Sexual Politics:

Sexual Politics Kate Millett, 2000 Praised and denounced when it was first published in 1970 *Sexual Politics* not only explored history but also became part of it Kate Millett's groundbreaking book fueled feminism's second wave giving voice to the anger of a generation while documenting the inequities neatly packaged in revered works of literature and art of a complacent and unrepentant society *Sexual Politics* laid the foundation for subsequent feminist scholarship by showing how cultural discourse reflects a systematized subjugation and exploitation of women Millett demonstrates in detail how patriarchy's attitudes and systems penetrate literature philosophy psychology and politics Her incendiary work rocked the foundations of the literary canon by castigating time honored classics from D H Lawrence's *Lady Chatterley's Lover* to Norman Mailer's *The Naked and the Dead* for their use of sex to degrade and undermine women A new introduction to this edition draws attention to some of the forms patriarchy has taken recently in consolidating its oppressive and dangerous control

Sexual Politics in Modern Iran Janet Afary, 2009-04-09 Janet Afary is a native of Iran and a leading historian Her work focuses on gender and sexuality and draws on her experience of growing up in Iran and her involvement with Iranian women of different ages and social strata These observations and a wealth of historical documents form the kernel of this book which charts the history of the nation's sexual revolution from the nineteenth century to today What comes across is the extraordinary resilience of the Iranian people who have drawn on a rich social and cultural heritage to defy the repression and hardship of the Islamist state and its predecessors It is this resilience the author concludes which forms the basis of a sexual revolution taking place in Iran today one that is promoting reforms in marriage and family laws and demanding more egalitarian gender and sexual relations

Sexual Politics Kate Millett, 2016-02-16 A sensation upon its publication in 1970 *Sexual Politics* documents the subjugation of women in great literature and art Kate Millett's analysis targets four revered authors D H Lawrence Henry Miller Norman Mailer and Jean Genet and builds a damning profile of literature's patriarchal myths and their extension into psychology philosophy and politics Her eloquence and popular examples taught a generation to recognize inequities masquerading as nature and proved the value of feminist critique in all facets of life This new edition features the scholar Catharine A MacKinnon and the New Yorker correspondent Rebecca Mead on the importance of Millett's work to challenging the complacency that sidelines feminism

Sexual Politics, Sexual Communities John D'Emilio, 2012-04-26 With thorough documentation of the oppression of homosexuals and biographical sketches of the lesbian and gay heroes who helped the contemporary gay culture to emerge *Sexual Politics Sexual Communities* supplies the definitive analysis of the homophile movement in the U S from 1940 to 1970 John D'Emilio's new preface and afterword examine the conditions that shaped the book and the growth of gay and lesbian historical literature How many students of American political culture know that during the McCarthy era more people lost their jobs for being alleged homosexuals than for being Communists These facts are part of the heretofore obscure history of homosexuality in America a history that John

D Emilio thoroughly documents in this important book George DeStefano Nation John D Emilio provides homosexual political struggles with something that every movement requires a sympathetic history rendered in a dispassionate voice New York Times Book Review A milestone in the history of the American gay movement Rudy Kikel Boston Globe **Sexual Politics** Stephen Brooke,2011-11-24 Explores the complex relationship between sexuality and socialist politics in Britain arguing that sexuality has been a key though often neglected aspect of party politics in the last century and a half It also explores the relationship between the personal and the political in a wide ranging study of British society **Black Sexual Politics** Patricia Hill Collins,2004-08-02 In Black Sexual Politics one of America s most influential writers on race and gender explores how images of Black sexuality have been used to maintain the color line and how they threaten to spread a new brand of racism around the world today **Asian American Sexual Politics** Rosalind S. Sexual politics in revolutionary England Sam Fullerton, 2024-06-18 Sexual politics in revolutionary England recounts a dramatic transformation in English sexual polemic that unfolded during the kingdom's mid seventeenth century civil wars In early Stuart England explicit sexual language was largely confined to manuscript and oral forms by the combined regulatory pressures of ecclesiastical press licensing and powerful cultural notions of civility and decorum During the early 1640s however graphic sex talk exploded into polemical print for the first time in English history Over the next two decades sexual politics evolved into a vital component of public discourse as contemporaries utilized sexual satire to reframe the English Revolution as a battle between licentious Stuart tyrants and their lecherous puritan enemies By the time that Charles II regained the throne in 1660 this book argues sex was already a routine element of English political culture

The Sexual Politics of Gendered Violence and Women's Citizenship Suzanne Franzway, Nicole Moulding, Sarah Wendt, Carole Zufferey, Donna Chung, 2019-10-09 The challenge of violence against women should be recognised as an issue for the state citizenship and the whole community This book examines how responses by the state sanction violence against women and shape a woman's citizenship long after she has escaped from a violent partner Drawing from a long term study of women's lives in Australia including before and after a relationship with a violent partner it investigates the effects of intimate partner violence on aspects of everyday life including housing employment mental health and social participation The book contributes to

theoretical explanations of violence against women by reframing it through the lens of sexual politics Finally it offers critical insights for the development of social policy and practice *Sexual Politics and Feminist Science* Kirsten Leng,2018-02-15

Recreating Sexual Politics (Routledge Revivals) Victor Seidler,2009-12-15 This thought provoking book first published in 1991 examines sexual politics in a world which is being radically changed by the challenges of feminism Seidler explores how men have responded to feminism and the contradictory feelings men have towards dominant forms of masculinity Seidler's stimulating and original analysis of social and political theory connects personally to everyday issues in people's lives It reflects the growing importance of sexual and personal politics within contemporary politics and culture and demonstrates clearly the challenge that feminism brings to our inherited forms of morality politics and sexuality

Azadi: Sexual Politics and Postcolonial Worlds Tara Atluri,2016-02-01 In December of 2012 in Delhi India a woman was gang raped tortured and inflicted with such bodily violence that she died as a result of the injuries The case caused massive public protests in Delhi and throughout the Indian subcontinent These large scale public mobilizations lead to attempts to change national laws pertaining to sexual violence One year after this case The Supreme Court of India made the contentious decision to uphold Section 377 of the Indian Penal Code Section 377 instituted by British colonizers dates back to 1860 and criminalizes sexual activities deemed to be unnatural namely queer sex and queer people In December of 2013 massive protests also occurred throughout India regarding this decision Both these cases received worldwide media attention and lead to public demonstrations and debates regarding sexual politics throughout Asia and globally There was a resilient refrain heard at many of the political protests that took place A za di A za di is loosely translated into freedom Drawing on interviews done in the Indian subcontinent this book suggests that while colonial violence haunts postcolonial sexualities anti colonial resistance also remains echoing in the streets like the chorus of an old song A za di

Paradoxical Right-Wing Sexual Politics in Europe Cornelia Möser,Jennifer Ramme,Judit Takács,2021-12-06 How did far right hateful and anti democratic ideologies become so successful in many societies in Europe This volume analyses the paradoxical roles sexual politics have played in this process and reveals that the incoherence and untruthfulness in right wing populist ultraconservative and far right rhetorics of fear are not necessarily signs of weakness Instead the authors show how the far right can profit from its own incoherence by generating fear and creating discourses of crisis for which they are ready to offer simple solutions In studies on Poland Hungary Spain Italy Austria Ireland Northern Ireland Portugal France Sweden

and Russia the ways far right ideologies travel and take root are analysed from a multi disciplinary perspective including feminist and LGBTQI reactions Understanding how hateful and antidemocratic ideologies enter the very centre of European societies is a necessary premise for developing successful counterstrategies
