

# THE SEXUALLY ADEQUATE MALE

by Frank S. Caprio, M.D.

In this book Dr. Caprio, an internationally recognized authority in the fields of psychiatry and psychoanalysis, deals with a problem facing a large percentage of the male population—how to function adequately sexually.

In simple but authoritative language Dr. Caprio discusses the problem of impotence, shows its causes, and reveals how it can be cured.

Throughout the book are medically sound and psychiatrically proved explanations for the solution of sexual difficulties. In the chapter on "The Art of Lovemaking," Dr. Caprio discusses errors in sexual technique and outlines in detail the correct approach. A chapter dealing with "The Male Menopause" analyzes sex problems of the middle-aged and discusses sexual longevity.

"I most heartily recommend The Sexually Adequate Male."

—Edwin M. Hirsch, M.D., author of *The Power of Love*

"The book deserves far more than reading; it deserves long and serious study, and the principles revealed need to be put into practical use. It deserves popularity and this reviewer predicts it will become must reading for thousands." — D. O. Caldwell, M.D.

"Should be of great value to medical practitioners as well as the intelligent layman who would like to have a sound understanding of his deficiencies."

—*International Journal of Sexology*

## **Sexually Adequate Male:**

**The Sexually Adequate Male** Frank S. Caprio,1960      Sexually Adequate Male Frank S. Caprio, Frank Samuel Caprio,1979      **The Sexually Adequate Male** Frank Samuel Caprio,1952      *The Sexually Adequate Male* Frank Samuel Caprio,1974      *The Sexually Adequate Male* Frank Samuel Caprio,1964      *The Sexually Adequate Male* Frank Samuel Caprio,1967      American Sexual Character Miriam G. Reumann,2005-03-07

When Alfred Kinsey's massive studies *Sexual Behavior in the Human Male* and *Sexual Behavior in the Human Female* appeared in 1948 and 1953 their detailed data spurred an unprecedented public discussion of the nation's sexual practices and ideologies. As they debated what behaviors were normal or average, abnormal or deviant, Cold War Americans also celebrated and scrutinized the state of their nation relating apparent changes in sexuality to shifts in its political structure, economy, and people. *American Sexual Character* employs the studies and the myriad responses they evoked to examine national debates about sexuality, gender, and Americanness after World War II. Focusing on the mutual construction of postwar ideas about national identity and sexual life, this wide-ranging shrewd and lively analysis explores the many uses to which these sex surveys were put at a time of extreme anxiety about sexual behavior and its effects on the nation. Looking at real and perceived changes in masculinity, female sexuality, marriage, and homosexuality, Miriam G. Reumann develops the notion of American sexual character, sexual patterns, and attitudes that were understood to be uniquely American and to reflect contemporary transformations in politics, social life, gender roles, and culture. She considers how apparent shifts in sexual behavior shaped the nation's workplaces, homes, and families, and how these might be linked to racial and class differences.

**The Adequate Male** Frank Samuel Caprio,1952

In this book Dr. Caprio, an internationally recognized authority in the fields of psychiatry and psychoanalysis, deals with a problem facing a large percentage of the male population: how to function adequately sexually. In simple but authoritative language, Dr. Caprio discusses the problem of impotence, shows its causes, and reveals how it can be cured. Throughout the book are medically sound and psychiatrically proved explanations for the solution of sexual difficulties. In the chapter on *The Art of Lovemaking*, Dr. Caprio discusses errors in sexual technique and outlines in detail the correct approach. A chapter dealing with *The Male Menopause* analyzes sex problems of the middle-aged and discusses sexual longevity. Dr. Caprio has gathered a vast body of knowledge on all phases of sexual inadequacy, and the chapters in this book dealing with Homosexuality and other problems in sex expression are an outstanding contribution to the literature in the field. Through exciting case histories, the author illustrates the variety of conditions which prevent sexual adequacy. One section of the book deals especially with maladjusted male personalities. *The Adequate Male* is a book for all men who wish to achieve the normal sex life indispensable to a happy marriage relationship.

