Sexuality Of Jesus:

The Sexuality of Jesus William E. Phipps, 1996 In 1970 William Phipps rocked Christianity with his controversial *Was Jesus Married* The Distortion of Sexuality in the Christian Tradition ushering in a generation of critical study of this sacrosanct subject The Sexuality of Jesus is the harvest of his research Carefully analyzing such subjects as celibacy sexuality and gender in first century Palestine Phipps suggests how Jesus life and teaching undermined traditional attitudes toward women and the human body and how the Jesus of the Gospels can inform discussions of gender and sexuality today How does the Christian tradition of sexual renunciation reflect or distort biblical and Christian understandings of the body Does Jesus represent the full flowering of sexuality or its rejection How did women particularly Mary Magdalene view Jesus Addressing these and other questions Phipps seeks to release the pivotal personality of Jesus from the dehumanizing treatments found in much of the Christian tradition Unabashedly dealing with the most contentious of topics The Sexuality of Jesus is a fresh and provocative analysis of sexuality and religious faith Sexuality and the Jesus Tradition William Loader, 2005-02-03

Discourse related to sex excites passion and debate partly because sexuality is a central aspect of what it means to be human Following up on his recent book on sexuality in the Septuagint William Loader here explores what the Christian Gospels and related writings have to say about sexuality how they reflect the faith and social values of their day and what impact they've had on our own Sexuality and the Jesus Tradition is thorough in its investigation and compelling in its analyses Loader examines all of the passages that convey views about sexuality in the Gospels and other first century literature including the Gospel of Thomas and the influence in Paul of the Jesus tradition Among the interesting topics covered are attitudes concerning lust perspectives on marriage and divorce and views about celibacy Loader shows how despite the passing of two thousand years and massive social change these ancient texts contain common issues that we still grapple with today

Intimate Jesus Andrew Angel, 2017-05-18 Intimate Jesus is the first book to open up key questions about Jesus' experience of human sexuality and His attitude towards it in himself and others for a general audience Andrew Angel examines all the relevant sayings and actions of Jesus and others in the Gospels and explores their first century cultural context in order to better understand the historical Jesus as a fully rounded human being Intimate Jesus also explores the relationship between sexuality and spirituality based in scripture Andy Angel takes this complex subject and communicates it clearly in a way that can be understood by those without a theology degree but with an interest in theology *Sexuality in the New Testament* William R. G. Loader, 2010-01-01 Loader has brought together sources from the ancient world and opinions from a wide range of scholarship in many contentious areas concerning sexuality homosexuality divorce submission of women sex outside marriage and celibacy in all of these he avoids leading the witness letting the texts speak for themselves He states the opinion of other scholars and occasionally of himself but his aim is to educate and not preach Dr David Instone Brewer Senior Research Fellow in Rabbinics and the New Testament Tyndale House Cambridge UK Loader brings an honest and

authoritative voice to the discussion of what the New Testament says about human sexuality He invites his readers to join in a serious engagement with the scriptural texts in their social and historical context and in so doing he leaves them with the challenge of wrestling with how those texts should be read today Dr Judith Lieu Lady Margaret s Professor of Divinity University of Cambridge UK Loader looks at hotly contested New Testament passages on sexuality and offers a fair and balanced treatment of what scholars say about them He also offers an analysis of why interpreters say what they say and demonstrates how texts may be interpreted specifically to support a preformed opinion Written in straightforward nontechnical language this timely and informative text is ideal for college classes as well as Bible study groups BOOK

JACKET Was Jesus Married? William E. Phipps,1986-02-28 *Holy Sexuality and the Gospel* Christopher

