the encyclopedia also discusses themes major works and characters genres periods historical events places and other topics Included are entries on such authors as Maya Angelou James Baldwin Frederick Douglass Nikki Giovanni June Jordan Claude McKay Ishmael Reed Sojourner Truth Phillis Wheatley And many others In addition the many works discussed include *Beloved* *Blanche on the Lam* *I know Why the Caged Bird Sings* *The Men of Brewster Place* *Quicksand* *The Street* *Waiting to Exhale* And many more The many topical entries cover Black Feminism Black Nationalism Conjuring Children s and Young Adult Literature Detective Fiction Epistolary Novel Motherhood Sexuality Spirituality Stereotypes And many others Entries relate their topics to the experience of African American women and cite works for further reading Features and Benefits Includes hundreds of alphabetically arranged entries Draws on the work of numerous expert contributors Includes a selected general bibliography Offers a range of finding aids such as a list of entries a guide to related topics and an extensive index Supports the literature curriculum by helping students analyze major writers and works Supports the social studies curriculum by helping students use literature to understand the experience of African American women Covers the full chronological range of African American literature Fosters a respect for cultural diversity Develops research skills by directing students to additional sources of information Builds bridges between African American history literature and Women s Studies

Writings on Black Women of the Diaspora Lean'tin Bracks, 2019-05-23 Toni Morrison Alice Walker Paule Marshall and Mary Prince represent the best of African American women writers who draw on the tortuous legacy of their people as a source for their art revealing and defining themselves as they create compelling narratives that illuminate their roots their heritage and their unique culture The themes that suffuse their writing are family community strong women cultural memory oral history and slavery By analyzing the works of these four remarkable writers the study shows how today s black woman can take control of her destiny by coming to grips with an obscured and distorted past These original essays articulate the way in which historical awareness sensitivity to language and an understanding of stereotypes can empower enduring artistic visions in a world that is largely indifferent to marginal voices

The Foremother Figure in Early Black Women's Literature Jacqueline K. Bryant, 2018-10-29 Originally published in 1999 The Foremother Figure in Early Black Women s Literature looks at how stereotypical foremother figure exists in nineteenth century American literature The book argues that older black woman portrayed in early black women s works differs significantly from the older black women portrayed in early white women s works The foremother figure then emerging in early black women s fiction revises the stereotypical mother figure in early white women s fiction In the context of the mulatta heroine the foremother produces minimal language that through an Afrocentric rhetoric distinguishes her from the stereotypical mother and thus links her peripheral role and unusual behaviour to cultural continuity and radical uplift

The Cambridge Companion to African American Women's Literature Angelyn Mitchell, Danille K. Taylor, 2009-04-30 The Cambridge Companion to African American Women's Literature covers a period dating back to the eighteenth century These specially commissioned essays highlight the artistry complexity and diversity of a literary tradition that ranges from Lucy Terry to Toni Morrison A wide range of topics are addressed from the Harlem Renaissance to the Black Arts Movement and from the performing arts to popular fiction Together the essays provide an invaluable guide to a rich complex tradition of women writers in conversation with each other as they critique American society and influence American letters Accessible and vibrant with the needs of undergraduate students in mind this Companion will be of great interest to anybody who wishes to gain a deeper understanding of this important and vital area of American literature *Post-Soul Nation* Nelson George, 2005-04-26 One of the foremost chroniclers of the contemporary black experience offers an undeluded perspective on the 1980s Here are crack AIDS and the Reagan rollback of the major advances of the civil rights movement But Nelson George also shows how black performers athletes and activists made increasing inroads into the mainstream This fast paced chronological retrospective profiles personalities from Bill Cosby to Louis Farrakhan and explores such flashpoints as the first rap single and the infamous Willie Horton ad campaign On the web <http://www.nelsongeorge.com> **Encyclopedia of Contemporary Literary Theory** Irene Rima Makaryk, 1993-01-01 The last half of the twentieth century has seen the emergence of literary theory as a new discipline As with any body of scholarship various schools of thought exist and sometimes conflict within it I R Makaryk has compiled a welcome guide to the field Accessible and jargon free the Encyclopedia of Contemporary Literary Theory provides lucid concise explanations of myriad approaches to literature that have arisen over the past forty years Some 170 scholars from around the world have contributed their expertise to this volume Their work is organized into three parts In Part I forty evaluative essays examine the historical and cultural context out of which new schools of and approaches to literature arose The essays also discuss the uses and limitations of the various schools and the key issues they address Part II focuses on individual theorists It provides a more detailed picture of the network of scholars not always easily pigeonholed into the categories of Part I This second section analyses the individual achievements as well as the influence of specific scholars and places them in a larger critical context Part III deals with the vocabulary of literary theory It identifies significant complex terms places them in context and explains their origins and use Accessibility is a key feature of the work By avoiding jargon providing mini bibliographies and cross referencing throughout Makaryk has provided an indispensable tool for literary theorists and historians and for all scholars and students of contemporary criticism and culture **African American Women's Literature in Spain** Sandra Llopart Babot, 2023-05-31 This volume brings forward a descriptive approach to the translation and reception of African American women's literature in Spain Drawing from a multidisciplinary theoretical and methodological framework it traces the translation history of literature produced by African American women seeking to uncover changing strategies in translation policies as well as

shifts in interests in the target context and it examines the topicality of this cohort of authors as frames of reference for Spanish critics and reviewers Likewise the reception of the source literature in the Spanish context is described by reconstructing the values that underlie judgements in different reception sources Finally this book addresses the specific problem of the translation of Black English into Spanish More precisely it pays attention to the ideological and the ethical implications of translation choices and the effect of the latter on the reception of literary texts *Native Sons in No Man's Land* Philip Auger, 2000 The four writers chosen for this study James Baldwin Alice Walker John Edgar Wideman and Ernest Gaines were chosen because of their shared approach to rewriting such negative narratives of black manhood Each of these writers approaches self definition and more specifically the writing of oneself as a man as contingent on controlling discourse having some power over language and thus having the power to define the self And each of the selected works explores the possibilities of black manhoods that are humane and dignified The discursive negotiations involved in rewriting identity pose an extremely complex set of challenges associated with the realm of definition used to control the powerful signifier manhood

From introduction **Black Feminist Thought, 30th Anniversary Edition** Patricia Hill Collins, 2022-05-16 In the first major update to this classic book in many years Collins traces the history and contours of Black women's ideas and actions to argue that Black feminist thought is the discourse that fosters Black women's survival persistence and success against the odds Through meticulous research that synthesizes the important intellectual work done by Black women Collins's timely update demonstrates that Black women's ideas and actions are not marginal concerns but rather are central to the future of social justice within democratic societies The combination of the text's classic arguments and a preface and epilogue written expressly for this edition speak to people who have long been working on social justice and to a new generation of readers who are encountering the ideas and actions of Black women for the first time For this 30th year anniversary edition Patricia Hill Collins examines how the ideas in this classic text speak to contemporary social issues and identifies the directions needed for the future of Black feminist thought
