## **Sexualidad Femenina La:**

El silencio de la sexualidad femenina Sofía de Castro, 2022-12-13 El silencio de la sexualidad femenina contiene un doble silencio el que guardan las mujeres sobre sí mismas y el que hay en nuestra sociedad al respecto. Este libro no hubiera sido posible sin las palabras de mujeres que dicen algo sobre su sexualidad testimonios que cuestionan el discurso común. Relatos de sujetos femeninos en análisis conversaciones entre amigas comentarios que emergen desde lugares remotos. Tras situaciones habituales gestos reiterados figuras familiares y movimientos fortuitos aparece la lnea profunda interior que los explica se esclarecen intenciones y anticipan resultados. Una lnea consumada por rápidas azares causas pausas y consecuencias. Así nos enseña a leer el psicoanálisis Freud y Lacan nos dan las claves. Aquí se han seguido sus textos fundamentales sobre la sexualidad femenina y se han puesto en relación para investigar ambos goces en las mujeres por un lado el goce fálico la satisfacción verdadera fálica satisfacción que se sitúa en su vientre como una respuesta a la palabra del hombre que le hable según su fantasma fundamental por otro el goce femenino su ambivalencia las condiciones de contingencia en las que tendrá lugar la posible cualidad del partenaire que lo desencadena la dulzura de los femeninos en el cuerpo de ese goce no todo y la diferencia radical con el estrago padecido por algunas mujeres en sus relaciones sexuales y amorosas que situamos del lado fálico y la apertura con esa experiencia a una nueva posición en la existencia. Ante un tema inagotable con las palabras de unas mujeres sin remedio en la poesía a través de unos textos freudianos y lacanianos elegidos se han tratado de tejer algunos hilos que enlazan con la actualidad de las voces que están rompiendo el silencio proverbial de la sexualidad femenina. Se ha abierto el tiempo de hablar

*Comprender la sexualidad femenina* Santiago Palacios Gil-Antuñano, 2012-02-23 La sexualidad femenina sigue presentando muchas incertidumbres. Muchas mujeres tienen dificultades con su deseo sexual y sienten que no pueden expresarse por miedo al rechazo por vergüenza por falta de confianza en sí mismas por ignorancia sobre la sexualidad femenina o porque se sobrevalora la sexualidad masculina. En este libro se transmiten los hallazgos y novedades más recientes entorno a la sexualidad de la mujer el funcionamiento del cuerpo femenino las barreras y los mitos personales y sociales que dificultan el sexo las enfermedades y problemas físicos y de comunicación con la pareja que afectan a la vida sexual de la mujer.

**Judaísmo, psicoanálisis y sexualidad femenina** María del Carmen Giménez Segura, 1991 Se analiza la influencia del judaísmo en el psicoanálisis. Se trata de determinar cómo entronca la tradición judía en la vida de Freud y qué influencia tuvo en su obra concretamente en lo relativo a la sexualidad femenina que es uno de los temas más controvertidos y polémicos del

psicoanalisis La primera parte de la obra se basa en textos judaicos y la segunda en los propios textos teoricos de freud Se parte de la hipotesis de que algunas de las aseveraciones acerca de la femineidad a la que freud se aferra obstinadamente estan relacionadas con una cierta ideologia implicita en el judaismo que freud se resiste a cuestionar a la que concede mayor confianza que a la realidad misma Freud consideraba que el judaismo y por tanto lo que en su pensamiento hubiera de judio eran inanalizables pero es paradojico que analizara aspectos concretos de otras religiones Para freud la historia de la religion y del sujeto humano se inicia por efecto de la funcion paterna Pero antes de que esto ocurra ha habido una prehistoria presidida por la madre Mujer y madre son dos terminos excluyentes entre si La mujer es para freud el fondo emblematico de toda deficiencia La autora intenta ver si en todas estas consideraciones de freud juega algun papel el judaismo Se pone de manifiesto que las similitudes entre la teorizacion de freud en su metodo y contenido y las consideraciones al respecto que se integran en la tradicion del pueblo hebreo van mas alla de lo que puede aceptarse como casual     **Hablemos de vaginas.**