Yuan,2018-11-20 From the author of *Out of a Far Country* which details his dramatic conversion from an agnostic gay man who put his identity in his sexuality to a Bible professor who now puts his identity in Christ alone comes a gospel centered discussion of sex desire and relationships Dr Christopher Yuan explores the concept of holy sexuality chastity in singleness or faithfulness in marriage in a practical and relevant manner equipping readers with an accessible yet robust theology of sexuality Whether you want to share Christ with a loved one who identifies as gay or you re wrestling with questions of identity yourself this book will help you better understand sexuality in light of God s grand story and realize that holy sexuality is actually good news for all **The New Testament on Sexuality** William Loader,2012-09-13 This is the fifth and

final installment of William Loader s authoritative acclaimed series on attitudes toward sexuality in the ancient world Sexual themes are never far beneath the surface where there are human beings This was certainly the case for Christians in the first century world Some began in a strongly Jewish context and worked out their faith in dialogue with their scriptural heritage Others had to work out their sexual ethics in a world strongly influenced by Greco Roman ideals and practices In *The New Testament on Sexuality* William Loader explores the relevant cultural contexts and looks at New Testament texts related to sexuality highlighting both the warnings about sexual wrongdoing and the affirmations of sexual union He deals with specific themes such as divorce same sex relations women and men in leadership and celibacy individual behavior gender roles and rules preferences and hopes also fall under the scope of his investigation Broad ranging and thorough this book engages both the biblical texts and the diverse ways in which they have been interpreted **Queering Christ** Robert E. Goss,2007-01-01

In *Queering Christ* Robert E Goss summarizes a decade of his thinking as a queer Christian theologian sharing his queering of four critical areas sexuality Christ the Bible and theology These areas form the quadrants of his own spirituality that aims at the queer reconstruction of Christianity and reflects a life that strives to integrate the depths of spirituality and sexuality with a practice of justice Many aspects of the work are guaranteed to be highly controversial within and outside of the LGBT community *Sex and the Single Savior* Dale B. Martin,2006-01-01 Probing into numerous questions about gender and

sexuality Dale Martin delves into the biblical texts anew and unearths surprising findings Avoiding preconceptions about

ancient sexuality he explores the ethics of desire and marriage and pays careful attention to the original meanings of words especially those used as evidence of Paul's opposition to homosexuality For example after a remarkably faithful reading of the scriptural texts Martin concludes that our contemporary obsession with marriage and the whole search for the right sexual relationships is antithetical to the message of the gospel In all of these essays however Martin argues for engaging Scripture in a way that goes beyond the standard historical critical questions and the assumptions of textual agency in order to find a faith that has no foundations other than Jesus Christ

Sexuality and the Sacred James B. Nelson, Sandra P. Longfellow, 1994-01-01 This volume is rooted in two convictions first sexuality is far more comprehensive and more fundamental to our existence than simply genital sex and second sexuality is intended by God to be neither incidental nor detrimental to our spirituality but a fully integrated and basic dimension of that spirituality The authors address what our sexual experience reveals about God the ways we understand the gospel and the ways we read scripture and tradition and attempt to live faithfully

Christian Perspectives on Sexuality and Gender Elizabeth Stuart, Adrian Thatcher, 1996 This collection of articles present a variety of broadly Christian responses to issues such as sexuality and gender sexuality and spirituality gay and lesbian sexuality sexuality and violence sexuality and singleness and the family

Jesus of Hollywood Adele Reinhartz, 2009-04-01 Since the advent of the cinema Jesus has frequently appeared in our movie houses and on our television screens Indeed it may well be that more people worldwide know about Jesus and his life story from the movies than from any other medium Indeed Jesus story has been adapted dozens of times throughout the history of commercial cinema from the 1912 silent *From the Manger to the Cross* to Mel Gibson's 2004 *The Passion of the Christ* No doubt there are more to come Drawing on a broad range of movies biblical scholar Adele Reinhartz traces the way in which Jesus of Nazareth has become Jesus of Hollywood She argues that Jesus films both reflect and influence cultural perceptions of Jesus and the other figures in his story She focuses on the cinematic interpretation of Jesus relationships with the key people in his life his family his friends and his foes She examines how these films address theological issues such as Jesus identity as both human and divine political issues such as the role of the individual in society and the possibility of freedom under political oppression social issues such as gender roles and hierarchies and personal issues such as the nature of friendship and human sexuality Reinhartz's study of Jesus celluloid incarnations shows how Jesus movies reshape the past in the image of the present Despite society's profound interest in Jesus as a religious and historical figure Jesus movies are fascinating not as history but as mirrors of the concerns anxieties and values of our own era As the story of Jesus continues to capture the imagination of filmmakers and moviegoers he remains as significant a cultural figure today as he was 2000 years ago

