[An Intimate Life](#) Cheryl T. Cohen-Greene, 2012-11-13 The real life behind Helen Hunt s Oscar nominated performance in *The Sessions* A provocative and unusual book about a provocative and unusual profession Booklist For the past forty years Cheryl Cohen Greene has worked as a surrogate partner helping clients to confront and ultimately accept their sexuality In this riveting memoir Cohen Greene shares some of her most moving cases and also reveals her own sexual coming of age Beginning with a rigid Catholic upbringing in the 1950s where she was taught to think sex and sexual desires were unnatural and wrong Cohen Greene struggled to reconcile her sexual identity In the 1960s Sexual Revolution Cohen Greene found herself drawn to alternative sexual paths and ultimately achieved a rich and rewarding career as a surrogate partner Sex surrogacy as a profession was first developed by noted sex researchers Masters and Johnson in the 1960s and since its inception has remained in the shadows *An Intimate Life* offers a candid look into the personal and professional life of a surrogate partner examining the cultural and emotional ramifications of pursuing something most people consider taboo The memoir opens with Cohen Greene s work with Berkeley based poet and journalist Mark O Brien who was confined to an iron lung after contracting polio at age six His short essay *On Seeing A Sex Surrogate* was adapted into the film *The Sessions* starring John Hawkes and Helen Hunt as Cheryl T Cohen Greene

[Promoting Successful Integration](#) Rory A. Cooper, Paul F. Pasquina, Douglas A. Etter, 2018-08-01 This handbook is intended to be a source of information for the broad military community including uniformed military personnel family members civilian personnel of federal agencies veterans and all people who contribute to the success of wounded injured and ill service members When service members return from a deployment with visible or hidden impairments or challenges it is important for the entire community to provide support to ameliorate the long term impact of wounds injuries and illnesses that can manifest into permanent disabilities The

information contained in this book should help the reader understand and implement the steps necessary for helping wounded injured or ill service members and their families to successfully continue their military careers or to become successful as veterans within civilian communities A multifaceted approach will be presented and there is no one single solution that will work for all service members However the information contained within this handbook should provide insight into the options available and the many pathways that lead to success

Just One of the Kids Kay Harris Kriegsman,Sara Palmer,2013-05-31 Supporting and encouraging all members of the family when a child has a physical disability If you have a child with a physical disability how can you plan your family s life in a way that is inclusive for everyone What can you do to create a family where every member pulls his or her own weight in appropriate measure meets challenges and has moments in the spotlight along the way Most parents of a child who has a physical disability want their child to have fun be responsible make friends and take acceptable risks in short to feel like just one of the kids and they want to make sure that the needs of the whole family are met too Just One of the Kids is designed to help parents focus not on what could have been but instead on what can be so that they their children and the grandparents thrive as individuals and as a family The advice from psychologists Kay Harris Kriegsman and Sara Palmer is valuable for any family with children who have a physical disability from any cause Their warm and encouraging book is full of family stories tips and tools Parents of children with physical disabilities can help them develop the skills needed to meet life s challenges and launch into independence Parents building on that foundation and acknowledging each person s contributions interests and aspirations create an inclusive and resilient family

[100 Questions & Answers About Spine Disorders](#) Rahul Jandial,Henry Aryan,2009-10-07 Spine disorders including degenerative disk disease spinal tumors scoliosis spinal trauma etc are very common The problems range from inconvenient to life threatening New treatments are curing or at least improving the Quality Of Life of spine disorder patients This easy to read book answers all questions that a patient diagnosed with a spine disorder will need to know about what to expect
