

Sexuality And Eroticism Among Males In Moslem Societies

Stephen O. Murray, Will Roscoe

Sexuality And Eroticism Among Males In Moslem Societies:

Sexuality and Eroticism Among Males in Moslem Societies Arno Schmitt, Jehoeda Sofer, 1992 Here is the first major work published about sexuality and eroticism between males in Islamic society Through narratives analytic essays descriptions and academic treatises *Sexuality and Eroticism Among Males in Moslem Societies* provides a revealing and most fascinating look into what is for most Westerners still a very hidden very foreign culture Until now there has existed a lack of solid information about sexuality in Islamic society but this volume portrays very clearly the relationship between same sex eroticism and the ideal of the man as penetrator As a result *Sexuality and Eroticism Among Males in Moslem Societies* illuminates not only homosexuality but the whole sexual culture and role of gender in the Muslim world The chapters focus on homosexuality among men in Morocco Syria Iran Turkey and Israel Despite its occurrence in this region of the world sex between males is not considered to be homosexuality by most men a concept that is reiterated in chapter after chapter In addition to major differences in the attitudes toward homosexual acts in Muslim countries and the West this enlightening book also shows great differences among the Muslim countries themselves depending upon the degree to which Islamic law is enforced the impact of different western colonial influences and legal systems and the sheer impact of cultural variation within so vast a geographic area There are some keen observations and insights into the socialization of boys in Islamic culture the status and inaccessibility of women and sex roles and attitudes toward them *Sexuality and Eroticism Among Males in Moslem Societies* captures a sense of the Muslim countries in the process of rapid change from the anti modernist and religious fundamentalism of Iran to the attempts in the cities of Turkey to develop a western style gay way of life with all the difficulties that involves An engaging book for readers interested in gay studies anthropologists orientalist historians students of comparative law and sexologists it should also be read by anyone in contact with Arabs Turks or Persians as tourists in Muslim countries social service professionals working with immigrants or friends of Muslims after chapter In addition to major differences in the attitudes toward homosexual acts in Muslim countries and the West this enlightening book also shows great differences among the Muslim countries themselves depending upon the degree to which Islamic law is enforced the impact of different western colonial influences and legal systems and the sheer impact of cultural variation within so vast a geographic area There are some keen observations and insights into the socialization of boys in Islamic culture the status and inaccessibility of women and sex roles and attitudes toward them *Sexuality and Eroticism Among Males in Moslem Societies* captures a sense of the Muslim countries in the process of rapid change from the anti modernist and religious fundamentalism of Iran to the attempts in the cities of Turkey to develop a western style gay way of life with all the difficulties that involves An engaging book for readers interested in gay studies anthropologists orientalist historians students of comparative law and sexologists it should also be read by anyone in contact with Arabs Turks or Persians as tourists in Muslim countries social service professionals working with immigrants or friends of Muslims historians students of

comparative law and sexologists it should also be read by anyone in contact with Arabs Turks or Persians as tourists in Muslim countries social service professionals working with immigrants or friends of Muslims *Sexuality & Eroticism Among Males in Muslim Societies* Arno Schmitt, Jehoeda Sofer, 1995 **Sexuality and Eroticism Among Males in Moslem Societies**, 1995 **Islamic Homosexualities** Stephen O. Murray, Will Roscoe, 1997-02 The first anthropological collection that reveals patterns of male and female homosexuality in the Muslim World The dramatic impact of Islamic fundamentalism in recent years has skewed our image of Islamic history and culture Stereotypes depict Islamic societies as economically backward hyper patriarchal and fanatically religious But in fact the Islamic world encompasses a great diversity of cultures and a great deal of variation within those cultures in terms of gender roles and sexuality The first collection on this topic from a historical and anthropological perspective Homosexuality in the Muslim World reveals that patterns of male and female homosexuality have existed and often flourished within the Islamic world Indeed same sex relations have until quite recently been much more tolerated under Islam than in the Christian West Based on the latest theoretical perspectives in gender studies feminism and gay studies Homosexuality in the Muslim World includes cultural and historical analyses of the entire Islamic world not just the so called Middle East Essays show both age stratified patterns of homosexuality as revealed in the erotic and romantic poetry of medieval poets and gender based patterns in which both men and women might to varying degrees choose to live as members of the opposite sex The contributors draw on historical documents literary texts ethnographic observation and direct observation by both Muslim and non Muslim authors to show the considerable diversity of Islamic societies and the existence of tolerated gender and sexual variances **Before Homosexuality in the Arab-Islamic World, 1500-1800** Khaled El-Rouayheb, 2009-03-02 Attitudes toward homosexuality in the pre modern Arab Islamic world are commonly depicted as schizophrenic visible and tolerated on one hand prohibited by Islam on the other Khaled El Rouayheb argues that this apparent paradox is based on the anachronistic assumption that homosexuality is a timeless self evident fact to which a particular culture reacts with some degree of tolerance or intolerance Drawing on poetry biographical literature medicine dream interpretation and Islamic texts he shows that the culture of the period lacked the concept of homosexuality **Islamicate Sexualities** Kathryn Babayan, Afsaneh Najmabadi, Harvard University. Center for Middle Eastern Studies, 2008 This anthology explores different genealogies of sexuality and questions some of the theoretical emphases and epistemic assumptions affecting current histories of sexuality **Islamic Law and Muslim Same-Sex Unions** Junaid Jahangir, Hussein Abdullatif, 2016-10-03 This book is written with the objective of reasonably addressing the need of Muslim gays and lesbians for a life which involves intimacy affection and companionship within the confines of a legal contract Contemporary conservative Muslim leaders unreasonably promote false marriages with straight spouses failing which they prescribe the solution of permanent celibacy as a test This book delves into an extensive scholarship on the same sources that conservative Muslim leaders draw on the Qur'an Hadith and jurisprudence It is argued that the primary

