Sg Rel Est Prin For New Econ:

Competitiveness of the Singapore Economy Mun Heng Toh, 1998 This volume provides an intensive review of the economic competitiveness of Singapore's economy. It identifies and analyses the strategies which will allow the economy to retain its competitive advantage in the years ahead in an increasingly globalised economic environment considerably liberalised international trading and investment climate and with regional economies challenging the country's competitive edge as a regional transportation hub, international financial centre and a primary regional centre for technology and education. Dialogues and interviews with managers and CEOs of industries in the private and public sectors are also included.

Digital Economy Harbhajan S. Kehal, Varinder P. Singh, 2005-01-01 Annotation: Digital Economy provides information about the socioeconomic aspects of the digital economy. This set of eighteen essays covers the effects of digital economy on business transactions, technology and culture as well as on education. It also covers various aspects of global production, trade and investment and the effects of the Internet.

Comparative Economics in a Transforming World Economy John Barkley Rosser, 2004 The second edition of an innovative undergraduate textbook in Comparative Economic Systems that goes beyond the traditional dichotomies.

The New Economics of Sovereign Wealth Funds Massimiliano Castelli, Fabio Scacciavillani, 2012-09-14 A complete guide to sovereign wealth funds written by and for industry practitioners. Sovereign wealth funds (SWFs) aren't new but they are often misunderstood. As they've attracted more attention over the last decade and grown greatly in size, the need for a new and thorough resource on SWFs has never been greater. These funds will only grow more important over the coming years. In this book, expert authors who work in the industry present a comprehensive look at SWFs from the perspective of western investors.

Mobile Services in the Networked Economy Jarkko Vesa, 2005-01-01 This book provides new insight into the structure and dynamics of the mobile services industry by combining novel ideas from complexity theory from the research of vertical integration strategies and from the theories of networked organizations. These ideas and theories are then applied to the context of three different types of mobile services markets. Provided by publisher.

The Political Economy of the New Asian Industrialism Frederic C. Deyo, 1987 Despite the otherworldly situations he's gotten into, Keiichi's everyday joy is still found as an engineer and mechanic. And as Chihiro's training retreat by the seashore continues, the two of them put that shared passion into practice by building two bikes based on different philosophies with the help of her old high school friends Eri and Tasuga, plus or maybe minus the help of Urd and Skuld. p. 4 of cover.

Compulsory Property Acquisition for Urban Densification Glen Searle, 2018-06-14 Densification has been a central method of achieving smart, sustainable cities across the world. This book explores international examples of the property rights tensions involved in attempting to develop

denser more sustainable cities through compulsory acquisition of property The case studies from Europe North America eastern Asia and Australia show how well or not property rights have been recognised in each country Chapters explore the significance of local legal frameworks and institutions in accommodating property rights in the densification process In particular the case studies address the following issues and more Whether compulsory acquisition to increase densification is justified in practice and in theory The specific public benefits given for compulsory acquisition The role the development industry plays in facilitating encouraging or promoting compulsory acquisition What compensation or offsets are offered for acquisition and how are they funded Is there a local or national history of compulsory property acquisition by government for a range of purposes Is compulsory acquisition restricted to certain types or locations of densification Where existing housing is acquired are there obligations to provide alternative housing arrangements The central aim of the book is to summarize international experiences of the extent to which property rights have or have not been protected in the use of compulsory property acquisition to achieve sustainable cities via urban densification It is essential reading for all those interested in planning law property rights environmental law urban studies sustainable urban development and land use policy
