Shack Out On 101:

The Red and the Black Robert Miklitsch, 2016-12-07 Critical wisdom has it that we said a long goodbye to film noir in the 1950s Robert Miklitsch begs to differ Pursuing leads down the back streets and alleyways of cultural history The Red and the Black proposes that the received rise and fall narrative about the genre radically undervalues the formal and thematic complexity of 50s noir and the dynamic segue it effected between the spectacular expressionism of 40s noir and early modernist neo noir Mixing scholarship with a fan s devotion to the crooked roads of critique Miklitsch autopsies marquee films like D O A Niagara and Kiss Me Deadly plus a number of lesser known classics Throughout he addresses the social and technological factors that dealt deuce after deuce to the genre its celebrated style threatened by new media and technologies such as TV and 3 D color and widescreen its born losers replaced like zombies by All American heroes the nation rocked by the red menace and nightmares of nuclear annihilation But against all odds the author argues inventive filmmakers continued to make formally daring and socially compelling pictures that remain surprisingly startlingly alive Cutting edge and entertaining The Red and the Black reconsiders a lost period in the history of American movies *TCM Underground* Millie De Chirico, Quatoyiah Murry, 2022-10-25 Based on the Turner Classic Movies series TCM Underground is the movie lover s guide to 50 of the most campy kitschy shocking and weirdly wonderful cult films you need to see In the pages of this book you ll explore this unique order of films primarily from the 1960s 70s and 80s with insightful reviews behind the scenes stories subgenre sidebars and full color and black and white photography throughout Go along for the ride with new takes on crime films including The Honeymoon Killers and The Harder They Come Witness one of a kind horror in Bill Gunn s landmark vampire film Ganja and Hess and Nobuhiko Obayashi s infamous and indescribable Hausu Absorb the boundary pushing documentary style trilogy The Decline of Western Civilization which throws you into indelible moments in the punk and metal music scenes And marvel at pure 80s oddities like Mac and Me and The Garbage Pail Kids From Possession to Polyester and Beyond the Valley of the Dolls to Xanadu no two films are alike in this compendium Just sit back and prepare to be surprised amused and entertained by this celebration of the stars filmmakers and stories behind fifty of the most beguiling and unforgettable movies ever to hit the screen *Film Noir* William Luhr, 2012-03-05 Film Noir offers new perspectives on this highly popular and influential film genre providing a useful overview of its historical evolution and the many critical debates over its stylistic elements Brings together a range of perspectives on a topic that has been much discussed but remains notoriously ill defined Traces the historical development of the genre usefully exploring the relations between the films of the 1940s and 1950s that established the noir universe and the more recent films in which it has been frequently revived Employs a clear and intelligent writing style that makes this the perfect introduction to the genre Offers a thorough and engaging analysis of this popular area of film studies for students and scholars Presents an in depth analysis of six key films each exemplifying important trends of film noir Murder My Sweet Out of the Past Kiss Me Deadly The Long Goodbye
