Counseling Mary Ann Mayo, 2003-01-17 Sexual counseling is not a task that pastors and general Christian counselors usually consider theirs. If one is to venture into the field, he or she must have a solid foundation of reliable information both physiological and psychological and confidence that caring intervention will make a difference. This book has been written to provide reliable information and also building a basis of confidence for Christian counselors. A Christian Guide to Sexual Counseling offers counselors procedures for helping couples with sexual problems by first exploring the ambivalent messages that church and culture have conveyed about sexuality. Because the primary sex organ of both the male and the female is the mind, attitudes and concepts must be scrutinized, weighed, and approved or disapproved. As the author so forcefully maintains, sexual counseling will always be trying to repair distortions if sound sex education does not become a priority for the church. Many contemporary Christians are wary of sex therapy because of the notoriety of charlatans and pop sex psychologists. But faddish theories do not comprise the basis for the mainstream of sex therapy. There are sound biological and psychological bases for sexual counseling. And Christian spirituality is not or should not be disjoined from treatment of sexual problems. So Mayo brings body, mind, and spirit together in her assessment of the common problems and the appropriate treatments. The book includes discussions of the following areas: attitudes of the church toward sexuality; the responsibility of Christian leaders to offer positive teaching; normal sexual functioning; common sexual problems in a marriage; the role and possible outcomes of sexual counseling; female problems; male problems; special concerns for singles; premarital education. When Two Become One Christopher McCluskey, Rachel McCluskey, 2006-07 Written by a certified sex therapist and his wife, this paperback edition of *When Two Become One* helps couples find sexual fulfillment with *The Lovemaking Cycle*. **Addiction and Christian Counseling** Dr. Florence Akinwumiju ND DNH Ph.D., 2023-02-09 The purpose of this book is to help people overcome addictions to intoxicants and cope with life's stresses which make up the substance abuse counselor's core mission. Counselors start by evaluating an addicted person's physical and mental behaviors, which is the first step in writing an appropriate treatment plan. Depending on the complexity of the problem, a counselor may call in other professionals such as psychiatrists and social workers. Job prospects are considered greater than average because of a growth in court-ordered referrals to treatment programs. Addiction is an irresistible urge to perform an irrational act and compulsion to dependence. There are 42 million pornographic websites, 68 million search engine requests, 42.7 percent of Internet users viewing pornography, and 100,000 websites of pornography. Religious and spiritual features buffer individuals from addictive and risky behaviors. This suggests that religiosity may play a role in beliefs about and the use of pornography. This book will help counselors and experts in the field of Christian counseling, education, and the interactions they have with clients. Simultaneously, there is certainly room for improvement in the training and preparation of counselors. The purpose of this book is to introduce the topic of training, satisfaction, attitude toward pornography, addiction, counseling, self-efficacy, and the comfort of counselors in discussing sexual issues with clients, particularly Internet pornography. **The**

A Theology of Christian Counseling Jay E. Adams, 2010-08-10 Connecting sound biblical doctrine to the practice of effective counseling Jay E Adams vocal advocate of a strictly biblical approach to counseling and author of the highly influential book *Competent to Counsel* firmly believes that the Bible itself provides all the principles needed for understanding and engaging in holistic counseling But in order to bring the practice of counseling whether by professional therapists or by the church under biblical guidance we first have to deepen our understanding of Scripture A Theology of Christian Counseling is the connection between solid theology the study of God and its practical application Each of its sections are devoted to increasing our understanding of counseling s potential by looking at it through the lens of doctrines such as Prayer and the doctrine of God Human Sin and the doctrine of Man Redemption and the doctrine of Salvation Forgiveness and the doctrine of Sanctification No counseling system that is based on some other foundation can begin to offer what Christian counseling offers No matter what the problem is no matter how greatly sin has abounded the Christian counselor s stance is struck by the far more abounding nature of the grace of Jesus Christ in redemption What a difference this makes in counseling Jay E Adams With this book you ll gain insight into the rich theological framework that supports and directs your approach to how you help people change
