## **Sexuality Gender And Power In Iris Murdochs Fic:**

**Sexuality, Gender, and Power in Iris Murdoch's Fiction** Tammy Grimshaw, 2005 The study concludes that just as it is generally difficult to classify the genders and sexualities of Murdoch's characters the author's narrative style also evades classification under traditional rubrics of gender or artistic achievement Jacket *Iris Murdoch, Gender and Philosophy* Sabina Lovibond, 2011-04-15 Iris Murdoch was one of the best known philosophers and novelists of the post war period In this book Sabina Lovibond explores the tangled issue of Murdoch's stance towards gender and feminism drawing upon the evidence of her fiction philosophy and other public statements As well as analysing Murdoch's own attitudes *Iris Murdoch Gender and Philosophy* is also a critical enquiry into the way we picture intellectual and especially philosophical activity Appealing to the idea of a social imaginary within which Murdoch's work is located Lovibond examines the sense of incongruity or dissonance that may still affect our image of a woman philosopher even where egalitarian views officially hold sway The first thorough exploration of Murdoch and gender *Iris Murdoch Gender and Philosophy* is a fresh contribution to debates in feminist philosophy and gender studies and essential reading for anyone interested in Murdoch's literary and philosophical writing *Iris Murdoch and the Political* Gary Browning, 2024-07-12 Iris Murdoch is a celebrated philosopher and novelist Was she a political theorist Many say that she focused upon the personal and the moral at the expense of the social and the political However this book argues the contrary Murdoch had lifelong interests in politics just as she did in literature and philosophy She saw historical experience as the foundation upon which the inter linked activities of literature philosophy and politics are based In reading Murdoch we get a clear insight into the nature of the modern political world From an early political radicalism to a later anti utopianism Murdoch reacted to the great political events of the twentieth century notably the Holocaust the rise and fall of ideologies sexual repression and the realities of totalitarianism Her political philosophy conceptualized relations between moral and political spheres and her novels deal imaginatively with questions of migration refugees sexuality and freedom Her letters and journals provide moment to moment reactions to major political events *Iris Murdoch and the Political* presents a lively discussion of Iris Murdoch and her political thought taking in the nature of socialist thought the New Left and liberalism in the UK in the latter part of the twentieth century The book is based upon a wide variety of sources including Murdoch's journals letters reviews essays novels and books It draws upon scholarship in philosophy literature and intellectual history in developing a coherent sense of how Murdoch theorized the political *Degrees of Evil in Iris Murdoch's Fiction and Philosophy* Daniel Read, 2025-02-21 This is the first survey of Murdoch's exploration of evil addressing aesthetic philosophical political and theological perspectives The study demonstrates how her work engages with currently urgent issues of trauma terrorism and psychopathy and brings her works into dialogue with key figures in twentieth and twenty first century discussions of evil including Hannah Arendt Carl Gustav Jung Susan Neiman and Simone Weil These resonances are traced through close readings of Murdoch's published fiction and

philosophy in combination with unpublished texts including annotations interviews and letters Murdoch's detailed and nuanced portrayal of evil invites readers to explore the complexities of human behaviour and the potential for moral failure

**Iris Murdoch and Morality** Anne Rowe, 2015-12-04 Iris Murdoch and Morality provides a close focus on moral issues in Murdoch's novels philosophy and theology It situates Murdoch within current theoretical debates and develops an understanding of her work as a crucial link between twentieth and twenty first century writing and theory *Iris Murdoch* A. Rowe, 2006-10-13 This book is an eclectic mix of essays that reposition Murdoch's work in relation to current debates in philosophy theology literature gender and sexuality and authorship The essays refine develop or contest previous readings and blur the distinction between liberal humanist and theoretical positions suggesting negotiations between them **Iris Murdoch: Texts and Contexts** A. Rowe, 2012-07-30 Using unpublished archive material including correspondence and the many annotations Murdoch made to the books held in her Oxford library this book offers fresh insights into Murdoch's work by placing it within a diversity of new contexts It also reveals startling parallels between Murdoch's work and other literary and philosophical texts *Iris Murdoch and Elias Canetti* Elaine Morley, 2017-12-02 Since the revelation of Iris Murdoch's 1919-1999 affair with Elias Canetti 1905-1994 scholarship on their relationship has been largely biographical focusing in particular on Canetti's alleged role as the real life model for some of Murdoch's most invidious protagonists Little research however has been done on the extensive common ground between the two writers literary projects In this groundbreaking comparative study Elaine Morley conducts a careful philological comparison of Murdoch's and Canetti's works from their literary themes and theories to their idiosyncratic stylistic practices Morley demonstrates that these authors were preoccupied with a common philosophical problem and that they were in fact not only personally close but also more intellectually allied than has been previously thought Elaine Morley is Lecturer in German and Comparative Literature at Queen Mary University of London where she convenes the MA in Anglo German Cultural Relations **Iris Murdoch** Anne Rowe, 2019 Iris Murdoch was both a popular and intellectually serious novelist whose writing life spanned the latter half of the twentieth century A proudly Anglo Irish writer who produced twenty six best selling novels she was also a respected philosopher a theological thinker and an outspoken public intellectual This thematically based study outlines the overarching themes that characterise her fiction decade by decade explores her unique role as a British philosopher novelist explains the paradoxical nature of her outspoken atheism and highlights the neglected aesthetic aspect of her fiction which innovatively extended the boundaries of realist fiction While Iris Murdoch is acknowledged here as a writer who vividly evokes the zeitgeist of the late twentieth century she is also presented as a figure whose unconventional life and complex presentation of gender and psychology has immense resonance for twenty first century readers *Selfless Love and Human Flourishing in Paul Tillich and Iris Murdoch* Julia T. Meszaros, 2016-03-03 In an age of self affirmation and self assertion selfless love can appear as a threat to the lover's personal well being This perception jars with the Biblical promise that we gain our life

through losing it and therefore calls for a theological response In conversation with the Protestant theologian Paul Tillich and the atheistic moral philosopher and novelist Iris Murdoch *Selfless Love and Human Flourishing* in Paul Tillich and Iris Murdoch enquires into the anthropological grounds on which selfless love can be said to build up rather than undermine the lover's self It proposes that while the implausibility of selfless love was furthered by the modern deconstruction of the self both Tillich and Murdoch utilize this very deconstruction towards explicating and restoring the link between selfless love and human flourishing Julia T Meszaros shows that they use the modern diagnosis of the human being's lack of a stable and independent self as manifest in Sartre's existentialism in support of an understanding of the self as relational and fallen This leads them to view a loving orientation away from self and a surrender to the other as critical to the full flourishing of human selfhood In arguing that Tillich and Murdoch defend the link between selfless love and human flourishing through reference to the human being's ontological selflessness Meszaros closely engages Søren Kierkegaard's earlier attempt to keep selfless love and human flourishing in a productive dialectical tension She also examines the breakdown of this tension in the later figures of Anders Nygren Simone Weil and Jean Paul Sartre and addresses the pitfalls of this breakdown Her examination concludes by arguing that the link between selfless love and human flourishing would be strengthened by a more resolute endorsement of a personal God and of the reciprocal nature of selfless love