**The Encyclopædia of Sexual Behaviour** Albert Ellis, Albert Abarbanel,2013-09-24

The *Encyclopedia of Sexual Behavior* Volume 1 is a comprehensive review of the major aspects of the biology, physiology, and anatomy of sex. This book is divided into 57 chapters that also cover the major facets of

the emotional psychological sociological legal anthropological geographical and historical aspects of sexuality including the related fields of love marriage and the family This book deals first with the advances in sex research the issues on abortion abstinence adolescent sexuality and the link between sex and aging The subsequent chapters consider the demographic geographical and anthropological aspects of sex life the physiology anatomy and history of sex the attitude toward sex the concept of autoerotism and the religious view of sex Other sex related topics covered include chastity and virginity child sexuality nakedness coitus contraception courtship culture social dancing and sex education This book further discusses the emotional aspects of sex such as divorce marriage extramarital sex relations family and reproduction The remaining chapters look into the issues of hermaphroditism homosexuality illegitimacy impotence and jealousy This book is of value to psychologists psychiatrists sociologists medical practitioners and researchers and workers in the allied fields

**Revealing Male Bodies** Nancy Tuana, 2002-05-06 Revealing Male Bodies is the first scholarly collection to directly confront male lived experience There has been an explosion of work in men s studies masculinity issues and male sexuality in addition to a growing literature exploring female embodiment Missing from the current literature however is a sustained analysis of the phenomenology of male gendered bodies Revealing Male Bodies addresses this omission by examining how male bodies are physically and experientially constituted by the economic theoretical and social practices in which men are immersed Contributors include Susan Bordo William Cowling Terry Goldie Maurice Hamington Don Ihde Greg Johnson Bj rn Krondorfer Alphonso Lingis Patrick McGann Paul McIlvenny Terrance MacMullan Jim Perkinson Steven P Schacht Richard Schmitt Nancy Tuana Craig L Wilkins and John Zuern

**Male Infertility** Stefan S. du Plessis, Ashok Agarwal, Edmund S. Sabanegh, Jr., 2014-07-26 This unique text provides a comprehensive yet concise review of the various environmental factors and lifestyle choices which impact male fertility with special emphasis on the mechanisms that contribute to decreased sperm production and impaired function Internationally recognized scientists and clinicians leaders in the field of infertility gather their insights and discuss how to prevent address and cure male infertility caused by factors such as smoking alcohol consumption medication and drug use obesity dietary and exercise habits sexually transmitted infections psychological stress and occupational exposure to chemicals and radiation Written in an easy to follow informal yet scientific style Male Infertility offers invaluable clinical guidelines for physicians and infertility experts and new data and research of great interest to basic scientists andrologists and embryologists

**Essentials of Psychiatric Mental Health Nursing** Mary C Townsend, 2013-08-16 New DSM 5 content Whether it s an entire course on psychiatric nursing or integrating these principles into an existing course this is the text that s concise engaging and informative It offers an evidence based holistic approach to mental health nursing in a streamlined format that explores nursing diagnoses for both physiological and