Flesh-and-Blood Jesus, Second Edition L. Daniel Russ, 2013-02-28 Christians are prone to so focus on the realities of Jesus divinity that we minimize or ignore the realities of his humanity That he called himself the Son of Man more than any other title emphasizes that Jesus lived humanly in our fallen world facing our temptations and living out the tensions of being human in the flow of

life He was just like us human in a sinful world yet he did not sin So what can we learn from Jesus glorious life about the meaning of our own humanity about the tensions of being human in a sinful world and the difference between being a sinner and being a finite flesh and blood human being With this book as a helpful and trustworthy guide you will begin to see how we can learn from Jesus how to live gracefully in our bodies even our wounded and dying bodies live with integrity as finite human beings who are created to enjoy limits love our family friends neighbors strangers and enemies enjoy being alone without being lonely enjoy the good things of life wear our scars with hope and dignity learn to die As Dr Russ shows it is by truly encountering understanding and learning from Jesus humanity that we can become more fully and truly human

The Oxford Handbook of Theology, Sexuality, and Gender Adrian Thatcher, 2015 The Oxford Handbook of Theology Sexuality and Gender presents an unrivalled overview of the theological study of sexuality and gender These topics are not merely contentious and pervasive they have escalated in importance within theology Theologians increasingly agree that even the very doctrine of God cannot be contemplated without a prior grappling with each Featuring 41 newly commissioned essays written by some of the foremost scholars in the discipline this authoritative collection presents and develops the latest thinking in these areas Divided into eight thematic sections the Handbook explores methodological approaches contributions from neighbouring disciplines sexuality and gender in the Bible and in the Christian tradition controversies within the churches and within four of the non Christian faiths and key concepts and issues The final extended section considers theology in relation to married people and families gay and lesbian people bisexual people intersex and transgender people disabled people and to friends This volume is an essential reference for students and scholars which will also stimulate further research

Sex Difference in Christian Theology Megan K. DeFranza, 2015-05-16 How different are men and women When does it matter to us or to God Are male and female the only two options In Sex Difference in Christian Theology Megan DeFranza explores such questions in light of the Bible theology and science Many Christians entrenched in culture wars over sexual ethics are either ignorant of the existence of intersex persons or avoid the inherent challenge they bring to the assumption that everybody is born after the pattern of either Adam or Eve DeFranza argues from a conservative theological standpoint that all people are made in the image of God male female and intersex and that we must listen to and learn from the voices of the intersexed among us

The Intimate Connection James B. Nelson, 1988-01-01 In recent decades men have begun to question seriously their traditionally held roles and values The women s movement popular books and male images on television and in films have all contributed to men s uncertainty about themselves There is a major shift taking place in the perception of sexuality James Nelson asserts that men and women seek something the sexual revolution did not provide an understanding of the true meaning of love This he claims is the unfinished business of that revolution

The Sexuality of Jesus [book Review] James L. Bailey, 1998 **Jesus Was Gay** Alexander Kissi, 2016-06-10 This book is to serve as a tool which will be used to measure the modern day understanding of what is called sex and to throw more light on what we call

gay and straight I believe the words gay and straight as referred to sexuality of people have been used wrongly or it is not understood This can be well understood if we use this book as the spiritual tool or a yardstick to measure what is sex by taking into account that there are two realms in the world we live in the unseen realm which is the spiritual realm and the seen realm which is physical Everything we see in the physical world originated from the unseen realm Everything that we do in this physical world has impact in the realm or the spirit realm Sexuality and Spiritual Growth Joan H.

Timmerman, 1992 That the title of this book will attract some and startle others and shock many is the best proof of how important a work Joan Timmerman has written It is a major exploration of sexuality as an embodiment of Christian values from the bestselling author of Mardi Gras Syndrome **Religion & Sexuality** Charles Kevin Robertson, 2006 Issues of religion and sexuality elicit passionate debate as witnessed in the well researched provocative essays contained in this volume Cutting edge scholars representing radically different traditions and positions wrestle with controversial and even taboo subjects in modern American culture Oral sex polygamy homosexuality and clergy celibacy and boundaries are addressed as editor C K Robertson facilitates a lively conversation that will be of interest to students of religion and popular culture or anyone wishing to explore what is on and off limits in today's increasingly pluralistic yet strongly spiritual society
