Sexual Orientation and Identity Heather Wishik, Carol Pierce, 1995-01-01 A thought provoking model and diagram show our paths to understanding sexual identities Insight objectivity and compassion are brought to a difficult subject The journey model used here recognizes that human development in understanding our behavior and effect on others is a process over time Questions asked are How do you know your sexual orientation What was your process of figuring out your sexual orientation and constructing your sexual identity These are proposed for heterosexual lesbian gay and bisexual people in particular

Violence and Social Injustice Against Lesbian, Gay, and Bisexual People Lacey Sloan, Nora Gustavsson, 2014-07-16 Violence and Social Injustice Against Lesbian Gay and Bisexual People helps you look past the stereotypical picture of violence against sexual minorities the public physical assaults on gay lesbian bisexual and transgendered youth by hypermasculine male thugs and directs you toward the many daily acts of quiet violence that go on unhindered in the workaday settings of our legal social educational and law enforcement institutions You will learn about the frightening prevalence of complacency homophobic ignorance and apathy that pervades our police departments courts high schools and churches Also armed with this critical insight and statistical research you will be better equipped to wage a non violent war of fairness and mutual respect against the daily senseless violence of policy and practice that threatens to render gay lesbian bisexual and transgendered people unwelcome and battered citizens in their own communities You will find that Violence and Social Injustice Against Lesbian Gay and Bisexual People is ideal for aiding social workers counselors teachers and criminal justice officials in removing the unseen acts of violence from the policies and practices of the public sector These and other specific areas will give you the information and the fortitude necessary to evoke positive change in your community legal issues relating to same sex marriage the connection between social injustice and violence violence against sexual minority youth sexual identity and ethnic minorities practice and policy recommendations As this book shows violence against sexual minorities can be subtly woven into the very fabric of some of our most long standing respected social institutions For too long the sexual minorities of color for example and the lesbian who suffers physical assault at the hands of a partner have had little or no help from social workers law enforcement or education for fear of receiving either complete negligence or increased antagonism But now in Violence and Social Injustice Against Lesbian Gay and Bisexual People you will find the facts and tools necessary for turning the ugliness of communal violence into social justice for people of all sexual orientations