psychological disorders It s the psychiatric nursing text that students actually read understand and use **Dual Attraction** Martin S. Weinberg,Colin J. Williams,Douglas W. Pryor,1995-06-01 For the past two generations extensive research has been conducted on the determinants of homosexuality But until now scant attention has been paid to what is perhaps the most mysterious and potentially illuminating variation of human sexual expression bisexuality Today as ignorance and fear of AIDS makes greater awareness of all forms of sexual behavior an urgent matter of private and public consequence leading sex researchers Martin Weinberg Colin Williams and Douglas Pryor provide us with the first major study of bisexuality Weinberg Williams and Pryor explore the riddle of dual attraction in their study of 800 residents of San Francisco Fieldwork intensive interviews and surveys provided a wealth of data about the nature of bisexual attraction the steps that lead people to become bisexual and how sexual preference can change over time They found that heterosexuals more often than homosexuals become bisexual that bisexual men and women differ markedly in their sexual behavior and romantic feelings that most bisexuals ultimately settle into long term relationships while continuing sexual activity outside those relationships and they also explain why transsexuals often become bisexual Moreover the authors discovered that as the AIDS crisis unfolded many bisexual men entered into monogamous relationships with women and bisexual women into more lesbian relationships Recent media accounts attest that a growing number of researchers and writers are narrowing the fundamental cause of sexual preference to a single factor biology But if as this study shows learning plays a significant part in helping people traverse the boundaries of gender if past and present intimate relationships influence their changing preferences and if bisexual activity is inseparable from a social environment which provides distinctive sexual opportunities then a mosaic of factors far more complex than those previously considered must be entertained in explaining the fuller spectrum of sexual preferences Dual Attraction is one of the most significant contributions to our understanding of sexuality since the original Kinsey reports and Bell and Weinberg s 1978 international bestseller Homosexualities It is must reading for all those interested in the study of sexual behavior especially now since the onset of AIDS **Manhood and American Political Culture in the Cold War** K.A. Cuordileone,2012-11-12 Manhood and American Political Culture in the Cold War explores the meaning of anxiety as expressed through the political and cultural language of the early cold war era Cuordileone shows how the preoccupation with the soft malleable American character reflected not only anti Communism but acute anxieties about manhood and sexuality Reading major figures like Arthur Schlesinger Jr Adlai Stevenson Joseph McCarthy Norman Mailer JFK and many lesser known public figures Cuordileone reveals how the era s cult of toughness shaped the political dynamics of the time and inspired a reinvention of the liberal as a cold warrior **Obscenity Rules** Whitney Strub,2013-09-24 For some he was America s leading smut king hauled into court repeatedly over thirty years for peddling obscene publications through the mail But when Samuel Roth appealed a 1956 conviction he forced the Supreme Court to finally come to grips with a problem that had plagued both American society and constitutional law for longer than he had

been in business For while the facts of Roth v United States were unexceptional its constitutional issues would define the relationship of obscenity to the First Amendment The Supreme Court's 6-3 decision in Roth for the first time tried to definitively rule on the issue of obscenity in American life and law and failed In this first book length examination of the case Whitney Strub lays out the history of obscenity's meaning as a legal concept highlights the influence of antivice crusaders like Anthony Comstock and John Sumner and chronicles the shadowy career that led Roth to spend nearly a decade of his life imprisoned for the allegedly obscene materials that he sent through the mails Strub then unwraps the events that produced Roth v United States placing the trial in the context of its times the Kinsey Reports the Kefauver hearings free speech debates by using Roth's own private papers along with the records of the various prosecutions and the memos of the justices The significance of Roth as Strub reveals lay in the two faces of Justice William Brennan's majority opinion which on the one hand reflected the liberalizing attitude toward sexual matters in mid century America but on the other kept obscene expressions beyond First Amendment protection Because that ruling points up the contradictions of a society where the prurient and repressive commingle uncomfortably Strub shows how Roth says much more about American sexual values than Brennan's written words necessarily acknowledged In our era of internet pornography and Fifty Shades of Grey it may be difficult to imagine a time when obscenity was a matter for the courts As Strub tracks the legacy of Roth and obscenity law through the ongoing policing of acceptable sexuality into the twenty first century his riveting narrative brings those times to life and helps readers navigate the fine line between what is socially acceptable and what is criminally obscene

**Sexology**  
 Hermann-J. Vogt, Wolf Eicher, Götz Kockott, Volker Herms, Reinhard Wille, 2012-12-06 Sexology as a discipline has had to fight for full fledged recognition in the scientific community Yet special knowledge of normal and disturbed sexual behavior is expected of medical professionals psychologists and educators alike Based on the papers given at the 8th World Congress for Sexology in 1987 this volume gives an up to date discussion of the most interesting and controversial topics such as AIDS in the field Contributions have been grouped under the main headings Family Planning Sterility and Sexuality Erectile Dysfunction Sexuality in the Elderly and in Marriage Transsexualism Sexual Therapy and Sexuality and Illness and include items of historical interest as well as transcultural comparisons