sources of Muslim knowledge addressed sexual acts between the same gender in the context of inhospitality exploitation coercion and disease but not true same sex unions past Muslim scholarship is silent on the issue of sexual orientation and Muslim same sex unions The arguments of contemporary conservative Muslim leaders are deconstructed and the case for Muslim same sex unions is made based on jurisprudential principles and thorough arguments from within the Muslim tradition

Reader's Guide to Lesbian and Gay Studies Timothy Murphy, 2013-10-18 The Reader's Guide to Lesbian and Gay Studies surveys the field in some 470 entries on individuals Adrienne Rich arts and cultural studies Dance ethics religion and philosophical issues Monastic Traditions historical figures periods and ideas Germany between the World Wars language literature and communication British Drama law and politics Child Custody medicine and biological sciences Health and Illness and psychology social sciences and education Kinsey Report

Encyclopedia of Gay Histories and Cultures George Haggerty, 2013-11-05 First Published in 2000 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a wide range of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future

Homosexuality in Islam Scott Siraj Al-Haqq Kugle, 2010-01-01 Homosexuality is anathema to Islam or so the majority of both believers and non believers suppose Throughout the Muslim world it is met with hostility where state punishments range from hefty fines to the death penalty Likewise numerous scholars and commentators maintain that the Qur'an and Hadith rule unambiguously against same sex relations This pioneering study argues that there is far more nuance to the matter than most believe In its narrative of Lot the Qur'an could be interpreted as condemning lust rather homosexuality While some Hadith are fiercely critical of homosexuality some are far more equivocal This is the first book length treatment to offer a detailed analysis of how Islamic scripture jurisprudence and Hadith can not only accommodate a sexually sensitive Islam but actively endorse it

Men Who Sell Sex Peter Aggleton, Richard Parker, 2014-11-13 All over the world men as well as women exchange sex for money and other forms of reward sometimes with other men and sometimes with women In contrast to female prostitution however relatively little is known about male sex work leaving questions unanswered about

the individuals involved their identities and self understandings the practices concerned and the contexts in which they take place This book updates the ground breaking 1998 volume of the same name with an entirely new selection of chapters exploring health social political economic and human rights issues in relation to men who sell sex Looking at Europe North America Latin America and the Caribbean Africa and the Asia Pacific each chapter explores questions such as What is known about the different ways in which men exchange sex for money or other forms of reward What are the major contexts in which sexual exchange takes place What meanings do such practices carry for the different partners involved What are the health and other implications of contemporary forms of male sex work Men Who Sell Sex seeks to push the boundaries both of current personal and social understandings and the practices to which these give rise It is an important reference work for academics and researchers interested in sex work and men s health including those working in public health sociology social work anthropology human geography and development studies

The Bear Book Les Wright, 2013-12-02 The Bear Book brings together an impressive range of bear usually big hairy men who favor full face beards and prefer to wear jeans and flannel shirts viewpoints to explore this unique social and cultural phenomenon that stretches from America to western Europe to Australia On the personal level you learn what beardom means to different people in their daily lives and on a broader level its cultural implications for not only the gay community but also society as a whole As this book moves across the wide spectrum of bear identities you learn about the defining forces of identity the significance of differences among masculinities and the shapings of the bear movement from different viewpoints The Bear Book is the first compilation of sociological and cultural analytical investigations of the contemporary gay bear phenomenon To this end Editor Les Wright brings together both objective and subjective viewpoints to create a forum where bears can speak for themselves Through their voices you ll learn about bears and sexual identity gay male iconography socializing on the Internet sexual politics gender class looks ism and body image gay mass media the single most powerful force in the current construction of bears bears power and glamor bear as image vs bear as attitude Gays lesbians lesbian gay scholars bears and social scientists are sure to find The Bear Book thought provoking and insightful as it broaches questions such as Are bears caught up in a utopian romantic impulse to reinvent themselves What was radical lesbianism s impact on the bear movement To what extent are bears only another group of exploited consumers in a fragmented market system And is it possible to establish social liberation through enslavement to your sexual passions For both your pleasure and your education The Bear Book examines nearly every corner of beardom including bear history identity social spaces iconography and its constituency abroad

Sufism and Early Islamic Piety Arin Shawkat Salamah-Qudsi, 2019 Explores aspects of the private lives and interpersonal ties between the personal and communal domains of early Sufis

United in Hate Jamie Glazov, 2009 United in Hate analyzes the Left s contemporary romance with militant Islam as a continuation of the Left s love affair with communist totalitarianism in the twentieth century Just as the Left was drawn to the communist killing machines of Lenin Stalin Mao Pol

Pot and Castro so too it is now attracted to radical Islam Both the radical Left and radical Islam possess a profound hatred for Western culture for a capitalist economic structure that recognizes individual achievement and for the Judeo Christian heritage of the United States Both seek to establish a new world order leftists in the form of a classless communist society and Islamists in the form of a caliphate ruled by Sharia law To achieve these goals both are willing to wipe the slate clean by means of limitless carnage with the ultimate goal of erecting their utopia upon the ruins of the system they have destroyed

Autopornography Scott O'Hara, 1997 In this provocative book retired porn star Scott O'Hara known as Spunk by many of his fans from an early punk photospread gives a backstage look at the world of pornography revealing why he loved it what he got out of it and why he left it In an autobiographical style he considers and poses answers to some fascinating questions What is sex What makes a porn star And why does pornography really upset people You'll really get to know this noted gay porn star as you get a firsthand look at his life experiences and sexual journeys from his boyhood days of locker room fantasies and sexual experimentation to his years as a porn star and then to his experiences as an individual facing the realities of being HIV positive As O'Hara puts it in his Introduction This book was written as a last ditch effort a way to open up all my closets let you in on all the dark corners of my life and give you a better picture of what goes into the making of a porn star Because if there's one profession that arouses people's curiosity it's that one As you read through the pages of Autopornography you'll see how O'Hara's personality reflects his sexuality that is how they have melded into one His vivid descriptions of personal relationships with family friends lovers and casual acquaintances and his many sexual encounters as he traveled the world reveal his love of sex and his desire to live without inhibitions secrets or sexual constraints Reading Autopornography may cause you to reexamine your own sexual boundaries realize new sexual potential and discover sexual desires not previously aroused Listed 14 on Books Bought Mainly by Men 1997 Top 100 Bestsellers as rated by A Different Light Bookstore

Bisexual Characters in Film Wayne M Bryant, 2013-10-23 How far have we progressed from the days when showing a film such as Jack Smith's Flaming Creatures landed the cinema's programmer projectionist and ticket taker in jail What are some of the hidden clues modern audiences are overlooking in older films that suggest a character's bisexuality Which famous actors actresses directors and screenwriters were attracted to people of both sexes In Bisexual Characters in Film the first book to focus on the role of bisexual characters in film you'll find answers to these questions and many more as you explore analyze and celebrate 80 years of bisexual movie characters and the people who have created them from around the world A lively entertaining and informative commentary this book examines the treatment of bisexual film characters and shows you how that treatment has been affected by societal forces such as censorship politics religious prejudices homophobia and sexual stereotypes Bisexual Characters in Film looks at the contribution of bisexual people and others who have had lovers of varying sexes to the body of work available on film today These include the directors writers actors composers and designers whose sexual orientation has informed their work An analysis of the Motion Picture

Production Code and its devastating effect on bisexual and homosexual screen images forms an important part of the book. You learn how specifically it eradicated gay, lesbian and bisexual characters from Hollywood films as well as the role of bisexual, lesbian and gay filmmakers in finally defeating it. Other questions you will find answers to include: Who or what is a bisexual? How were bisexual characters represented in silent film before the forces of censorship banned them from the screen? What bisexual myths and stereotypes are portrayed on film? What is the role of camp in bisexual film? *Bisexual Characters in Film* is a unique resource for researchers, librarians, film festival planners, the queer media professors and students of lesbian, gay and bisexual studies, bisexual activists and general bisexual, gay, lesbian and transgendered readers. It provides a much needed view of bisexual representations in a major segment of our popular culture.

Development, Sexual Rights and Global Governance Amy Lind, 2010-01-04. This book addresses how sexual practices and identities are imagined and regulated through development discourses and within institutions of global governance. The underlying premise of this volume is that the global development industry plays a central role in constructing people's sexual lives, access to citizenship and struggles for livelihood. Despite the industry's persistent insistence on viewing sexuality as basically outside the realm of economic modernization and anti-poverty programs, this volume brings to the fore heterosexual bias within macroeconomic and human rights development frameworks. The work fills an important gap in understanding how people's intimate lives are governed through heteronormative policies which typically assume that the family is based on blood or property ties rather than on alternative forms of kinship. By placing heteronormativity at the center of analysis, this anthology thus provides a much needed discussion about the development industry's role in pathologizing sexual deviance, yet also more recently in helping make visible a sexual rights agenda. Providing insights valuable to a range of disciplines, this book will be of particular interest to students and scholars of Development Studies, Gender Studies and International Relations. It will also be highly relevant to development practitioners and international human rights advocates. The Open Access version of this book is available at <http://www.taylorfrancis.com/books/e/9780203868348> and has been made available under a Creative Commons Attribution-NonCommercial-NoDerivatives 4.0 license.

Routledge International Encyclopedia of Queer Culture David A. Gerstner, 2006. The Encyclopedia introduces both scholars and general readers to the cultural, political, scientific, juridical and historical practices of international queer culture.

The Masculine Marine Steven Zeeland, 2013-04-03. This exciting book was listed as #1 on The Advocate's ital bestseller list for December 1996. In *The Masculine Marine*, author Steven Zeeland records for the first time ever what active-duty Marines have to say about what it means to be a man, to be a Marine and to desire other men. As the foremost surviving icon of traditional masculinity, Marines are often considered the opposite of gay. Yet in contemporary gay culture, Marines are stereotyped as likely to play the passive role in sexual encounters with other men. By vividly illustrating some of the startling ways in which gay and Marine attributes can coincide, *The Masculine Marine* uncovers the wild sexual contradictions built into military hypermasculinity. From ordinary grunts to a major who flies a

combat jet Zeeland's Marine interviewees provide thoughtful and articulate insight into aspects of this rarely documented culture including homoerotic bonding among Marines how gay Marines reconcile their sexual identity with the ethos of hard Marine supermasculinity how some Marines eroticize the pain and humiliation of Marine Corps boot camp Marines in all male pornography male attitudes toward women in the Marine Corps hazing and institutional violence These Marines talk candidly about what motivated them to join the United States most elite fighting force and they reveal how becoming Marines has shaped their sexual and gender identities For the student of gay or military studies or anyone sexually intrigued by men in uniform The Masculine Marine must reading Visit Steven Zeeland at his home page <http://www.stevenzeeland.com>

Lone Star Muslims Ahmed Afzal, 2015 Lone Star Muslims offers an engaging and insightful look at contemporary Muslim American life in Texas It illuminates the dynamics of the Pakistani Muslim community in Houston a city with one of the largest Muslim populations in the south and southwestern United States Drawing on interviews and participant observation at radio stations festivals and ethnic businesses the volume explores everyday Muslim lives at the intersection of race class profession gender sexuality and religious sectarian affiliation to demonstrate the complexity of the South Asian experience Importantly the volume incorporates narratives of gay Muslim American men of Pakistani descent countering the presumed heteronormativity evident in most of the social science scholarship on Muslim Americans and revealing deeply felt affiliations to Islam through ritual and practice It also includes narratives of members of the highly skilled Shia Ismaili Muslim labor force employed in corporate America of Pakistani ethnic entrepreneurs the working class and the working poor employed in Pakistani ethnic businesses of community activists and of radio program hosts Decentering dominant framings that flatten understandings of transnational Islam and Muslim Americans such as terrorist on the one hand and model minority on the other Lone Star Muslims offers a glimpse into a variety of lived experiences It shows how specificities of class Islamic sectarian affiliation citizenship status gender and sexuality shape transnational identities and mediate racism marginalities and abjection
